Commissioner for 1 year, WM. BRYANT, of Pittsburgh. Auditor for 3 years, WILLIAM EWING, of Robinson Auditor for 1 year, N. PATTERSON, of Birmingham Coroner,

OFFICIAL CORRESPONDENCE.

From the North American. [CONFIDENTIAL.] Message from the President of the United States, com

To the Senate of the United States:

General Washington repeatedly consulted said Convention shall be entirely annulled and of the co-ordinate branch of the treaty power. the Senate, and asked their previous advice to which abrogated. though rarely resorted to in latter times, was, in my judgement, eminently wise, and may, on occasions of great importance, be properly revived.—
The Senate are a branch of the treaty-making pow-

to the said territory. to give to the Government of Great Britain the such; though I have reason to know Mr. Paken be offered before the coming in of a new Minister

pose resolutions for the consideration of the meet, ing.

Dr. Gazzam, Chairmen of the committee reported a number of resolutions protesting in strong against the passage of the House Tariff Bill, which after being so amended as to exclude all reference to the Tariff act of 1842, were adopted in section of the committee of this proposition, or advise it effectual. I may add that although it is altogether sonable, I concess that from an early period, I also committee reported and effectual. I may add that although it is altogether sonable, I concess that from an early period, I also committee reported to make the boundary laid down in existing with such modifications as they may upon full probable that the presentation of the committee reported to the Contest that from an early period, I also committee reported to the committee reported to receive fine addition, and although I am quite aware that the United States, terminates the line of boundary laid down in existing with such modifications as they may upon full probable that the presentation of the Contest that the presentation of the committee reported to receive fine addition; and although I am quite aware that the United States, terminates the line of boundary and deliberation deem proper, I shall content in year to reconcile Lord Aberdeen to such a limit the United States, terminates the line of boundary and deliberation deem proper, I shall content in year to reconcile Lord Aberdeen to such a limit the United States, terminates the line of boundary and deliberation deem proper, I shall content in year the United States, terminates the United States shall be continued west-time between Great Planck II and the United States shall be continued west-time to receive (in addition), and there were dependent upon to the United States shall be continued west-

The companies of the control of the

ed by a poison fig.

Wilson M Candless.—We are gratified that this of August, eighteen hundred and twenty-seven, in the mode prescribed in its second article, and that the Senate would accept the proposition now uncompromising democrat is now at Washington, laboring unceasingly to defeat the "House, Tariff" the attention of the Governments of both countries the attention of the Governments of both countries the attention of the said convention of the said

THE OREGON TREATY of all proper measures for a speedy and amicable If there be any reasonable ground to entertain such am not prepared to say that one more objectionable adjustment of the difficulties and disputes in regard an impression, however erroneous, an offer less ob might have been appointed from a Whig ministry o the said territory.

'Resolved by the Senate and House of Representative the qualifications in the first instance at least, could hard supposed to be prepared to accept the qualifications. "Resolved by the Senate and House of Representatives of the United States of America in Congress
It may be considered certain, also, in my opinassembled, That the President of the United States ion, that the offer now to be made is not to be and he is hereby authorised, at his discretion, submitted as an ultimatum, and is not intended as most intended as my opinative to the Government of Great Britain the way. A third, and he was the work of the United States ion, that the offer now to be made is not to be willing at first to offer. Upon that supposition, it might be desirable that the modifications should be and corrected every Afternoon.

