5.7 Their virtues are so infallible that the money will be returned in all cases they do not give universal satisfaction. Although but two and a half years have elapsed since these celebrated Pills were first distributed to the public, the sale of them in the Eastern and middle States has far exceeded Dr.—Clickener's most sanguine expectations. During the past year, alone, no less than 10,000 gross of boxes have been sold in the State of New York, 6,000 in peaware, and 9,000 in the New England States, requiring the constant employment of 27 length of the sale of the country. in the conting and the ending?—thrown almost in juxtaposition—of so many nostrums and kindred preparations equally loud in their pretensions, and much more industriously presented to the public; while his preparation noiselessly advances, even to remote places, soothing and comforting the afflicted, and permanently grafting itself upon the affections of new friends, thus continually widening the circle of its usefulness. Although well satisfied that his medicine has, as it were, a principle of perpetuity in it, yet he is obliged to his friends for the most substantial evidence of the fact.

it, yet he is obliged to his friends for the most substantial evidence of the fact.

In its natural history, if you please, the Wilson Pill differs from most other preparations in not being originally made for sale, or with a view to pecuniary profit; while as every body knows, the greatest tyro (as a general thing) no sooner begins to dabble in drugs than he casts about for some cheap preparation, or must 'get up,' as the phrase is, something—anything that will sell. Often he attempts it under an assumed or fictitious name, as though conscious his own were insufficient to sell it. The difference then between the Wilson Pill and the preparations a Mill for the Manufacture of Snuff and capable of proting the most substantial to the most substantiation. The difference then between the Wilson Pill and the preparations a have just indicated, would appear to be this: The consciousness of the value of my pill originated the idea of putting them on sale for money, and at I price. The consciousness of the value of money originates in most instances the many preparations I have alluded to; and the price most likely to take is always first carefully considered, and the pill or other preparation made and graduated to suit it.
