Transportation Lines.

Reliance Portable Boat Line.

1846.

FOR transporting good between Pittsburgh and the Eastern cities without transhipping. This old established line (being the oldest portable boat line on the canal) is now prepared to receive produce and merchandize for shipping either East or West. The boats by this line are commanded by skilful, experienced and sober captains, and provided with good crews. Boats and cargoes are transferred from and to canal and railroad, saving all removal and separation of goods. Trips made in as short time, and goods carried on as fair terms as any other line.

Thankful for, and respectfully soliciting a continuance of the very liberal and growing patronage heretofore bestowed upon this line, we with confidence assure those merchants disposed to favor us, that their business shall be done to their entire satisfaction. Goods carried by us, consigned to either of our houses, will be shipped to their destination free of charge for shipping, storage or advance of charges. As we hold no interest in steamboat stock, merchants may depend upon their goods always being forwarded without delay, upon good boats and at the lowest rates of freight.

Produce consigned to our house at Philadelphia for sale, will be sold on liberal terms, and advances made either at Pittsburgh or Philadelphia.

Independent Portable Boat Line.

1846.

FOR the transportation of produce and merchandize to and from Pittsburgh, Baltimore and Philadelphia; no transhipment. The subscribers, agents for a number of the best portable boats, forming a regular daily line between Pittsburgh and the Eastern cities, will be fully prepared on the opening of navigation to ship a large amount of produce and merchandize with despatch and on accommodating terms.

The great success which has characterised this mode of transportation on the Penn's canals and rail roads during the last few years, notwithstanding the opposition of long established companies, and is a pretty sure indication of its superiority over the old plan of transhipping at the the different terminus of canals and railroads.

We therefore ask for the Independent Portable Boat Line a liberal share of patronage.

Produce or merchandize consigned to us for shipment will be forwarded immediately on arrival, free of any charge for commission, storage or insurance. Bills of lading transmitted, and all instructions promptly attended to. MEARS, RAYNOR & Co.,

Pittsburgh Portable Boat Line,

1846.

FOR the transportation of freight between Pittsburgh and the Atlantic cities, via Pennsylvania Improvements and Baltimore and Susquehanna railroad.

The Proprietors of this old established line, having completed their arrangements, are prepared to forward goods to and from the East (on the opening of the canal navigation) on as reasonable terms as any other responsible line, and are determined that no care or attention on their part shall be wanting to secure a continuance of that patronage so liberally bestowed upon them for several years past.

The decided success of the portable boat system, so manifest in the regularity and despatch experienced in the delivery of goods, the absence of all risk of delay, breaking or other damage, incident to the old system, where goods have to be hurriedly transhipped three times on the way, and the merchantable order in which produce has been avowedly delivered by them, has induced the proprietors to increase their stock considerably this season. Their extensive warehouses at each point, (unequalled by any other line,) affords them facilities to conduct their business with despatch; and to shippers the convenience of free storage, if required, until their arrangements are complete—while their long experience in the carrying trade, it is presumed, will be sufficient guarantee to their patrons and the public that they will successfully exert themselves to give general satisfaction.

Produce received forwarded, steamboat charges paid, and bills lading transmitted free of charge for commission, advancing or storage, and all communications to the following agents promptly attended to:

1846.

CONDUCTED on strict Sabbath-keeping principles, though not claiming to be the only line that is so conducted. The proprietors of this old established line have put their stock in the most complete order, and are thoroughly prepared to forward produce and merchandize to and from the Eastern cities on the opening of navigation.

We trust that our long experience in the carrying business, and zealous attention to the interests of customers, will secure to us a continuance and increase of the patronage heretofore bestowed on 'Bingham's Line.'

Our arrangements will enable us to carry freight with the utmost despatch; and our prices shall always be as low as the lowest charged by other responsible lines.

Produce and merchandize will be received and forwarded east and west without any charge for advertising, storage or commission.

Bills of lading forwarded, and every direction promptly attended to.

A VOICE FROM KENTUCKY.

I have been afflicted with dyspepsia in its most aggravated form for three years past, and found no relief until I used Dr. G. Benj. Smith's "Sugar-Coated Indian Vegetable Pills." After using six boxes of said valuable pills, I am entirely cured. They are a general remedy. J. K. LEEMAN.

At the request of Dr. G. Benjamin Smith's agent we cheerfully state that we visited the office of Dr. Smith in September last, while in New-York, and found him to all appearance carrying on a very extensive business with his Sugar-Coated Indian Vegetable Pills. The extent of his establishment would astonish any one not initiated in the mysteries of the pill trade.—Louisville Journal.

Still Another Wonderful Cure of CONSUMPTION.

DR. SWAYNE'S COMPOUND SYRUP
OF WILD CHERRY,
THE ORIGINAL AND GENUINE PREPARATION!

Conghs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of Throat, Breast and Lungs, the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY.

THE GREATEST CURE EVER RECORDED!—DR. SWAYNE—*Dear Sir:* I feel it a debt of gratitude due you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Prunus Virginia, or Wild Cherry, or rather of its medicinal virtues. Some three years since I was violently attacked with cold and inflamation of the Lungs, which was accompanied with a very distressing cough, pain in the breast and head; a very considerable discharge of offensive mucus from the lungs, frequent from them, especially from changes of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Just here I was advised and persuaded by a dear friend in Wilmington, to make trial of your Syrup of Wild Cherry; I must confess that previously I had been prejudiced against patent medicines, and was still against those coming out of the hands of empirics, but understanding your claim, to the profession and practice of medicine, and having implicit faith in the say so of my friend, I forthwith purchased of Dr. Shaw, one of your agents, a few bottles, and commenced its use. My disease at this time was of 20 or 24 months standing, consequently, was deeply seated. It therefore required several bottles of bottles to effect a cure in my case; I found, however, considerable relief from the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength and health, and thereby ruptured those vessels that had already began to heal, in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently, I had to use 12 or 15 bottles before I was perfectly restored. I have now been about two years restored, and from what I would have made me sound, but for the above indiscretion. The Syrup allayed the feverish habit, done away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system, good health. Thanks be to God, who is the source of all health, and to Dr. Swayne for it. I would recommend the Syrup to all persons who may be affected with colds, cough or consumptions. I verily believe it will cure consumption in the first and second stages, and in the last, will have deferred offering this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well, I offer it with pleasure.
