PITTSBURGH POST.

MONDAY MORNING::::::::::::DECEMBER 17.

HUMOROUS.

A PHRENOLOGIST POSED.—An itinerant phrenologist stopped at a rustic farm house, in one of the Western States, the proprietor of which was busily engaged in threshing. "Sir, I am a phrenologist. Would you like to have me examine the heads of your children? I will do it cheap." "Wall," said the farmer, pushing between two strokes, "I raythe guess they don't need it. The old woman *combs 'em with a fine tooth comb once a week.*"

TAXATION ON MOUSTACHES AND BACHELORS.—A bill has been presented to the Legislature of Tennessee, levying a tax of five dollars on every gentleman who wears a moustache, and on every batchelor over thirty years of age, for the purpose of raising money to increase the school fund. Married men pay taxes for themselves and their heirs, and why should not bachelors for themselves and their hairs? So queries the Albany *Atlas.*

KLOSTERHEIM, or the Masque, a historical novel, by the author of Confessions of an English Opium Eater. As a literary composition it is written in De Quincy's best style. The defective point in his subsequent writings are absent from this story. It was written in the full maturity of De Quincy's mind, at the age of forty-six. It eminently deserves the designation of a curiosity of literature. Klosterheim stands among De Quincy's numerous writings, as the only complete and extensive effort of his imagination all compact."—*Dr. Shelton M'Kenzie.*

GREAT DISCOVERY!

AMPLE TESTS, both by able Practitioners and Chemical Analysis, have demonstrated the great value of PROF. DE GRATH'S beautiful combination, called "ELECTRIC OIL," for the relief and cure of Pain. But the people themselves are rendering their verdict in a manner both unmistakeable and satisfactory. More than 20,000 bottles have been sold in a very short time—a great proportion to those who *heard others* recommend it, who had *tried it.* That it is a splendid discovery, is everywhere acknowledged; and nothing like it was ever before prepared. Why, for CORNS alone, it is worth $100,000 a year to the people, as it always cures these painful tormentors in *twenty-four hours.*

But what is it not worth to the people if it cures Salt Rheum, Erysipelas, Canker, Ulcers, Sores of all kinds, (frequently taking away all the pain in twenty-four hours,) Rheumatism, Neuralgia, Palpitation, Headache, Bronchitis, Piles, Womb Complaints, Cramps, Sprains, Sore or Swelled Breast, Felons, Wounds of all kinds, &c.! Would $500,000 express its value to the people? *No.* Because a man will give freely for relief from *pain.* Will this Oil relieve *pain?* Certainly *it will.* Such men as we have often named, honorable and high-minded Merchants, Mayors, Doctors and others have so said, after from ten to fifty trials. They say the ELECTRIC OIL is the finest medical combination ever prepared, neither offensive nor injurious, but effectual in all the above and many other cases. Some honorable and heavy business firms have, it is true, sold some of the old turpentine, bituminous, or coal tar, &c. &c.) external applications, until their customers returned bottle after bottle, with the remark that "the remedy was worse than the pain;" yet such men have never recommended nor given countenance to them. But see some of our best merchants ordering more every ten days, and *always* giving additional testimony to the value of this wonderful discovery. That a great many ladies are using it as a medicinal toilet article for themselves and their children, is well known. It cures all Pimples, Blotches and Eruptions on the face and neck, in so short a time, you would scarcely credit it. It frequently reduces a painful swelling in two hours; has done it in half an hour; cured many effectually in six hours. If ladies knew the *soothing, strengthening* and *healing* virtues in this Oil, they would never be induced to use anything else for womb complaints or pains of any kind.

We now insert a letter just received from HENRY WILEY, Esq., who went to England six weeks since, (to die.)

LONDON, July 12, 1855.

PROF. DE GRATH, Phila.—Dear Sir: When I left home for my health, (scrofulous eruptions, &c.,) I never expected to return again, believing that my complaint would soon carry me off. When you gave me three bottles of your Electric Oil to take with me, as merely a palliative, I did not think I would so very soon be called upon to thank you, as I now do, for my complete restoration.

