Transportation Lines.

Reliance Portable Boat Line.

FOR transporting good between Pittsburgh and the Eastern cities without transhipping. This old established line (being the oldest portable boat line on the canal) is now prepared to receive produce and merchandize for shipping either East or West. The boats by this line are commanded by skilful, experienced and sober captains, and provided with good crews. Boats and cargoes are transferred from and to canal and railroad, saving all removal and separation of goods. Trips made in as short time, and goods carried on as fair terms as any other line.

Thankful for, and respectfully soliciting a continuance of the very liberal and growing patronage heretofore bestowed upon this line, we with confidence assure those merchants disposed to favor us, that their business shall be done to their entire satisfaction. Goods carried by us, consigned to either of our houses, will be shipped to their destination free of charge for shipping, storage or advance of charges. As we hold no interest in steamboat stock, merchants may depend upon their goods always being forwarded without delay, upon good boats and at the lowest rates of freight.

Produce consigned to our house at Philadelphia for sale, will be sold on liberal terms, and advances made either at Pittsburgh or Philadelphia.

Pittsburgh Portable Boat Line,

FOR the transportation of freight between Pittsburgh and the Atlantic cities, via Pennsylvania improvements and Baltimore and Susquehanna railroad.

The Proprietors of this old established line, having completed their arrangements, are prepared to forward goods to and from the East (on the opening of the canal navigation), on as reasonable terms as any other responsible line, and are determined that no care or attention on their part shall be wanting to secure a continuance of that patronage so liberally bestowed upon them for several years past.

The decided success of the portable boat system, so manifest in the regularity and despatch experienced in the delivery of goods, the absence of all risk of delay, breakage or other damage, incident to the old system, where goods have to be hurriedly transhipped at three times on the way, and the uncertainable time in which produce has been avowedly delivered by them, has induced the proprietors to increase their stock considerably this season. Their extensive warehouses at each point, unequalled by any other line, affords them facilities to conduct their business with despatch; and to shippers the convenience of free storage, if required, until their arrangements are completed. From their long experience in the forwarding trade, it is presumed, will be sufficient guarantee to their patrons and the public that they will success-fully exert themselves to give general satisfaction.

Produce received at forwarding, steamboat charges paid, and bills lading transmitted free of charge for commission, advancing or storage, and all communications to the following agents promptly attended to:

The proprietors of this old established line have put their stock in the most complete order, and are thoroughly prepared to forward produce and merchandize to and from the Eastern cities on the opening of navigation.

We trust that our long experience in the carrying business, and zealous attention to the interests of customers, will accure to us a continuance and increase of the patronage heretofore bestowed on 'Bingham's Line.'

Our arrangements will enable us to carry freight with the utmost despatch; and our prices shall always be as low as the lowest charged by other responsible lines.

Produce and merchandize will be received and forwarded east and west without any charge for advertising, storage or commission.

Bills of lading forwarded, and every direction promptly attended to.

Extension of Pittsburgh.

RARE CHANCE FOR GOOD INVESTMENTS.—The subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, one hundred and ten building lots, on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from the City line, and 10 minutes' walk from part of the city district which will probably soon be annexed to the city as the Seventh Ward. No property in the suburbs possesses superior advantages, nor has any hitherto been laid out with such liberal an allowance of wide streets; Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and Beelen, Commerce, Brady, Columbus and Water streets, all wide avenues. Most of the lots have two fronts, and as they are of various sizes, and will be sold one lot, with the privilege of four or five, early applicants can be accommodated to suit their own views of improvement. Persons who desire to build or to make secure investments in property that is sure to advance in value, and particularly those who intend to erect manufactories, would do well to view these lots and examine the draft before purchasing elsewhere. The survey for the Baltimore and Ohio railroad and the railroad survey by the State of Pennsylvania were both made alongside of this property, and it is generally considered that Braddock street, or the ground immediately alongside of it, affords the only eligible route for a railroad from Pittsburgh to the East. Coal can be delivered on this property at a much less cost than on the Allegheny river, and there is always deep water at this part of the river.

