MRS. HOWARD, an excellent actor, takes a Benefit to-night. Mrs. H. is a great favorite with our people and we expect to see a full house. The pieces selected are very good. Ever lover of the Drama in our city should be present.

ABORTION AND DEATH.—An inquest was, on Tuesday afternoon, held by Coroner Hartz on the body of a woman named JANE MITCHELL. The jury decided that the deceased came to her death from the loss of blood following abortion, which was brought on by means taken to produce it.

ROBBERY.—A man calling himself Samuel Hartford was arrested and brought before the Mayor yesterday charged with stealing two pair of pantaloons from the store of J. M. White and two pair from the store of Mr. Orr. He was committed for trial.

☞ Those of our friends wanting a good horse for either saddle or harness should attend the sale this morning at 10 o'clock, at Mr. H. Jones' Stable, corner of Penn street and Cecils Alley. There will be 2 buggies, a few saddles and two setts of harness sold at the same time.

GENERAL PARADE.

The 6th Regiment of Volunteers will parade THIS EVENING at 7 o'clock, in citizens dress, at the usual ground on Penn street. All the companies are requested to turn out with a full complement of men.

☞The unparallelled success has given such an increased demand for *Dr. Duncan's Expectorant Remedy*, for the cure and prevention of Consumption and diseases of the Liver, that the proprietor has been compelled to open a Western Office; particularly for the accommodation of those afflicted living in the West, who heretofore have been compelled to visit the Philadelphia Office, or send at an expense and trouble. This notice is therefore to inform all afflicted with a disease of a Consumptive nature that his medicines and advice can always be obtained at this Western Office. It is therefore hoped that the many thousands who are troubled with a cough, pain in the breast and side, shortness of breath difficulty of raising up and throwing off the vicid phlegm and matter that settles in the air tubes and lungs, spitting of Blood and soreness of the throat, and other Symptoms that will soon lead to Consumption, will take timely advice and procure a few bottles of Dr. Duncan's Expectorant Remedy, which is certain to arrest the very first seed of disease, that takes root when neglected and destroys life.

☞ For sale at JACKSON'S, corner of Wood and Liberty streets.

The Prevailing Coughs and Colds.—The speediest, most popular, and only generally admitted positive cure for coughs, colds, influenza, difficulty of breathing, hoarseness, soreness of the chest, tickling in the throat, &c., is Clickener's Sugar-coated Vegetable Purgative Pills. They afford almost immediate relief, and the most eminent of the faculty recommend them exclusively in these diseases. To enhance their value, being coated with sugar, they have no tast whatever of medicine, so that a child can take them as easy as peppermint drops; and then again they produce not the slighest sensation of gripe or nausea. In short they are so much superior to any other known medicine that a single trial will make any person a patron of them for life; and so assured is the proprietor of this, and so confident in their never-failing virtues, that he will immediately return the money paid for them in all cases where they do not give the most unlimited satisfaction.

Sold by Wm. Jackson, corner of Wood and Liberty streets, who is general Agent for Dr. Clickener's Pills in Pittsburgh and vicinity.

☞ Beware of an imitation article called "*Improved Sugar-Coated Pills*," purporting to be patented, as both the pills and pretended patent are forgeries, got up by a miserable quack in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines.

Mankind! at least that part of you
With scalp quite bald and bare,
You can have splendid—indeed, 'tis true!—
Most glorious silky hair.
If you have dandruff on the scalp;
If the hair turns white or gray,
To cure the scurf, and make it dark
You've but three Bits to pay.
If your head is bald, the hair weak or falling,
And you would have it live,
Why, try at once a bottle of Jone's
Hair Restorative.

☞Three shillings only for a trial bottle. Warrant it to possess the following qualities. It will force the hair to grow on any part where Nature intended hair to grow, stop it falling off, cure scurf or dandruf, and make light, red or grey hair grow dark. For dressing the hair soft and silky nothing exceeds this. It is indeed the most economical, yet superior article made for the hair. It is cheaper than the trash called hair oils, and it will keep the hair in order with one application, twice as long any other article.

