sooner than, it was intended; and on a principle signal, when the scheme should be ripe.

A THRILLING SCENE. THE PITTSBURGH DAILY MORNING POST. The subjoined startling sketch is from a ne The subjoined startling sketch is from a new work by Judge Hall, entitled "The Wilderness and the War Path," and is descriptive of the coolness PITTSBURGH, SATURDAY, JUNE 13, 1846. and presence of mind of Colonel George Rogers FOR CANAL COMMISSIONER. Clark, at a council at North Bend :-WILLIAM B. FOSTER, Jr., An Indian council is one of the most imposing spectacles in savage life. It is one of the few of casions in which the warrior exercises his right of suffrage, his influence and his talents, in a civil capacity, and the meeting is conducted with all the page. gravity, and all the ceremonious estentation, with which it is possible to invest it. The matter to which it is possible to invest it. The matter to be considered, as well as all the details, are well unteer companies of our city have been busily enbe considered, as well as all the details, are well digested beforehand, so that the utmost decorum gaged enrolling new members. Three companies, that "the Mexican Generals shed tears when they must prevail, and the decision be unanimous. The chiefs and sages—the leaders and orators—occupy man company, we believe, have already obtained the most constitutions coarse behind them are arthe most conspicuous seats: Echind them are ar-ranged the young braves, and still further in the their complement of men, "all good and true," and vader, under his own intrenchments." This accomplement to "shine." ranged the young braves, and still further in the will immediately report themselves to the Goverrear appear the women and youths, as spectators. Will immediately report themselves to the GoverAll are equally attentive. A dead silence reigns nor. The "Hibernia Greens," "The Guards" and throughout the assemblage. The great pipe, gaua new Rifle Company, are fast filling up, and we come the Research la Palma. throughout the assemblage. The great pipe, gaudily adorned with paint and leathers, is lighted, and passed from mouth to mouth, communicating with the chief highest in rank, and proceeding by regular gradation to the inferior order of braves. Old Pitt, if she tries, can turn out almost any amount r three nations be represented; the pipe is of the right stripe. passed from one party to the other, and salutations re courteously exchanged, before the business of the council is opened by the respective speakers. Whatever jealousy or party spirit may exist in the tribe, it is carefully excluded from this dignified 15th of May. The editor says: assemblage, whose orderly conduct and close attention to the proper subject before them, might passed a liaw to extend the jurisdiction of that PAINEUL ACCIDENT.—We are sorry to learn, be imitated with profit by some of the most endowerment to the Rio Grande, but we deny that they says the Cauton (Ohio.) Permocrat, of the 10th tenion to the proper suggest containing might be imitated with profit by some of the most enlightened bodies in Christendom.

(Teras) ever did, as the editor says, "exercise cird inst. that yesterday, when Capt. Allen's volunteers into Massift prevailing among them, and of the brooding storm in that filled their minds, that no propriety of demean held a foot of land in or effer exercised any jurisdiction," over the country between the held their minds, that no propriety of demean held a foot of land in or effer exercised any jurisdiction, and of the brooding storm held a foot of land in or effer exercised any jurisdiction, and the propriety of demean held a foot of land in or effer exercised any jurisdiction, and the propriety of demean held a foot of land in or effer exercised any jurisdiction, and the propriety of demean held a foot of land in or effer exercised any jurisdiction. The River—The rive about 18 inches during the containt many that filled their minds, that no propriety of demean held a foot of land in or effer exercised any jurisdiction. The River—The rive about 18 inches during the containt many that they extend the propriety of demean held a foot of land in or effer exercised any jurisdiction. The River—The rive about 18 inches during the containt many that they extend they were excorting the Wooster volunteers into Massift.
