RIVER INTELLIGENCE.

The Cincinnati Enquirer of the 6th says:—The river has fallen 8 inches since yesterday morning and is still declining.

The St. Louis Republican of the 1st inst. says: "From the officers of the steamer *Alvarado*, we learn that the *Illinois* had risen about two feet at Peru, but falling when she left. It was rising below, however and they report thirty inches of water on the bars. Heavy rains had fallen above.

The steamer Die Vernon reports the Mississippi to be still falling at the Rapids. The last boat over found 20 inches water.

The steamer Star Spangled Banner came up yesterday, drawing six feet water, which is nearly all there is on the principal bars.

The last boat from the Missouri reported it falling, with 4 feet water in the channel."

ANOTHER PROOF of the efficacy of Dr. Clickener's Sugar Coated Pills in removing worms from children. Read and be convinced.

This is to certify that my child Eliza, between five and six years of age, having been for a long time past drooping, and getting much worse of late, neither myself nor my wife being aware what was the matter with her, I thought perhaps one of Dr. Clickener's pills might do her good—I gave her one at bed time, which acted on the bowels and expelled a Tape worm four feet long, and a great number of worms, (over one hundred) about one inch long apparently of the same species.

I have always been much opposed to advertised medicines, but through the advice of a friend who strenuously recommended them to me, I was induced to try them, and it was through the great benefit I derived from their use in my complaint, that I felt disposed to give a dose to my daughter, although I knew not then what was the matter with her; and I verily believe that had not the worms been discharged, she would not have survived to the present time. She commenced rapidly to improve and is now quite hearty and well.

WILLIAM COOPER.

Croghanville, near Pittsburgh, July 16, 1846.

CITY OF PITTSBURGH:—Before me Robert Morrow, an Alderman in and for said city, personally came *William Cooper*, who being duly affirmed, saith that the facts set forth in the foregoing statement are true and just.

SUDDEN CHANGES.

The Mother of Consumption.

THIS fact is clearly demonstrated wherever we have a sudden change in the weather. It is at this time that the seed of Consumption is sown in the system nurtured until the Lungs become seriously and dangerously diseased, when in all probability the patient, for the first time, will begin to seek relief. How many thousands thus neglect themselves and suffer their Health; and finally their Life to be destroyed. The first preceptible foot-prints of CONSUMPTION, experienced at sudden changes of the weather, are Hoarseness and Cough, Soreness of the Throat, and Irritation of the Bronchii. Pain in the Head, Coldness of the feet; and Sudden Chilliness over the Body. At length the cough increases, and finally prostration and languidness of the whole system follows, which indicate a sudden decline of Health, and the speedy approach of *Consumption*. These facts, plain as they appear to every sensible personde not, however, seem to alarm those afflicted, until it may be to late. It is therefore of the greatest importance for those who may be attacked from the effects of sudden changes in our atmosphere to at on e procure DR. DUNCAN'S *Celebrated Expectorant Remedy*, the greatest preventive and *Life guard of CONSUMPTION*, and the only certain medicine that will remove disease and again restore the LUNGS to their former Health.

Dr, Duncan's Great Western Office is opened in Cincinnati at 150 Sycamore street, a few doors below 5th, where his Medicines can be obtained in large and small quantities.

TO RENDER THE HUMAN HAIR SILKY, SOFT, FINE AND CLEAN; to make the scalp healthy, smooth, white and fruitful, so that a good crop may spring therefrom, persons have but to expend thirty seven and a half cents. And, reader, our only object for selling the article at that price, is knowing it to be all we state, that when you once try this you never will use aught else, whether it be merely to embelish, to dress, beautify, and preserve, to force growth, stop falling off, and cure scrufs or dandruffe, the JONES' CORAL HAIR RESTORATIVE will never fail to do all this, as hundreds will tell you with gratitude. It dresses the hair beautifully, and *makes red or grey hair grow dark from the roots.*

THE poisonous effect on the skin of common prepared chalk is not generally known by ladies; how yellow rough and unhealthy it makes the skin in time; besides. what a corpse like, palid look it gives when applied. They should use a beautiful preparation, purely vegetable, which gives the face arms or neck, a natural life-like whiteness, and makes it smooth. It is called Jones' Spanish Lilly White, and is sold at JACKSON'S Patent Medicine Warehouse, 89 Liberty street, head of Wood; at the same place is sold Jones' Coral Hair Restorative, Italian Chemical Soap and unrivalled shaving soap.

