Sheriff's Office, Pittsburgh, July 21st. 1846. NOTHER PROOF of the efficacy of Dr. Clickner's Sugar Coated Pills in removing worms jy8
om children. Read and be convinced.
This is to certify that my child Eliza, between five and six years of age, having been for a long time past drooping, and getting much worse of late, neither myself nor my wife being aware what was the mat-ter with her, I thought perhapsone of Dr. Clickner's pills might do her good—I gave her one at bed time, which acted on the bowels and expelled a Tape worm four feet long, and a great number of worms, (over one hundred) about one inch long apparently of the same species. I have always been much opposed to advertised addictions, but through the advice of a friend who ided them to me. I was induced

to try them, and it was through the great benefit I derived from their use in my complaint, that I felt disposed to give a dose to my daughter, although I knew not then what was the matter with her; and I verily believe that had not the worms been disch ged, she would not have survived to the present time.

She commenced rapidly to improve and is now quite
