THE PITTSBURGH DAILY MORNING POST. JOHN BIGLER, Editor.

The new mail regulation will certainly prove very adventageous to the people of this city;—it will place them in possession of eastern letters and papers at least 12 hours sooner than under the old arrangement. It will be seen by the following letter will the seen by the following letter lessons from the accomplished "Violinist;" James of the capitol of Yucatan, which read to the 10th ultimo. We translate as follows: The old legisla-TFor Latest News, see Postscript, on second The War with Mexico.

The editor of the Gazette has again dodged the question at issue. The editor, it will be recollected. solemnly asserted that the President of the has voluntarily consented to pay him a fair comquestion at issue. The editor, it will be recollect and we hope soon to hear that the Department ted, selemnly asserted that the President of the has voluntarily consented to pay him a fair com-United States, had awaged war upon Mexico without pensation for carrying the mail on the Brownsville authority of Congress." We pronounced the declaration untrue, and called upon the editor to give the evidence upon which he based the assertion.

We cannot see what possible hearing this and who field to the Maxican are dated for the date of commencement of extract and the date of commencement of extract are dated for the Maxican are dated fore

the fact. If he will just name the paper in which the renunciation of Mr. Hampton first appeared we will aid him in procuring a copy for re-publication.

One word as to the Sons of Temperance. If the editor will pledge himself to have the name of the candidate to whom we refer erased from the Antimasonic and Whigh ticket, assigning as a leason for so doing the fact that he belongs to the Sons of Temperance, we will give him the name, and sat

sonic order. If it is true that Mr. Hampton "public farmers, six variance norses, carriages, and licty renounced" masonry "many years ago" the editor can certainly give the public some evidence of the fact. If he will just name the paper in which the renunciation of Mr. Hampton first appeared.

Sonic order. If it is true that Mr. Hampton "public some size variances, six variance norses, carriages, and harness, hav. grain, &c., belonging to Mr. Batch Boone, whose remains your gallant State lately evolutioned and re-interred on the heights of Frankfort. We have Grayson and lady, a charming you had played your intended trick!

"Now," are you not much better pleased than if you have fort. We have Grayson and lady, a charming families from all the East taught me a lesson that I will never lorget. I feel now the truth of the words which I never lorget.

OUTRAGE .- A disgraceful outrage was perpetra- ers, while dilating upon the blessings of temperted in Palmyra, Wayne county N.Y., by a gang of ance, asked, "What is the very best drink in the

The Washington Union of Friday evening says Prosecution of the War.—Circumstances have put it in our power, in the course of this day, to acertain some interesting facts touching the state of the army, and the plans of the campaign. Without entering into details, we may state, in the general, our conscientious belief, that the executive is doing its duty—doing everything it can—doing it with heaven degree of a page to the management and regulation of all the other matters necessary to the establishment of a new government. Three persons have been appointed on a secret foreign mission, via the United Statest Although the government did not openly declare that these officers were to visit Washington for the purpose of inquiring its two visits Washington for the purpose of inquiring its two visits washington of the new. Congress was to settle the question of independence. This being done, they proceeded to the management and regulation of all the other matters necessary to the establishment of a new government. Three persons have been appointed on a secret foreign mission, via the United Statest Although the government and regulation of all the other matters necessary to the establishment of a new government. Three persons have been appointed on a secret foreign mission, via the United Statest Although the government of a new government.

The editor of the Gazette, it will be seen, confesses that Mr. Hampton "once belonged" to the Masonic order. If it is true that Mr. Hampton "pnb two large stables, six valuable horses, carriages, and harness, hav. grain, &c. belonging to Mr. Ratch Boggs, and a grandson of the celebrated Col. D. Confesses that Mr. Hampton "pnb two large stables, six valuable horses, carriages, and before example. Ex Governor Boggs and this timely bounty from some unknown name given, would save from perishing.

Mr. Alphonso Boone and family, a brother of Mrs. Boggs, and a grandson of the celebrated Col. D. Confesses than if the confesses than if the

isfy him that what we say is true—the gentleman to whom we refer, we feel assured will not deny his connection with the Sons of Temperance.—
Now, neighbor of the Gazette, come up to the work.

"A Stitch in Time."—The following toast the company. He is a most estimable young gentleman, and for his safety and protection, if necessary, an hundred weapons would be instantly drawn.

Our service is arduous, but replete with interest and excitement. Hordes of Indians gaudily dres