Orphan's Court Sale.

ALLEGHENY COUNTY, ss.

At an Orphan's Court, held at Pittsburgh, in and for said County, on the 1st day of August, A. D., 1846.

The petition of John Johnston, Guardian of Ann E. Thompson and Mary Thompson, children and heirs at law of Edward B. Thompson, late of Fairfield County, and State of Ohio, deceased was presented to the Court, showing:

That the said Edward B. Thompson, at the time of his death, was seized in his demesne as of fee of and, in the one undivided fourth part of a certain tract of land, situate in Versailles township, Allegheny county, Pennsylvania; described as follows: Beginning at a post at the line of Kissick's land; and running along Hickman's land, N 8¾ deg. E 190 perches to a post; thence along lands belonging to the heirs of George Miller, decd., N 88½ deg. E 312 perches to a post; thence along J. Miller's land S 8¾ deg. N 174 perches to a post; thence, N 87¼ deg. W 52 perches; thence S 3¾ deg. W 46 perches to a white oak; thence, by Kissick's line N 87¼ deg. W 235 perches to a post, the place of beginning; containing 369 acres and 108 perches, with the usual allowance. And being so thereof seized, the said Edward B. Thompson departed this life intestate, leaving issue, the said Anne E., and Mary Thompson, minors.

AND FURTHER SHEWING: That the petitioner having been duly appointed Guardian of the said minors by the Orphans' Court of said County, afterwards, to wit: on the 1st day of November, A. D. 1842, sued fourth out of the District Court of Allegheny county, in No 662, of November Term, A. D. 1842, a Writ of Summons in Partition against the Co-tenants of the said minors, and such proceedings were therein had, that the said Court, on the 15th day of July, A. D., 1843, entered Judgment, *quod partitio fiat*. And the said Court, afterwards, on the 9th day of November, A. D. 1843, to November Term, 1843, No 121, awarded an Inquest directed to B. Weaver, Sheriff of the said county, commanding him to summon the said Inquest to part and divide the said described tract of land, according to the right of the parties claiming partition thereof; and by the Inquisition of the said Jurors, taken on the ground on the 5th day of September, A. D. 1843, the following described part of said tract of land, was allotted to and set apart to and for the said Wards of said Petitioner, to wit: Beginning at a post on Kissick's line and running thence by Hickman's land, N 8¾ deg. E 51 perches; thence S 87¼ deg. E 146 perches to a post; thence S 8¾ deg. W 51 perches to the line of Kissick's land; and thence N 87¼ deg. W 146 perches to the place of beginning; containing 46 acres 38 perches, with the usual allowance—which Inquisition was afterward, confirmed by the said Court.

AND FURTHER SHEWING TO THE COURT; that considerable expenses have been incurred by the Petitioner in recovering possession of said last described piece of said tract, and in effecting a partition of the original tract of said land—that the Petitioner's Wards are entitled to in personal Estate, as heirs at law of their said Father, so far as is known to the Petitioner—that the said last described tract is all the real estate belonging to the Petitioner's Wards in the County known to the Petitioner; that the said last described piece of land is all woodland and unproductive and expensive, and that it would be to the interest of said minors, in the judgment of the Petitioner, to have the same sold; and praying the Court to grant thim an order to sell the said part of the said large tract of land, which has been set apart for said minors—to pay the debts and maintain the said minors, children of the said Intestate, and the citation heretofore issued having been returned according to law, therefore, the Court order and direct that the said John Johnston, Guardian of the said minors, expose the premises in said petition particularly described, to public sale or outcry, at the Court House, in the city of Pittsburgh, on Monday, the 31st day of August next, at 10 o'clock, A. M., and sell the same to the best bidder for the highest and best price—bidden for the same having first given due public and timely notice of the time and place of sale, according to the act of Assembly, in such cases made and provided, and the Rule of the Court.