Medical.

'Tis Found at Last.

A CURE FOR CONSUMPTION.

Seven Thousand cases of Asthma & Pulmonary Complaints cured in one year!

We ask the attention of the candid to a few considerations.

Nature, in every part of her works, has left indelible marks of adaptation and design.

The constitution of the animals and vegetables of the forest, is such that they could not endure the cold of the frigid zone, and vice versa.

In regard to diseases and its cure, the adaption is more or less striking.

The Moss of Iceland, the Wild Cherry and Pines of all Northern latitudes (and "Dr. WISTAR'S BALSAM" is a compound chemical extract from these,) have long been celebrated for complaints prevalent only in cold climates. Indeed the most distinguished medical men have averred that nature furnishes in every country medicines for its own peculiar diseases.

Consumption in its confirmed and incipient stages *Coughs, Asthma, Croup* and *Liver Complaint* form by far the most fatal class of diseases known to our land. Yet even these may be cured by means of the simple yet powerful remedies (named above) and which are scattered, by a beneficient Providence, wherever those maladies prevail.

ANOTHER ASTONISHING CURE!

WISTAR'S BALSAM OF WILD CHERRY, always triumphant cure follows cure in its onward victorious career!

DAYTON, Feb, 11th, 1845.

J. W. Whitmore.—Dear Sir: As youare the regular authorized agent in Dayton, for the sale of "Dr. Wistar's Balsam of Wild Cherry," I take this method of making a statement of facts to you (which hope may be published to the world) in reference to an almost miraculous cure, wrought in my case by means of the above *Invaluable Balsam*.

Language fails to describe the salutary effects it produced, and the great benefit I derived from its use.

The citizens of Dayton and vicinity, well recollect that on the 8th of August last, I received serious injury from the explosion of a cannon. A portion of its contents entered my right side and breast, and in all probability, some fragments or splinters of the ram-rod passed through the "plura," and pierced the Lungs.

After the lapse of about six weeks, I was attacked with a *distressing cough and a violent pain in my right side.* Some ten days after this when in a *paroxysm of coughing*, suddenly and ucexn broke, and a large quantity of very offensive matter, mixed with blood, was discharged; most of which found passage through the opening of the wound. From this opening there frequently passed a quantity of air, supposed to come from the lungs. *During all this time my sufferings were almost intolerable.*

My physicians, meanwhile paid the strictest attention to me, and did all in their power for my recovery, but with all their skill they could not *check the seat of distress, after the Lungs had become affected.* I was visited during this time by at least *twenty* Physicians.

It was now reduced to a certainty, that *inflamation of the lungs* was rapidly taking place; and that this would terminate my life in a very short time, was in the highest degree probable.

At this critical juncture, a messenger was despatched to Cincinnati, and a celebrated Physician of that place was consulted. When he was made acquainted with my situation, he remarked that nothing could be done by medicinal aid, for the constution itself was not sufficient to throw off the disease.

My friends now despaired of my recovery, and I had no earthly ground of hope to survive many days. Fortunately at this juncture, I saw one of Dr. Wistar's Pamphlets, entitled "Family Medical Guide," or "Treatise on Consumption of the Lungs." As I had often heard of dying men "catching at straws," I felt this doing so myself. By the consent of my Physicians, I sent to you for a bottle of the medicine described viz: "*Wistar's Balsam of Wild Cherry,*" which relieved me almost immediately. After I had used some five or six bottles *I so far recovered as to be up and about.* My cough ceased, my strength and lungs were restored to a healthy state—all from the *healing and balmy influence and powerful medicinal virtues of Wistar's Balsam.*

I am not from the external injury I received in my shoulder and arm by the explosion, I feel confident that I might have been working at my trade (which is blacksmithing,) but this has prevented.

