THE citizens of Pittsburgh continue to be offered an opportunity to effect insurance upon their property, by a Domestic institution located among themselves, based upon domestic capital, and conducted by directors, in whose prudence, integrity and good faith they can roadily ascertain whether they may repose that undoubted security which should ever attend an assurance transaction.

To persons whose property has already been damaged or destroyed by fire or wafer, the advantage of personally adjusting the loss with an institution Art none, will be strikingly evident. To those who sufferenced by the Great Fire, this particular corporation needs no recommendation. The prompt payment of the whole amount of its lossess—mearly two hundred ing its effects. To such as have hitherto escaped, as well as to shose who suffer without hope of restitution, will be the strongest inducement to avoid the reflections and regrets which must be experienced by those who suffer without hope of restitution.

Although but two and a half years have elapsed since these celebrated Pills were first introduced to the public, the sale of them in the Eastern and middle States has far exceeded Dr. Clickener's most sanguine expectations. During the past year, alone, no less than 10,000 gross of boxes have been sold in the State of New York, 6,000 in Pennsylvania, 4,000 in Maryland, 3,000 in New Jersey, 2,000 in Delaware, and 9,000 in the New England States, requiring the constant employment of 27 hands, exclusive of printers and engravers. In the same period, upwards of 200,000 copies of the "Family Doctor" have been ordered by agents in overy section of the country. These facts must show, conclusively, that Dr. Clickener's Sugar Coated Pills, besides being the very best medicine in the world, are held in the highest estimation by the public. ed Pills, besides being the very best medicine in the world, are held in the highest estimation by the public. Pills, but we deem it unnecessary. The most in-Pills, but we deem it unnecessary. The most incontestible evidence of their unprecedented success, are the numberless limitations and Counterfeits which have already appeared, notwithstanding the brief period they have been before the public. Even some of our staunchest pill makers have had the audacity to imitate the Capsule of Sugar, in order to disgniss the infectients of their vile compounds, and palm thom off for the "real simon pure." Such paltry shifts cannot last long without exposing their hideous deformity. Truth and honesty must inevitably prevail over rascality and deception.

Then buy of friend Keevil the hatter.

We invite those who wish to buy on the above principle to call at 152 Wood st—don't forget the number—next door to McCully's flour warehouse.

JUST received a fresh supply of those intrinsic merit they can speak for themselves, but to the afflicted who have never used them we recommend a trial, for they have been the means (under the blessing of God,) of imparting health and deformity. Truth and honesty must movimally prevail over rascality and deception.
