	SATURDAY MORNINGFEBRUARY 2.
	Mrs. Myers' school for girls, on Penn street, en- ters upon its second term on next Monday, February
 v:	4th, 1856. Meeting of the Board of Trade.—The regular
	monthly meeting of the Board of Trade and Mor- chants' Exchange was held yesterday afternoon in the Half of the Association.
	Mr. Wilmarth read the minutes of the Board of Directors for the last two months, which were ap- proved.
i ig List Min	A resolution offered by Mr. J. W. Butler, to change the hour of the daily meetings of the Association to
() []	12 o'clock M. elicited a spirited discussion. Mr. Springer Harbaugh moved to amend by making the time from half-past eleven to half-past
• /	twelve o'clock. The amendment was adopted, and the daily meetings will hereafter be held at the hour named.
	The following resolution, offered at the meeting in May last, which accompanied the report of the Com-
5.4 5.4	mittee, was called up by Mr. L. Wilmarth, who made a brief and forcible address in favor of its passage: Resolved, That the report of the committee be ap-
.` -	proved, and that the Board of Trade Association con- cur in recommending that application be made to the next Legislature for the passage of an Act incor-
	porating Pittsburgh and Allegheny, and the surroun- ding boroughs into one municipal organization. Mr. Cooper spoke against the Board of Trade com-
	mitting itself to any plan of consolidation, until its advantages had been presented clearly and fairly, and moved that the resolution be indefinitely post-
	poned. This was amended by Mr. Wilmarth to postpone till next regular meeting; in which shape, after a
્ય ભા ઇ	lively discussion, it passed. Mr. Smith gave notice that be would introduce, at
	next meeting, an amondment to the Constitution, giving the Board of Directors power to fill vacancies in their own body; and that any director not attend-
	ing a meeting within two months of his election, va- cates his seat. The President read a communication from the
* :	Committee of Arrangements of the Washington Birthday celebration in Cincinnati, enclosing an in
; !	vitation to the Board of Trade to participate. Mr. Wilmarth was instructed to acknowledge the invita- tion.
: 1 1 1	The meeting then adjourned. To-day, the second of February, is the test day for
