The Courrier des Estats Unis, of New York, of with so much skill as apparently to make out a the 13th instant, in an editorial remarkable for strong case. Subsequent investigation, however,

the 13th instant, in an editorial remarkable for nothing but its abuse of the President for submit-ting the proposal of the British government to the Senate for their previous action, and the ignorance of the character of our institutions, declares, "it is not thus that Washington, Jefferson, and above all that Andrew Jackson, of whom Mr. Polk as-pired to be the grandson [political, we suppose, is meant] would have acted. Decidedly, the Young

pired to be the grandson [political, we suppose, is man called Doolittle, educated at Harvard Univer-meant] would have acted. Decidedly, the Young Hickory is not made of the same timber as the control of the same timber as the same timber a

consent of the Senate, to make treaties, provided as doorposts, and then he departed for more peacetwo-thirds of the senators present concur." ful latitudes." The New York news says the sto-It might originally have been urged with great force, that the advice and consent of the Senate ought to be obtained, in all cases, before any trea-ty could be made by the President. The practice of the government has however, settled the con-struction, that either, the one course or the other struction, that either the one course or the other you attempt to kick him, he will retaliate most may be pursued. Which should be adopted is al-ways a question of expediency, depending on cir-

wiys a question of expediency, depending on cir-curstances. But our chief intention, in this article, is merely to point out, for the information of the Courrier des Eta's Unis, one remarkable example from each of the three administrations of Washington, Jef-wheat and flour by fire. These letters state that the miefortune took place at Shiloco a village on West and Screet Alvab Conner be a commitb) the lines and finite and hour by fire. These letters state that iscreon, and Juczson, in which the Senate was con-sulted in advance in regard to treaties with foreign powers. We take these examples from the pub-lished journals of the Senate: "On the 7th of March, 1792, President Washing-ton asked the previous advice of the Senate on a "Di the 7th of March, 1792, President Washing-ton asked the previous advice of the Senate on a "Di the 7th of March, 1792, President Washing-ton asked the previous advice of the Senate on a "Di the 7th of March, 1792, President Washing-ton asked the previous advice of the Senate on a