I can only say, before the departure of the steamer, that you have only to come here with your Oil, to make a fortune in one year. There is not another similar medicine in England, if in the world. I will write by next steamer.

Yours, most truly, HENRY WILEY.

It cannot be their imaginations, who state that old Sores, that have discharged from six months to five years, have been cured by this Oil. It cannot be untrue, nor a deception, where pain is relieved in one day, often in half an hour. No! common sense dictates *no!*—and six hundred written letters say *no!* Come and see them. A regular Doctor in attendance, and Ladies can consult a Lady, privately, by dropping a line to the office. Advice from a distance, making inquiries that any physician can answer, will be promptly attended to. Always enclose a stamp, as our advices are freely given, and we are drawn upon so often in this way. All cases treated liberally, with or without the Oil, as I have two Physicians associated for these express purposes.

PROF. C. DE GRATH,
No. 39 South Eighth street, Philadelphia.

N. B.—The largest bottles ten times the cheapest. Please notify me of any case or failure to cure in from half an hour to three weeks, as I wish to cure all.

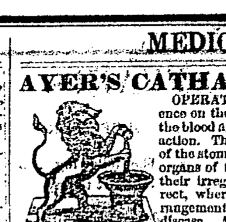
MEDICAL.

AYER'S CATHARTIC PILLS



OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give *Directions* for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of COSTIVENESS, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the *heart-burn, body-burn* and *soul-burn* of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

FOR A FOUL STOMACH, or *Morbid Inaction of the Bowels*, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, *Pain in the Stomach, Back or Side*, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day, until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCROFULA, ERYSIPELAS, *and all Diseases of the Skin*, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

TO PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, *and all Bilious Affections*, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach, causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhœa, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A medium dose of three or four Pills, taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, GOUT, *and all Inflammatory Fevers*, are rapidly cured by the purifying effects of these Pills upon the blood, and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.

Prepared by Dr. JAMES C. AYER, Practical and Analytical Chemist, Lowell, Mass. Price 25 cents per box. Five boxes for $1.

Sold by B. A. FAHNESTOCK & CO., at wholesale and retail, by every Druggist in Pittsburgh, and by all Dealers everywhere. oct8:lmdaw

Dr. Rogers' Syrup of
CANCHALAGUA,

FOR THE COMPLETE CURE OF

Coughs, Colds, Influenza, Bronchitis, Spitting Blood, Asthma,

AND ALL OTHER LUNG COMPLAINTS

TENDING TO

CONSUMPTION!

THE above Expectorant, prepared by an experienced Physician and Chemist, has now become a standard Preparation, and is offered for the COMPLETE CURE of those diseases of the **THROAT** and **LUNGS**, which, if neglected, usually terminate fatally in **CONSUMPTION**. It contains no *Opium, Calomel*, or any mineral whatever, but is composed entirely of those *Roots, Herbs*, and *Vegetable Substances*, which have a specific influence upon the Lungs and their connected organs. Its immediate effect is to allay all irritation, and gently remove the phlegm and other morbid secretions from the Throat and air-passages, thus relieving the Cough, by subduing the inflammation and other causes which give rise to it. It is approved of and recommended by Physicians of the highest standing, and may be given with perfect safety to the youngest child or the most delicate female.

Less than half a bottle will generally cure any ordinary **COLD** or **COUGH**, by following the directions.

One bottle is usually sufficient for a case of **Influenza.**

A few doses will relieve **Tickling** *in the throat*, or **Hoarseness.**

One bottle will effectually stop **Spitting Blood.**

Three to Six bottles only are required in **Bronchitis** or **Asthma.**

Four to Eight bottles will cure any case of **Incipient Consumption.**

One bottle is warranted always to *do good*, and satisfy the patient that he is on the right road to a **CURE.**

Judge now whether or not it is best to use it. Certificates on file at the office from multitudes of restored sufferers.

INHALATION
FOR THE
CURE OF ASTHMA AND CONSUMPTION,
NEW AND VERY WONDERFUL.
HYGEANA

BROUGHT HOME TO THE DOOR OF THE MILLION.

A WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, of this city, in the treatment of Consumption, Asthma, and all diseases of the Lungs. We refer to "DR. CURTIS' HYGEANA, OR INHALING HYGEAN VAPOR AND CHERRY SYRUP." With this new method, Dr. C. has restored many afflicted ones to health; as an evidence of which, he has innumerable certificates. Speaking of the treatment, a physician remarks: "It is evident that inhaling—constantly breathing an agreeable, healing vapor—the medicinal properties must come in direct contact with the whole aerial cavities of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subject to the process of digestion." The Hygeana is for sale by all the Druggists throughout the country."—*New York Dutchman of January* 14.

The Inhaler is worn on the breast, under the linen, without the least inconvenience—the heat of the body being sufficient to evaporate the fluid. Hundreds of cases of cures, like the following, might be named:

One package of the Hygeana has cured me of the Asthma, of six years' standing. J. F. KEESBURY,
Postmaster of Duncannon, Pa.

I am cured of the Asthma, of ten years' standing, by Dr. Curtis' Hygeana. MARGARET EASTON, Brooklyn, N. Y.

Mrs. PAUL, of No. 5 Hammond street, N. Y., was cured of a severe case of Bronchitis by the Hygeana.

My sister has been cured of a distressing cough, of several years' standing, and decided to be incurable by the physicians. She was cured in one month, by the Hygeana.

J. H. GAUBERT, Richmond, Me.

The Rev. Dr. CHEEVER, of New York, testifies of our medicine in the following language:

NEW YORK, November 15, 1854.

Dear Sir—I think highly of Dr. Curtis' Hygeana as a remedy in diseases of the throat and lungs. Having had some opportunity to testify its efficacy, I am convinced that it is a most excellent medicine, both the Syrup and the inhaling application to the chest.

N. B.—Dr. Curtis' Hygeana is the ORIGINAL and ONLY GENUINE ARTICLE; all others are base imitations, or vile and INJURIOUS counterfeits. Shun them as you would POISON.

SANDS' SARSAPARILLA.
IN QUART BOTTLES,

For the Removal and Permanent Cure of all Diseases arising from an Impure State of the Blood, or Habit of the System.

This truly valuable preparation is extracted from selected roots of the finest description, by means of an expensive and powerful apparatus, which obtains the medicinal and active principle in a highly concentrated form, so scientifically combining the several vegetable products in the process that a compound extract of Sarsaparilla is obtained infinitely superior to any other for purifying the blood, and the cure of Scrofula, Salt Rheum, Ulcers, Fever, Sores, Pimples, Boils, Cutaneous Eruptions, Rheumatism, Mercurial diseases, Liver Complaint, Dyspepsia, Bronchitis, Consumption, Female Irregularities, Loss of Appetite, and General Debility.

This powerful remedial agent acts simultaneously upon the Stomach, the Circulation and the Bowels, and gently stimulates, while it disengages and expels from the system all that is irritating and prejudicial to bodily health. Being purely vegetable, it is perfectly harmless in its operation; the most delicate persons may take it at any time with perfect safety.

The astonishing success of this medicine constantly increasing during the last sixteen years, has secured for it the distinguished commendations of the Faculty, and it enjoys a wide-spread popularity and extensive patronage which throws entirely out of competition every other preparation of Sarsaparilla.

Attention is respectfully solicited to the following certificate:

ANOTHER CURE OF SCROFULA.

TROY, N. Y., September 1, 1854.

Messrs. A. B. & D. Sands—Gentlemen: I have for nearly three years been troubled with that dreadful disease, Scrofula; so much so, as to be offensive to my husband and to myself; and to obtain relief, have tried every kind of medicine that came under my notice, without effect. One of my neighbors, who had been cured of a similar complaint by your Sarsaparilla, advised me to make a trial of it, and I can truly say that it has done me a world of good, having completely cured me. Hoping that my evidence may induce others similarly afflicted to adopt the same remedy, with the same satisfactory results, I remain gratefully yours,

SARAH J. POHLMAN.
