Nature, in every part of her works, has left indelible marks of adaptation and design.

The constitution of the animals and vegetables of the forest, is such that they could not endure the cold of the frigid zone, and vice vesa.

In regard to diseases and its cure, the adaption is more or less striking.

The Moss of Iceland, the Wild Cherry and Pines speedy cure ever known for of all Northern latitudes (and "Dr. Wistars's Bat-isan" is a compound chemical extract from these,) have long been celebrated for complaints prevalent only in cold climates. Indeed the most distinguished medical men have averred that nature furnishes in The state of the control of the cont without delay.

Should those sent for not come out the money will be shipped to their destination free of thargo for shipping, storage or advance of charges.

As we hold no interest in ateamboat stock, merchants may depend upon their goods always being forwarded without delay, upon good boats and at the lowest rates of froight.
