NEGRO SUPPRAGE IN CONNECTICUT.—The Connecticut house of representatives, by a vote of 111 to 63, have voted to submit to the people the question of so amending the constitution as to abolish all distinction of color in respect to privilege g voting. Scarcely any of the members expressed themselves favorable to the proposed amendment but a majority were willing to submit the question to the people. A full report of the proceedings of the Demo-

cratic Convention will be found in the Post of this The St. Louis Reporter of the 17th inst. is dres morning. BENJ. PATTON.

This county, and all others who have volunteered in defence of the American Flag, should be remembered with esteem and affection by every Vie de Washington: true lover of his country.

Resolved, That the members of this Convention protest against the system of mechanical labor as carried on in our Penitentiaries, which is destructive to the best interests of a large proportion of our honest and industrious citizens The above resolutions on motion were una

monsly adopted. Resolved. That our title to the whole of Oregon

Donnelly, which was read and ordered to be publis clear and indisputable and should be defended at every risk so long as the American Flag can protect the American people. Our fathers denied tribute to England. Their sons will not give to

tion be published in the Daily Morning Post, and

There is some excitement and uneasiness in the English prints about our war with Mexico. It is even said in Willmer and Smith's Times that "in the monetary circles of the city, it is whispered that the American has claimed the interventio the British government to settle the dispute with Mexico. The fact may be so; but we cannot credit it. It bears improbability on its front." So says the European Times, and it says truly. It is onishing how any man of sense should propagate or believe such an absurdity. We can take After discussion, the resolution was adopted and care of ourselves in our relation with Mexico, England or from any other power. The London Morning Herald gives rather a different version of the matter, and says the British ministers have dehas certainly been made to culist them in the cause. for we have before us a letter from Mr. Powels, the chairman of the committee of the South A. Lord Aberdeen on the 2d June depreciating our causes of complaint against Mexico, stating that "there is no cause of rupture between the two par-ties, but such as a friendly and respectful interposition of good offices might remove, and praying his lordship to interpose between us. pretending to go into the argument at this time,
