We do not say that under Mr. Bancroft the navy languished, but certainly that gallant arm of our defence has suffered in reputation since Mr. Bandart Walker, all of this City.

Married,

On Saturday evening the 12th inst., by Alderman Blakely, Mr. Joseph Coulter, to Miss Martha Walker, all of this City. Humes Jano Woods Patrick Howser Abraham Voods Mr defence has suffered in reputation since Mr. Bancroft's administration commenced. We shall now look for more activity, more energy to be infused into the Navy; and if brilliant deeds do not succeed the monotony of the past, we shall confess ourself greatly mistaken.

During Mr. Masons's administration of the navy department, Pittsburgh always had her share of the favors dispensed. If Iron Steamers were to be built, Pittsburgh Mechanics were appreciated, and as it was before, so we hope to see it again. We, therefore, thank President Polkfor restoring to us Weir William Horner John Woodburn James Wright Sophia Afr Howenstein Andrew Hopper Hunson Whittaker James Young Otis Young H Miss Yalo Simes Yancy George Yarneil David Irwim Robert Irwin Alex Inglish James Z Zigler George N Maj Initials—J M D C. M KIBBEN, Postmaster. Jenkins Mary Mrs sept15-d2taw1t. Johnson James Johnson G W Johnson Robert A SPLENDID assortment just received from the East, of entire new Patterns. They can be had very low at the Wall Paper Store of as it was before, so we hope to see it again. We, therefore, thank President Polk for restoring to us our old and valued friend.

The editor of the Philadelphia Spirit of the Times, who has just returned from Europe, says, it is serious truth; and every unprejudiced misd acquainted with the facts must admit it, that there is really nothing like the amount of intellectual ability in the British houses of parliament, or the French chambers, that there is in our two houses of congress. We repeat, 'nothing like it.'"

The best feet, "My dear Polly," I am surprised at your taste of wearing another woman's hair on your head," said Mr. Smith to his wife.—

"My dear Joe, I am equally astonished that you

stituted the most serious objection to Vermifuges. Their metallic base is generally so violent in its operation, that the system seldom recovers from the shock until the patient has arrived at the years allow metallic base is generally so violent in its operation, that the system seldom recovers from the shock until the patient has arrived at the years allow metallic base is generally so violent in its operation, that the system seldom recovers from the shock until the patient has arrived at the years of maturity or actually outgrown it. We know form the shock until the patient has arrived at the years of maturity or actually outgrown it. We know form the shock until the system seldom recovers from the shock until the sports of maturity or actually outgrown it. We know all of maturity or actually outgrown it.
