ELECTRO-CHEMISCHE AROMA Echt Hollandsch Kruiden Bitters.

TWO YEARS have elapsed rince the intro duction of this valuable rest to the total United States During this time it has gained universal popularity as remedy for popularity as the state of the state o tions, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

When eminent physicians prescribe, and their patients so unlossitatingly recommend, surely we may cease t Joubt, and eagerly test its virtues for ourselves.

A Cure of Eight Months' Standing Cured by Boerhays & Heiland Büllers.—Michael Kelly, No. 117 Grant, near Smithfield strock, says: "Last July, while running on the river, on a cotton beat phying between Natchez and Now Orleans, I was taken with fever and ague. For eight long months I suffered with this dreadful disease. The greater part of this time I was unable to work, and spent at least fifty dollars for different medicines, but I found no permanent reliof. Three weeks ago, one of my friends insisted upon my trying Boerhay's Holland Bitters, saying that a cure was guaranteed. After taking it for one weeks, I must state I was a sound man. "I have been at-work now for two weeks, and-have had no return of the chills and fever whatever."

I certify the above statement is true.
