THE PITTSBURGH DAILY MORNING POST.

LOCAL COLUMN---W. BIGLER, Editor.

MONDAY MORNING, JUNE 22, 1846.

☞V. B. PALMER, Agent for country newspapers, is the Agent for the Pittsburgh Daily Morning Post, and Weekly Mercury and Manufacturer, to receive advertisements and subscriptions. He has offices in NEW YORK, at the Coal Office, 30 Ann street, (adjoining the Tribune Office.)
BOSTON, No. 12, State street.

Complimentary Benefit to Mr. Porter.

The complimentary benefit, which has been so very politely tendered Mr. Porter, by the entire 'stock company," and which has also been urged by many of our citizens, who are anxious for an opportunity to testify their approbation of the unceasing and successful efforts, which has characterised his management, since connected with our theatre, will take place this evening; when Shakspeare's splendid comdey of "*Much ado about Nothing*," will be presented. To those who have paid the slightest attention to the management of this establishment, since it fortunately fell into the hands of the present able and efficient manager, it is unnecessary to say one word; the wretched condition it was in, and the bad character attached to it, by the strolling managers who for a number of years before had attempted to direct its affairs, rendered the drama in Pittsburgh so low, that it was impossible to collect a respectable audience, even when a good performer happened *accidentally* this way. Mr. Porter undertook the management with all these obstacles to contend with; but, by indomitable perseverance and industry, has rendered the theatre a place of rational and intellectual amusement. Everything is now conducted in the most becoming manner; he has, in short, succeeded in raising the drama, from the sink of shame into which others by their want of talent and energy had plunged it, and given to it attraction and character.

That Mr. Porter has been well sustained, (at least so far as respectability is concerned,) it is unnecessary for us to say. The crowds that have nightly visited the Theatre, composed in a great degree of best fashion and respectability of the city, is the last proof that the management has in every respect come up to the wishes of the most fastidious. We hope, therefore, in consideration of the untiring exertions of the efficient and gentlemanly manager, that he may be greeted on the occasion with a crowd of faces—not on account of the mere pecuniary benefit he may derive from it—but for the proud satisfaction of knowing and seeing that exertions so untiring, and a disposition to please and gratify those for whom he has been catering, (although sometimes at considerable loss to himself) has been and is properly appreciated.

LIFE OF MAJOR L. P. MONTGOMERY.—C. P. Montgomery, brother of the gallant Major Montgomery, who was killed whilst fighting under Gen. Jackson at the battle of Horse Shoe, in Alabama, is now in this city obtaining subscribers to the life of the gallant Major. The work will not only be a full biography of Major M. but also give a general account of the events in the career of Gen. Jackson, Gen. Coffee, Cols. Henderson and Loudendale, and other distinguished warriors.

The work will be written by Charles Cassady, Esq. of Tennessee, a very able and excellent writer, and will doubtless be full of interest. Among the names of those who have subscribed for copies of the work we notice that of the late Gen. Jackson, the Hons. Henry Clay, J. C. Calhoun, S. S. Prentiss, Col. Benton, Col. R. M. Johnson, and other distinguished men of our land. We would recommend Mr. Montgomery to the favorable notice of our citizens.

FIREMEN'S PARADE.—The Washington, Penn and President Fire Companies of Allegheny city paraded on Saturday. The members of the different companies were dressed neatly and had their engines and hose carriages decked in a handsome manner with ribbons and flowers. After marching through Allegheny they crossed over to this side of the river, passed along Water, Wood and Liberty streets, and then returned to Allegheny city and were dismissed.