Witness, the Hon. BENJAMIN PATTON, Esq., President of our said Court, at Pittsburgh, this 4th day of August, A. D., 1846.

A RARE CHANCE!

Lands For Sale at Auction.

I AM authorised to offer for sale at public auction, on Monday the 24th of August, at 10 o'clock, on the premises, a Farm of Land in Reet township, on the Franklin Road, 4¼ miles from the city of Pittsburgh, containing 114 acres, about 6 acres of which are cleared and under cultivation, with a fair proportion of meadow and two good orchards. The improvements are a frame dwelling-house containing 12 rooms, and a good bank barn lately built. Being within 4 miles of Allegheny city, it would be a suitable location for a dairy and market farm. It will be offered for sale altogether, but if not sold it will be offered in portions varying from eleven to FOURTEEN ACRES EACH, it having been laid out in lots of that size, which will be found convenient to reach of many for gardening purposes. It is unnecessary that these lots be taken in one piece unless desired. The house, barn and one of the orchards together with 14¼ acres, can be sold separately. There are also some beautiful locations for private dwellings, and it will positively be sold, persons desirous of selecting a few acres in a healthy and pleasant part of the country, and near the city, are invited to call and examine the plot. The title is indisputable, and it will be conveyed clear of incumbrance. A plot of the land can be seen at Rakely and Mitchell, Smithfield street; at George Cooper's, Esq., adjoining the property, and at my office, near the Canal, Penn street. Terms at sale.

JAMES M. BLAKELEY.
Atty. in fact for L. Mitchell.

N. B.—An act of incorporation has been obtained to make a turnpike road from Allegheny city to Perrysville, 5 miles beyond this property.

Colds, Gout, Gravel,
Nervous Complaints,

☞ They have cured, since their introduction, over 2,000 persons, who have been given up as hopeless cases, by the most eminent Physicians.

☞ They are patronized and recommended by men of the highest distinction, among whom are—

Hon. Daniel D. Porter, Hon. Henry Clay,
Hon. John Q. Adams, Hon. Daniel Webster,
Hon. Martin Van Buren, Hon. J. C. Calhoun,
Gen. Winfield Scott, Col. R. M. Johnson,
Hon. James K. Polk, Gen. Leonard Wood.

☞ Their virtues are so infallible that the money will be returned in all cases they do not give universal satisfaction. Although but two and a half years have elapsed since these celebrated Pills were first introduced to the public, the sale of them in the Eastern and middle States has far exceeded Dr. Clickener's most sanguine expectations. During the past year, alone, no less than 10,000 gross of boxes have been sold in the State of New York, 6,000 in Pennsylvania, 4,000 in Maryland, 3,000 in New Jersey, 2,000 in Delaware, and 9,000 in the New England States, requiring the constant employment of 27 hands, exclusive of printers and engravers. In the same period, upwards of 250,000 copies of the "Family Doctor" have been ordered by agents in every section of the country. These facts must show, conclusively, that Dr. Clickener's Sugar Coated Pills, besides being the very best medicine in the world, are held in the highest estimation by the public.

We might extend this publication to an indefinite length, if we deemed it expedient to publish all testimonials we have received, not only from agents but individuals and families, who have experienced the benfical effects of Clickener's Sugar Coated Pills, but we deem it unnecessary. The most incare the numberless instances of unparalleled success. have already appeared, notwithstanding the brief period they have been before the public. Even some of our staunchest pill makers have had the audacity to imitate the Capsule of Sugar, in order to disguise the ingredients of their vile compounds, and palm them off for the "real simon pure." Such paltry shifts cannot last long without exposing their hideous deformity. Truth and honesty must inevitably prevail over rascality and deception.

For sale in Pittsburgh by WM. JACKSON, *at his Patent Medicine Warehouse*, No. 89, Liberty street, head of Wood st., Pittsburgh. Price, 25c. per box. Dr. Clickener's principal office is 81 Barclay street, New York.

☞ Beware of an imitation article called Improved Sugar Coated Pills, purporting to be patented, as both the pills and the pretended patent are forgeries, put up by a miserable quack in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines.

☞ Remember, Dr. C. V. Clickener is the original inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud. may 9