to give to the Government of Great Britain the such; though I have reason to know Mr. Paken notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the second article of the said notice required by the such state in the such; though I have reason to know Mr. Paken by extend to such its middle to reject any who, finding only the acts of his predecessors, but that he will, in such case, be instructed to reject any who, finding only the acts of his predecessors, but that he will, in such case, be instructed to reject any who, finding only the acts of his predecessors, but that he will, in such case, be instructed to reject any who, finding only the acts of his predecessors, but that he will, in such case, be instructed to reject any who, finding only the acts of his predecessors, but that he will, in such case, be instructed to reject any who, finding only the acts of his predecessors, but who, finding only the acts of his predecessors, but who, finding only the acts of his predecessors, but who, finding only the acts of his predecessors, but who, finding only the acts of his predecessors, but who, finding only the acts of his predecessors, but who, finding only the acts of his predecessors, but who, finding only the I lay before the Senate a proposal in the form of the United States, in the exercise of the authority, annual message, and the public discussion that In accordance with the resolution of the Senate a Convention, presented to the Secretary of State on and discretion vested in me by the said "Joint has subsequently taken place in the Senate, it will the 6th inst., by the Envoy Extraordinary and Min. Resolution concerning the Oregon territory," and be difficult, if not impossible, to conduct the nego-tiation in its future stages, without reference to define the British Government, accompanying adjustment of the Oregon question, together with the resolution of the Vinted States be and is hereby advised to accept the project of the Oregon question, together with the resolution of the Vinted States be and is hereby advised to accept the project of the Oregon question, together with the resolution of the Vinted States be and is hereby advised to accept the project of the Oregon question, together with the resolution of the Oregon territory," and the public discussion that the President of the United States be and is hereby advised to accept the project of the Oregon question, together with the resolution of the States have the resolution of the Public discussion that the President of the United States be and is hereby advised to accept the project of the United States and is hereby advised to accept the project of the Oregon question, together with the President of the United States be and is hereby advised to accept the project of the Oregon question, together with the President of the United States and the public discretion vertically and the public discretion vertically and the public discretion vertically and the President of the United States and the Public discretion vertically and the President of the United States and the Public discretion vertically and the Public discretion v a protocol of this proceeding. I submit this prohereby, in behalf of the United States, give notice
posal to the consideration of the Senate, and request their advice as to the action which, in their of Great Britain and Ireland, that at the end of dent and regular in the ordinary course of things, I Rocky or Stony Mountains," a Convention was judgment, it may be proper to take in reference to twelve months from and after the delivery of these think it is of the utmost importance, upon the presents, by the Envoy Extraordinary and Ministre Plenipotentiary of the United States at London, it is present occasion, if the President should think the the president should the president should think the president should think the president should think the president should think the president should

It is not easy to conjecture, with any certainty, for their consideration, with a view to its ratifice he always conformed his action. This practice. In testimony whereof, I have caused the scal of the extent to which this Government might be inthe United States to be hercunto affixed.—duced to modify the proposition, even if they Given under my hand at Washington, this should be assured that the Senate, no less than the twenty-eighth day of April, A. D. eighteen President demanded it. It must not escape obser-

Post"—No 1 (July 22, 1845) to No. 14, 412, respectful to the Senate, but necessary and proper. If the delivery if the notice entirely at my own districtions having any of the above numbers, will much oblige us by leaving them at our office, as I understand it, they would not possess. In point of fact, therefore, the substantial points of the present offer, and those which according to Lord Aber, which according to Lord Aber, promise of the rights mutually asserted by the two old not parties over said teritory, have respectively named the United States, which according to Lord Aber, promise of the rights mutually asserted by the two old not parties over said teritory, have respectively named the United States of America, has on his just received and for sale, by just received and for sale, by just received and for sale by just received

notice for the abrogation of the Convention of 1827 earliest practicable moment. As, however, I tial points of the present offer, and those which the Senate acted publicly so large a part, that the could only ascertain her Majesty's wishes, which adecision on the proposal now made by the British I am directed to consult, through the principal offerment, without a definite knowledge of the Secretary of State for Foreign Affairs, sufficient various offers and suggestions which at different times have in some form or other, proceded from Majesty the Queen of the United States, and her reader times have in some form or other, proceded from Majesty the Queen of the United Kingdom of Majesty the Queen of the U Majesty the Queen of the United Kingdom of Great Printing Ink