Sold at JACKSON'S Patent Medicine Warehouse, 89 Liberty street, Pittsburgh head of Wood.

A Miracle—to cure Eruptions and beautify discolored Skin.—A valuable discovery in Chemistry has been made lately by M. Vesprini, an Italian Chemist, for curing all eruptions, and for changing the color of dark, yellow or discolored skin to a fine juvenile and youthful clearness. He has made this in the convenient form of a beautiful piece of Soap. For any old cases of eruption, such as scurvy, salt-rheum, erysipelas, &c. it cures wonderfully; also, freckles, tan, sunburn, morphew pimples, blotches, &c.

See that lady, what a fright;
Jones's splendid Lily White
Would give her skin a natural hue.
But you note, in spite of talk,
She will use the common chalk;
Thus you see her face is blue.

If that same lady, and many others, had used JONES'S Lily White, her face and cheeks would have had (a natural,) life-like, alabaster white.

Sold at JACKSON'S Patent Medicine Warehouse, 89 Liberty street, head of Wood.

BOWEL OR SUMMER COMPLAINT.—We confidently recommend and could refer to hundreds of our citizens who have used
JAYNE'S CARMINATIVE BALSAM;
as a certain, safe and effectual remedy for Dysentry, Diarhea, or Looseness, Cholera Morbus, SUMMER COMPLAINT, Colic, Griping Pains, Sour Stomach, Sick and Nervous Headache, Heartburn, &c.

This is one of the most efficient, pleasant, and safe compositions ever offered to the public for the cure of the various derangements of the STOMACH and BOWELS, and the *only* article worthy of the least confidence for curing *CHOLERA INFANTUM* or *SUMMER COMPLAINT*; and in all the above diseases it really acts like a charm.

CERTIFICATE
From the Rev. Asa Shinn, of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease in the stomach, sometimes producing severe pain in the stomach for ten or twelve hours without intermission, and having tried various remedies with little effect, was furnished with a bottle of Dr. JAYNE'S CARMINITIVE BALSAM. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four miuutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening, and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can *confidently recommend* Dr. D. Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A. SHINN.

SELLER'S celebrated liver pill's for the cure of the Liver Complaint.

The proprietor of the above medicine aware of the many instances in which the afflicted have been imposed upon by quack remedies, proclaimed to be remedies for every disease, yet hopes that the Liver Pill will not be placed in that class until they are fairly tested.

It is expressly stated, that persons who use these pills, and find after following the given directions that they have not been benefitted, shall have their money returned.

This is done that the public may see it is not the purpose of the proprietor to speculate on their credulity, but to give at least an equivalent for their money.

In addition to the qualities mentioned, they are highly recommended as Antibilious and Purgative pills. je19

BY LAST NIGHT'S MAIL.

From the Baltimore Sun.

From the Army of Occupation.

ARRIVAL OF THE STEAMER NEW YORK.

The New York arrived at New Orleans on the 14th instant, bringing advices from Brazos St. Iago to the 9th instant, at half past 10, A. M. The N. O. Times have Galveston papers to the 11th inst. News was anxiously expected from Col. Wilson's expedition to Reinosa, as it is stated that Canales and all his force, consisting of from twelve to eighteen hundred cavalry, are concentrating there, and will no doubt show fight. Col. Wilson's command amount to about eight hundred. He has with him Desha's Mobile Volunteers, and Price's Texan Rangers.

The news of Gen. Taylor's promotion to the grade of Brevet Major General, has diffused joy through all ranks in the army and in the States of Texas.

The delegation from the Louisiana Legislature was to leave Point Isabel on the 7th inst., on their way to Matamoras, to present the thanks of that body to old "Rough and Ready?"

There was a little sickness amongst our volunteers, diarrhœa, arising from the change of food, and condition of life. They will soon get inured.

Important Rumor from the Army.—A letter, says the New Orleans Tropic, of the 14th inst., has been received in town, which states that Gen. Arista has sent proposals to Gen. Taylor for an armistice; and that he had established his headquarters at Monterey with 15,000 men. Gen. Taylor is said to have sent back an answer that "he would meet Gen. Arista at Monterey." We have no doubt of the truth of this.