EXCHANGE HOTEL.—The following well-merited compliment to Mr. ALLEN BROWN, the present proprietor of the Exchange Hotel, we clip from the last number of the Ashland (Ohio) Standard:

"It may not be known to many of the numerous readers of your paper through north-western Ohio, that Mr. ALLEN BROWN, (formerly of the Merchant's Hotel, in this city,) is the present occupant of the *Exchange*. The Exchange has long been amongst the best of the Taverns in Pittsburgh.—After the great fire of the 10th of April, '45, this establishment did an excellent business, and from the fact that it has been fitted up with new furniture, principally purchased in the city of Philadelphia, and is kept in a style not inferior to any *Inn* west of the mountains, it must continue to do a good business. This is the house for an *Ohio man* —the presence of Old ALLEN makes every body at home. Old Boniface himself never had a more social appearance or never a better heart. The writer of this article has tried Old Allen recently, and not only had as good fare as heart could wish for, but a moderate bill; but it is needless to say more; any man that has ever called with Allen Brown, will be pleased to hear that he can be found at the Exchange"

☞ROBERT NELSON, of Pitt Township, will be a Candidate for the Legislature, subject to the decision of the Democratic Convention.

MAD DOG.—A dog supposed to have been mad was killed in Virgin Alley yesterday.

☞Costiveness, cholic, indigestion, have long baffled Physician's skill. A medicine, however, has been discovered, and is now offered to the world, which is a quick and perfect cure for them, to which nearly every respectable practitioner in New York will bear willing testimony, as they have abandoned all other remedies for its use. The remedy spoken of is Clickener's Sugar Coated Vegetable Pills. A medicine which is as palateable as sugar plums; never gripes or nauseates in the slighest degree, and yet is the most searching and positive purgative preparation ever discovered.—Such is the excellence of Clickener's Sugar Coated Vegetable Pills that the proprietor warrants a cure if they are taken according to directions, and binds himself to return the money if the purchaser is not fully pleased with them. The great excitement which their appearance has produced is not a false one, but is erected on the strong foundation of truth, and will never pass away; for so long as costiveness, cholic, and indigestion remain attendant upon the human race, so long will their only positive remedy continue to be popular.

Sold by Wm. Jackson, corner of Wood and Liberty streets, who is general Agent for Dr. Clickener's Pills in Pittsburgh and vicinity.

☞Beware of an imitation article called "*Improved Sugar-Coated Pills*," purporting to be patented, as both the pills and pretended patent are forgeries, got up by a miserable quack in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines.

Important to Economists.

THE public are hereby informed that KIMBALL, No. 70 Wood street, is selling Boots and Shoes very cheap for cash. All who want a first rate pair of Boots or Shoes, are respectfully envited to call and examine his stock, as he is determined not to be undersold—and as to the quality of his goods, he would beg leave to refer to his numerous customers.—*je9*

Mankind! at least that part of you
With scalp quite bald and bare,
You can have splendid—indeed, 'tis true!—
Most glorious silky hair.
If you have dandruf on the scalp;
If the hair turns white or gray,
To cure the scurf, and make it dark
You've but three Bits to pay.
If your head is bald, the hair weak or falling,
And you would have it live,
Why, try at once a bottle of Joue's
Hair Restorative.

☞Three shillings only for a trial bottle. Warrant it to possess the following qualities. It will force the hair to grow on any part where Nature intended hair to grow, stop it falling off, cure scurf or dandruf, and make light, red or grey hair grow dark. For dressing the hair soft and silky nothing exceeds this. It is indeed the most economical, yet superior article made for the hair. It is cheaper than the trash called hair oils, and it will keep the hair in order with one application, twice as long any other article.

Sold at JACKSON'S Patent Medicine Warehouse, 89 Liberty street, Pittsburgh head of Wood.

☞Principal Office, sign of the American Eagle, 82 Chatham street, New York.

A Miracle—to cure Eruptions and beautify discolored Skin.—A valuable discovery in Chemistry has been made lately by M. Vesprini, an Italian Chemist, for curing all eruptions, and for changing the color of dark, yellow or discolored skin to a fine juvenile and youthful clearness. He has made this in the convenient form of a beautiful piece of Soap. For any old cases of eruption, such as scurvy, salt-rheum, erysipelas, &c. it cures wonderfully; also, freckles, tan, sunburn, morphew pimples, blotches, &c.

