SARSAPARILLA VEGETABLE BLOOD PILLS.—The droprietor is obliged to manufacture them on a more extensive scale than heretofore, and by a great im- provement in his machinery, can make them much faster and with less labor, consequently less ex- pense, which enables him to sell 40 pills to the box instead of thirty as heretofore. As a Spring Purifier, these pills have no equal, and for purify' ing the blood, and purging and cleansing the stom- ach and bowels, they are the safest, best, and most efficacious in existence. If pills are necessa- iry at all, Dr. Leidy's Blood Pills will effect all that can be effected by any known pills in the world for all the virtues that can be combined in pills are contained in them, and their established repu- tation is the best proof of it. No other Pills are known to contain Sarsaparilla in them, and all other Pills called by names nearly similar, are manufactured only with a view to sell them or the reputation of the true and genuine DR L EI D Y'S SARSAPARILLA VEGETABLE BLOOD PILLS, the first and original introduced by such name. Be cautious, therefore; ask for and take no oth ers, and you will not be deceived in their effects whilst if you take of the spurious, or imitations you will not only be deceived by their effects whilst if you take of the spurious, or imitations using nestraint from occupation, or fear of expo- sure to all weather—containing neither mercury minerals, nor any ingredient whatever that is un ing, restraint from occupation, or fear of expo- sure to all weather—containing neither mercury minerals, nor any ingredient whatever that is un ing, restraint from occupation, or fear of expo- sure to all weather—containing neither mercury minerals, nor any ingredient whatever that is un if fieldly or dangerous to the constitution.