News from the Interior of Mexico.—A gentleman largely concerned in business in Matamoras and San Louis Potosi, arrived at Matamoras on the 5th inst., direct from the latter named place. He represents the news of the defeat of the Mexicans has spread a wonderful alarm in "the interior," wherever it is announced. It is also stated that the people resolutely refused to take arms against the Mexicans. This news is confirmed by the arrival of another traveller from Tampico, who stated that he met a "government express" looking after the Mexican army, with orders for it to retire to Tampico.

Texan Cavalry.—We were informed at Galveston, that Texas would send *fifteen hundred* mounted men to Matamoras. Three weeks ago, a gentleman traveling in Fayette and Washington counties, in a journey of fifty miles, met over five hundred men. This fifteen hundred does not include seven companies now on the frontiers. Texas has now over twenty-four hundred men in the field.—Some of the mounted gunmen from Eastern Texas have had to march over seven hundred miles to reach the place of destination.—*Tropic.*

Jonquilla Wishing to Learn.— Gen. Ampudia expressed himself anxious to learn one thing of the Americans, and said if he could do it he thought he could make his soldiers fight better. The American officer to whom he spoke, delighted with his enquiring mind, asked him what he so much wished to learn. He replied with great simplicity "learn to swear those big words the Americans talk at their soldiers."

Captain May's Sword.—Capt. May received his sword, and immediately replied to the letter sent with it. He expressed the greatest pleasure at the compliment paid him by his fellow citizens of the District of Columbia. We are surprised to learn that his letter has not been received in this city.

40 DR. LEIDY'S 25
SARSAPARILLA VEGETABLE BLOOD PILLS.—The proprietor is obliged to manufacture them on a more extensive scale than heretofore, and by a great improvement in his machinery, can make them much faster and with less labor, consequently less expense, which enables him to sell 40 pills to the box instead of thirty as heretofore. As a Spring Purifier, these pills have no equal, and for *purifying the blood*, and purging and cleansing the stomach and bowels, they are the safest, and most efficacious in existence. If pills are necessary at all, Dr. Leidy's Blood Pills will effect all that can be effected by any known pills in the world, for all the virtues that can be combined in pills are contained in them, and their established reputation is the best proof of it. No other Pills are known to contain Sarsaparilla in them, and all other Pills called by names nearly similar, are manufactured only with a view to sell them on the reputation of the true and genuine DR. LEIDY'S SARSAPARILLA VEGETABLE BLOOD PILLS, the first and original introduced by such name.

Be cautious, therefore; ask for and take no others, and you will not be deceived in their effects; whilst if you take of the spurious, or imitations, you will not only be deceived by their effects, which are oftimes serious and dangerous, but deceived out of your money also.

Male and female, young and old, can take them at all times, in all diseases, without change of living, restraint from occupation, or fear of exposure to all weather—containing neither mercury, minerals, nor any ingredient whatever that is unfriendly or dangerous to the constitution. *Try them, try them;* if their effects do not confirm the foregoing, their cost will be refunded by Dr. Leidy upon satisfactory evidence of it.

Raymond and Waring's
GRAND ZOOLOGICAL EXHIBITION.

THIS MAMMOTH MANAGERIE of all that is beautiful and wild in animated nature, is more extensive than any ever collected in America, it requiring the aid of SIXTY MEN AND NINETY HORSES in their care and transportation.

Will be exhibited at Pittsburgh on WEDNESDAY, THURSDAY, FRIDAY and SATURDAY, JULY 1st, 2d, 3d and 4th, for 4 days only, under their Enormous Pavillion, to be exhibited in the Mansion House Yard, Liberty street. The different Exhibitions will take place as follows:

Wednesday July 1st, from 1 to 4 and 7 to 10 P. M.; *Thursday* and *Friday*, July 2d and 3d, from 9 to 12, A. M., 1 to 4 and 7 to 10 P. M.; *Saturday*, July 4th, there will be FOUR Exhibitions—at 9, A. M., 1, 3 and 7 P. M.