See that lady, what a fright;
Jones's splendid Lily White
Would give her skin a natural hue.
But you note, in spite of talk,
She will use the common chalk;
Thus you see her face is blue.

If that same lady and many others, had used JONES'S Lily White, her face and cheeks would have had (a natural,) lifelike, alabaster white.

Sold at JACKSON'S Patent Medicine Warehouse, 89 Liberty street, head of Wood.

BY LAST NIGHT'S MAIL.

ARRIVAL OF THE

STEAM SHIP

CALEDONIA.

[From the Baltimore Sun Extra.]

FIVE DAYS LATER FROM EUROPE.

HIGHLY IMPORTANT AND INTERESTING NEWS.

Mediation offered by England between the United States and Mexico—The Oregon Treaty in England—Louis Bonaparte arrived in England in disguise, and about to leave for Florence—Determination of Sir Robert Peel to Press forward the Irish Coercion Bill —Reduction in the Cotton Market—Attempted Revolution in Portugal—Overland Mail from India— A French Fleet ordered to the Gulf of Mexico to reinforce their Squadron in consequence of the war between the United States and Mexico.

We received this morning the following interesting and important news from Europe, telegraphed from Boston to Baltimore for the Sun, which we hasten to issue in an extra.

BOSTON, June 18, 6 A. M. 1846.

The steam ship Caledonia, Capt. E. G. Lott, was telegraphed this morning at 12 o'clock, and arrived at the wharf at 1½ o'clock.

The cotton market has been reduced again to a state of comparative quietude.

Prince Louis Napoleon has arrived in England *incog.*, and is about to leave for Florence, there to join his invalid father.

It would appear from what O'Connell stated on Monday, that Sir Robert Peel is determined to press forward the Irish Coercion bill when Parliament re-assembles, after the Whitsuntide holydays.

The Oregon question has now ceased to give any unsasiness.

Freights at Liverpool.—The warlike tidings per Cambria, have tendeed to check shipment in some degree, and a few houses having determined not to ship in American bottoms, has caused some little inquiry for British vessels.

There is not, however, a single American ship in the port, unfreighted. The amount of freight going forward is still limited. In the absence of much demand for passengers, ship business must be considered dull, notwithstanding the usual scarcity of tonnage.

The Paris papet La Press, of Monday, reached our office last night, which announces that orders had been sent by the Minister of Marine to Brest, and the other military harbors, to despatch a number of ships to the Gulf of Mexico to reinforce the squadron stationed there, in consequence of the war between the U. States and Mexico.

The Overland mail of May 1st reached London yesterday. It possesses no political, and little commercial interest. The seeds of another contest in the Sikh country were sown at the termination of the late war.

Portugal has been the scene of another attempt at revolution, consequent upon a change of the ministry. It appears that for the Portuguese it would have been a more than ordinary energetic affair.

Oregon Territory.—British Parliament.—Mr. Hume asked whether the government had been officially informed that the President of the United States had received directions from Congress to give notice to this country of their intention to terminate the joint occupancy of the Oregon territory, and whether that notice had been given.

Sir Robert Peel—I can have no objection to answer the question the honorable gentleman has put to me, by stating that the American President has given to their Majesty's Government the formal notice necessary for the termination of the existing convention at the termination of the year. And in doing so, the President has adopted the terms which were assented to by both Houses of the Legislature of the United States. That the notice was given with the view of leading to an amicable adjustment of the differences between the two countries on that subject. (Hear, hear.)

England has offered her mediation between the United States and Mexico. Mr. Packenham has received instructions to that effect from the British Government by the Caledonia.

St. Petersburgh, May 22d.—I regret to say that the Cholera appears to be advancing with rapid strides towards this city, from whence, no doubt, it will, in time, find its way to Western Europe.

Foreign Periodicals.