By exposure, I have since taken several severe colds, and my *only remedy* has been "*The Balsam.*" And I now most cordially recommend the *genuine Wistar's Balsam* to all who are afflicted with *Colds, Coughs, or Lung Complaints.* I consider it an invaluable medicine—a real blessing to the world. And any person desiring further information, may call on me any time. yours truly,

BOWEL OR SUMMER COMPLAINT.—We confidently recommend and could refer to hundreds of our citizens who have used

JAYNES CARMINATIVE BALSAM,

as a certain, safe and effectual remedy for Dysentry, Diarhœa, or Looseness, Cholera Morbus, SUMMER COMPLAINT, Colic, Griping Pains, Sour Stomach, Sick and Nervous Headache, Heartburn, &c.

This is one of the most efficient, pleasant, and safe compositions ever offered to the public for the cure of the various derangements of the STOMACH and BOWELS, and the *only* article worthy of the least confidence for curing *CHOLERA INFANTUM* or *SUMMER COMPLAINT*; and in all the above diseases it really acts like a charm.

CERTIFICATE

From the Rev. Asa Shinn, of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease in the stomach, sometimes producing severe pain in the stomach for ten or twelve hours without intermission, and having tried various remedies with little effect, was furnished with a bottle of DR. JAYNE'S CARMINITIVE BALSAM. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening, and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can *confidently recommend* Dr. D. Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A. SHINN.

Still Another Wonderful Cure of CONSUMPTION

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY,

THE ORIGINAL AND GENUINE PREPARATION!

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of Throat, Breast and Lungs, the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY.

THE GREATEST CURE EVER RECORDED!—

DR. SWAYNE—*Dear Sir:* I feel it a debt of gratitude due you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Prunus Virginia, or Wild Cherry, or rather of its medicinal virtues. Some three years since I was violently attacked with cold and inflamation of the Lungs, which was accompanied with a very distressing cough, pain in the breast and head; a very considerable discharge of offensive mucus from the lungs, frequent from them, especially from change of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. At last here I was advised and persuaded by a dear friend in Wilmington, to make trial of your Syrup of Wild Cherry; I must confess that previously I had been prejudiced against patent medicines, and am still against those coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the say so of my friend, I forthwith purchased of Dr. Shaw, one of your agents, a few bottles, and commenced its use. My disease at this time was of 20 or 24 months standing, consequently, was deeply seated. It therefore required time and a number of bottles to effect a cure in my case; I found, however, considerable relief from the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength and health, and thereby ruptured those vessels that had already began to heal, in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently, I had to use 12 or 15 bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but for the above indiscretion. The Syrup allayed the feverish habit, done away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system, good health. Thanks be to God, who is the source of all health, and to Dr. Swayne for it. I would recommend the Syrup to all persons who may be affected with colds, cough or consumption. I verily believe it will cure consumption in the first and second stages, and in the last, will be found a powerful aid, for the constution itself was not sufficient to throw off the disease.

My friends now despaired of my recovery, and I had no earthly ground of hope to survive many days. Fortunately at this juncture, I saw one of Dr. Wistar's Pamphlets, entitled "Family Medical Guide," or "Treatise on Consumption of the Lungs." As I had often heard of dying men "catching at straws," I felt this doing so myself. By the consent of my Physicians, I sent to you for a bottle of the medicine described viz: "*Wistar's Balsam of Wild Cherry,*" which relieved me almost immediately. After I had used some five or six bottles *I so far recovered as to be up and about.* My cough ceased, my strength and lungs were restored to a healthy state—all from the *healing and balmy influence and powerful medicinal virtues of Wistar's Balsam.*

I am not from the external injury I received in my shoulder and arm by the explosion, I feel confident that I might have been working at my trade (which is blacksmithing,) but this has prevented.

By exposure, I have since taken several severe colds, and my *only remedy* has been "*The Balsam.*" And I now most cordially recommend the *genuine Wistar's Balsam* to all who are afflicted with *Colds, Coughs, or Lung Complaints.* I consider it an invaluable medicine—a real blessing to the world. And any person desiring further information, may call on me any time. yours truly,