The Wild Tennets of the forest, from the huge and docile elephant, the majestic Lion of unexplored Africa, the fierce tiger of the Bengalgungles the beautiful leopard, the playful but ferocious bear, the gentle gazelle, the useful and patient camel, the curiously striped zebra, the grave robbing hyena, the stealthy panther, the savage wolf, the cunning fox, down through all the lesser grades, are here beheld with safety, true to their nature at times, but perfectly subject to the control of man the lord of creation.

Fowls of the air and ferntiles, the most beautiful rare, various and dangerous of their species are also comprised in this valuable combination; description is powerless, and space too limited to admit it. Suffice it to say, that the proprietors are of the oldest standing and highest celebrity, and have devoted years of toil and expense to the recent collection, which is pronounced in Europe and America, perfectly unparallelled.

RAYMOND & WARING would state that at tremendous expense they have retained the services of the celebrated, brave and powerful

HERR DRIESBACH,

who is a native of Germany, and stands at the head of all tamers of wild beasts. He has been styled by the fancies the lion tamer! as he has exposed his life before this in taming the largest and most terrible lion ever caught. This lion is at present in the possession of Raymond & Waring, and has repeatedly saved the life of the intrepid Driesbach when exercising tigers, leopards and other beasts in the performing cage.

Driesbach is the wonder of the world as a controller of beasts; his pet tiger's feats, together with those of the lions and leopards have been beheld by millions. Driesbach actually drives lions harnessed in his car, thus showing the supreme divinity of man above the nature of the brutes.

The moral and useful purposes which an exhibition like this can serve, are perceived by all, and acknowledged by all moralists and thinking minds. This exhibition serves to entertain and instruct every one of the wondrous works of the Supreme Being, and is particularly impressive on the minds of youth. The whole menagerie is entirely unexceptionable.

RAYMOND & WARING'S splendid and formidable Zoological Caravan will enter town on Wednesday morning, July 1st., from Wilkinsburgh, and will make a Grand Procession through Penn st. to Water, up Water to Wood, up Wood to Liberty, and up Liberty to the place of exhibition preceded by the best band in the country drawn by TWO TREMENDOUS ELEPHANTS IN HARNESS.

ADMISSION 25 cents. Children under 10 years of age half price.

The Great Equestrian Cavalcade will be preceded by the celebrated BRASS BAND, 13 musicians, in an elegant and costly Chariot, drawn by *Ten Beautiful Cream Colored Horses!*

The truly imposing entrance of this noble and magnificent processional Cavalcade, must at once strike every beholder with the highest admiration.—The surpassing beauty of the thorough bred horses, the gorgeously appointed car, and the admirably decorated wagons, the designs and gilding of which are by the most distinguished artists, compels a comparison that at once places this establishment at the head and front of every public Circus. A large fortune has been expended in the accessories and Equipments proper to the scenes and acts presented, by the superior artists picked and chosen from a hundred stars, in order to render this the first, best, and most superior Equestrian Establishment, in this or any other country in the World. Pittsburgh Navigation and Fire Insurance Company.

OFFICE. NO. 21 MARKET STREET.

THE citizens of Pittsburgh continue to be offered an opportunity to effect insurance upon their property, by a Domestic institution located among themselves, based upon domestic capital, and conducted by directors, in whose prudence, integrity and good faith they can readily ascertain whether they may repose that undoubted security which should ever attend an assurance transaction.

To persons whose property has already been damaged or destroyed by fire or water, the advantage of personally adjusting the loss with an institution AT HOME, will be strikingly evident. To those who suffered by the Great Fire, this particular corporation needs no recommendation. The prompt payment of the whole amount of its losses—NEARLY TWO HUNDRED THOUSAND DOLLARS—is to them a sufficient guarantee of future security.

It is the part of all prudent men, however fortunate, to anticipate calamity for the purpose of avoiding its effects. To such as have hitherto escaped, as well as to those who have sustained loss, the facility of protection and indemnity, offered by this institution, will be the strongest inducement to avoid the reflections and regrets which must be experienced by those who suffer without hope of restitution.