REPUBLICATION OF *The London Quarterly Review, the Edinburgh Review, the Foreign Quarterly Review, the Westminster Review, and Blackwood's Edinburgh Magazine*—The above Periodicals are reprinted in New York, immediately on their arrival by the British steamers, in a beautiful clear type, on fine white paper, and are faithful copies of the originals—Blackwood's Magazine being an exact fac-simile of the Edinburgh edition.

The wide-spread fame of these splendid Periodicals renders it needless to say much in their praise. As literary organs, they stand far in advance of any works of a similar stamp now published, while the political complexion of each is marked by a dignity, candor and forbearance not often found in works of a party character.

They embrace the views of the three great parties in England—Whig, Tory, and Radical.—"Blackwood" and the "London Quarterly" are Tory; the "Edinburgh Review," Whig; and the "Westminster," Radical. The "Foreign Quarterly" is purely literary, being devoted principally to criticisms on foreign Continental Works.

The prices of the REPRINTS are less than one-third of those of foreign copies, and while they are equally well got up, they afford all that advantage to the *American* over the *English* reader.

TERMS.

PAYMENT TO BE MADE IN ADVANCE.

For any one of the four Reviews,	$3,00	per annum
For any two, do.	5,00	"

☞Remittances and communications must be made in all cases without expense to the publishers.—The former may always be done through a Postmaster by handing him the amount to be remitted, taking his receipt and forwarding the receipt by mail, Post-paid; or the money may be enclosed in a letter, *Post-paid*, directed to the publishers.

N. B.—The *Postage* on all these Periodicals is reduced by the late Post Office law, to about *one third the former rates*, making a very important saving in the expense to mail subscribers.

Raymond and Waring's GRAND ZOOLOGICAL EXHIBITION.

THIS MAMMOTH MANAGERIE of all that is beautiful and wild in animated nature, is more extensive than any ever collected in America, it requiring the aid of SIXTY MEN AND NINETY HORSES in their care and transportation.

Will be exhibited at Pittsburgh on WEDNESDAY, THURSDAY, FRIDAY and SATURDAY, JULY 1st, 2d, 3d and 4th, for 4 days only, under their enormous Pavillion, to be exhibited in the Mansion House Yard, Liberty street. The different Exhibitions will take place as follows:

☞*Wednesday* July 1st, from 1 to 4 and 7 to 10 P. M.; *Thursday* and *Friday*, July 2d and 3d, from 9 to 12, A. M., 1 to 4 and 7 to 10 P. M.; *Saturday*, July 4th, there will be FOUR Exhibitions—at 9, A. M., 1, 3 and 7 P. M.

The Wild Tennets of the forest, from the huge and docile elephant, the majestic Lion of unexplored Africa, the fierce tiger of the Bengal jungles the beautiful leopard, the playful but ferocious bear, the gentle gazelle, the useful and patient camel, the curiously striped zebra, the grave robbing hyena, the stealthy panther, the savage wolf, the cunning fox, down through all the lesser grades, are here beheld with safety, true to their nature at times, but perfectly subject to the control of man the lord of creation.

Fowls of the air and Reptiles, the most beautiful, rare, various and dangerous of their species are also comprised in this valuable combination; description is powerless, and space too limited to admit it. Suffice it to say, that the proprietors are of the oldest standing and highest celebrity, and have devoted time, toil and unbounded expenses to the recent collection, which is pronounced in Europe and America, perfectly unparalelled.

RAYMOND & WARING would state that at tremendous expense they have retained the services of the celebrated, brave and powerful

HEER DRIESBACH,

who is a native of Germany, and stands at the head of all tamers of wild beasts. He has been styled by critics the lion tamer! as he has exposed his life before this in taming the largest and most terrible lion ever caught. This lion is at present in the possession of Raymond & Waring, and has repeatedly saved the life of the intrepid Driesbach when exercising tigers, leopards and other beasts in the performing cage.

Driesbach is the wonder of the world as a controller of beasts; his pet tiger's feats, together with those of the lions and leopards have been beheld by millions. Driesbach actually drives lions harnessed in his car, thus showing the supreme divinity of man above the nature of the brutes.

