FIRE IN LAWBERCEVILLE. The plarm of fire, on F. LOCAL AFFAIRS. Vednesday night, about nine o'clock, was caused by he burning of a large frame house, in the Borongh FRIDAY MORNING f Lawrenceville, occupied by a German named Un-MILITARY CONVENTION .- An adjourned meeting of lersogt. The fire originated in the upper story: child was sent up stairs for an article of clothing, the Military County Convention was held in the with a lighted candle. While looking around for it, Washington Infantry Armory, on Wednesday. Amongst other business transacted, Hiram Hultz, of she carelessly let the candle fall upon the bed, which the Jefferson Cavalry, Capt. David Campbell, of the was quickly in a flame. The child, in consternation, Duquesne Greys, Capt. Alexander Hay, of the Jackfled, but before the slarm could be given, the whole son Blues, Capt. T. F. Wright, of the Washington interior of the room was on fire. In a few minutes, Infantry, Capt. J. S. Negley, of the Pennsylvania the flames extended to other parts of the building, Infantry, and Capt. M'Mastar. of the Turtle Creak and the whole structure, in about two hours, was Guards, were appointed a Committee to confer with completely destroyed. Several of the fire companies the officers of the companies not already connected from the city, went out with their machines, but with any battalion, in regard to organizing a new they arrived on the ground in time to be too late to attalion in this county-and to devise a method for | be of much use.

A ......

electing officers of the present brigade, under the rank A portion of the furniture in the house was remove of Brigadier General. The Convention chose the ed, but that destroyed was the most valuable. Mr. Undersogt's loss will be about \$1,800, partial following delegates to the State Military Convention, to be held at Harrisburg on the third Monday of | ly covered by an insurance of \$800.

January next, viz: Capt. M'Master, of the Turtle PARDONED .- Henry Bushs, a young man convicted Crock Guards, Lieut. J. Heron Foster, of the Washat the spring term of Quarter Sessions of an assault ington Infantry, Capt. J. S. Negley, of the Pennsyland battery with intent to kill, yesterday received a vania Infantry, Capt. Large, of the ----- Artillery, pardon from Gov. Pollock. He had served out all Brig. Gen. J. R. Snodgrass, Col. Hiram Hultz, of the but four months of his term of imprisonment. Mr. Jafferson Cavalry, Maj. J. H. M'Ilhenny, Brigade Busha always sustained a very exemplary character, Inspector. The following were appointed substitutes, and the offence for which he was imprisoned is al to act in case any of the delegates are unable to atledged to have been accidentally committed. During tend : Capt. Espy, Capt. Desarugh, S. Beitler, Lieut. his incarceration in jail he secured the favorble M'Williams. opinion of the officers of that institution by his be-

WEEKLY MONEY ARTICLE. PITTSBURGE, November 30th. There is very little change in money matters here ký ipch Gas Pipe. do do . do do . i do do . i do do . do do .

ince our last. The banks are still discounting up to heir full capacity, particularly of western bills. There is no stringency. There is money enough and 436044c to country t rade. New Orleans Sugars are solltere for the business, but currency is very scarce It is sent west to buy produce, and there has probably seldom been less currency afloat in this city. HAY ... At scales sells for \$146518 The late run of coal was very successful so far a et heard from. No losses of much account occurred, Beef Hides sell at 5%c. and the amount sent out was large-near three and HOPS...Sales from store at 38@40c half million bushels. Flour and other products ontinue to arrive in large quantities from the west, and are sent eastward. The Central road is doing a thriving business. The closing of the New York they will probably come down to that figure before the sea canal, and high rates of freight on the New York roads, must turn more of the freights this way. IRON AND NAILS...Sales of common puddled bar at 234 Business continues unusually active, and the man @3c, and in nails lud, and upwards at 33, @4c. Juniata iro ufacturers particularly are supplied with orders as 41%. The mills are all in active operation and the deman fast as they can fill them. The late rise in the Allesheny has revived the lumber trade, and brought own large amounts to our wharves. Although we are well assured of the abundance of

crops, no very great reduction of the prices of Skirting Leather. P b. 25:430c. rovisions can be expected for some time. The limit LUMBER ... A great deal has come down the Alleghen this rise, but dealers here having their yards full are not f the foreign demand must be seen before a permanent downward tendency of prices can be anticipabetter demand. The nominal quotations are: \$9/a10 for ted. The shipments of grain and cotton to Europe mmon, and \$20 for clear Shingles \$2, \$2,50@2.75 F M are now very heavy ; and one consequence was that Sawed Lath \$2. the last steamer took out no specie. At the same time the California steamer brought about two millions in for Neshannocks. PIQ METAL ... There was but little metal come down this gold to New York. But unfortunately the imports to reshet, notwithstanding the river and its tributaries was New York for last week were excessively large, ufficiently high. The metal men are probably holding or nearly double what they were in the same week last or better prices. We have no sales to report. SALT ... No. 1 at \$1,62; extra at \$1.75. SEEDS...Flaxscod is firmer, and selling at \$1,65@1.69.

The total value of imports this year is \$131,421,511 gainst \$161,434,243 for the same time last year. Difference in favor of this year \$30,000,000. But the English manufacturers seem resolved to make up the deficiency as fast as possible whether their goods are called for or not. The Philadelphia Ledger of the 28th says:

Notwithstanding a favorable show in the state-sents of the New York city banks for the last week, he publication of the figures on Monday was attendwith a very decided decline in the price of the Krie Railroad shares opened at 534. eading fancy. Illinois Central suffered nearly and closed at 514. Illinois Central suffered near The movement in money at New York has quickened docidedly. The Bank report, as compared with the previous statement of Nov. 17, shows the following

anges : Increase of luans. \$282,483 412,322Gain in specie, Decrease in circulation, 162.009 Apparent decrease in deposits, 648,207 The statement is a favorable one on the specie line.

The statement is a tworable one on the specie line, while the leans are but inconsiderably afflicted. As remarked yesterday, the gold movement of the week was unusually light; not a dollar exported, and no California receipts. The increased stringency in the money market at New York is sought to be accounted money market at New 10rs is sought to be accounted for by a largely increased amount of Eastern paper thrown into the discourt offices. Lenders were en-abled to realize 12 per cont. on first-class names, and

abled to realize 12 per cont. on inst-class names, and 15 on fair signatures, on most of the offerings. A 1 few favorito New York names were done at 10 per 5 cent. The Southern and Western bank balances were 5 heavily drawn upon, which occasioned a little more 5 movement in demond heave

AMUSEMENTS. FLOUB ... Although the receipts of Plour are large th eek, last week they were considerably licavier, as large lots were then forced on to be shipped before the winter tariff THEATRE .--- J. C.