The moral and useful purposes which an exhibition like this can serve, are perceived by all, and acknowledged by all moralists and thinking minds. This exhibition serves to entertain and instruct every one in the wondrous works of the Supreme Being, and is particularly impressive on the minds of youth. The whole menagerie is entirely unexceptionable.

RAYMOND & WARING'S splendid and formidable Zoological Caravan will enter town on Wednesday morning, July 1st., from Wilkinsburgh, and will make a Grand Procession through Penn st. to Water, up Water to Wood, up Wood to Liberty, and up Liberty to the place of exhibition, preceded by the best band in the country drawn by TWO TREMENDOUS ELEPHANTS IN HARNESS.

Admission 25 cents. Children under 10 years of age half price.

CLICKENER'S SUGAR COATED VEGETABLE PILLS are the first and only Medicine ever known that will *positively cure*

Headache, Giddiness, Rheumatism, Piles, Dropsy, Scurvy, Small Pox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints,
Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints,

And all other diseases originating from impurities of the blood.

☞They have cured, since their introduction, over 2,000 persons, who have been given up as hopeless cases, by the most eminent Physicians.

☞They are patronized and recommended by men of the highest distinction, among whom are—Hon. David R. Porter, Hon. Henry Clay, Hon. John Q. Adams, Hon. Daniel Webster, Hon. Martin Van Buren, Hon. J. C. Calhoun, Gen. Winfield Scott, Col. R. M. Johnson, Hon. James K. Polk, Gen. Lewis Cass.

☞Their virtues are so infallible that the money will be returned in all cases they do not give universal satisfaction. Although but two and a half years have elapsed since these celebrated Pills were first introduced to the public, the sale of them in the Eastern and middle States has far exceeded Dr. Clickener's most sanguine expectations. During the past year, alone, no less than 10,000 gross of boxes have been sold in the State of New York, 6,000 in Pennsylvania, 4,000 in Maryland, 8,000 in New Jersey, 2,000 in Delaware, and 9,000 in the New England States, requiring the constant employment of 37 hands, exclusive of printers and engravers. In the same period, upwards of 200,000 copies of the "Family Doctor" have been ordered by agents in every section of the country. These facts must show, conclusively, that Dr. Clickener's Sugar Coated Pills, besides being the very best medicine in the world, are held in the highest estimation by the public.

We might extend this publication to an indefinite length, if we deemed it expedient to publish all tersimonials we have received, not only from agents but individuals and families, who have experienced the benficial effects of Clickener's Sugar Coated Pills, but we deem it unnecessary. The most incontestible evidence of their unprecedented success, are the numberless Imitations and Counterfeits which have already appeared, notwithstanding the brief period they have been before the public. Even some of our staunchest pill makers have had the audacity to imitate the Capsule of Sugar, in order to disguise the ingredients of their vile compounds, and palm them off for the "real simon pure." Such paltry shifts cannot last long without exposing their hideous deformity. Truth and honesty must inevitably prevail over rascality and deception.

For sale in Pittsburgh by WM. JACKSON, *at his Patent Medicine Warehouse*, No. 89, Liberty street, head of Wood st., Pittsburgh. Price, 25c. per box.

Dr. Clickener's principal office is 81 Barclay street, New York.

☞Beware of an imitation article called Improved Sugar Coated Pills, purporting to be patented, as both the pills and the pretended patent are forgeries, got up by a miserable quack in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines.

☞Remember, Dr. C. V. Clickener is the original inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud. may 9

MR. STICKNEY begs leave most respectfully to announce to his old friends and the public of Pittsburgh and vicinity, that he has with the greatest pains collected a company, male and female, the complement in every department of which is so completely filled, that hitherto no additions or alterations have been suggested by the discerning public of New Orleans, the skill of some of whom in their respective vocations, have gained them a celebrity that places them at the "*acme*" among Gymnastic and the profession of Equitation.
