CITY TAXES--EXPLANATION

There is a good deal of dissatisfaction express ed in our city in regard to the High School. We have seen some receipts for taxes lately that contain pretty strong reasons for dissatisfaction. Pittsburgh High School for the current year. The Principal of this School is paid a salary of \$2.000
The Professor of Natural Science 1,100

But the furniture and apparatus will last for reveral years, if the school is continued. coipt for taxes upon a single three-story building on Wood street, near Water street. The house and lot cannot be valued at more than eight

cents, in full, for Militia, County, Stat-

CALEB RUSSEL By this receipt it will be seen that, while that owner of that house and lot pays but \$11.75 for the ward public school, he pays \$21,50-almost twice as much - for the annual support of the High School. If this single house and but pays hundred houses and lots will pay all the expenses of that school every year. There are that school would be raised in that ward alone

over all the nine wards

his reasons for the course he pursued, and makes home, the Nicaragua minester, has mode a for ont a pretty strong case against that portion of those laws that were enacted in 1851. By the act of 1849 the councils could pave a street when two thirds of the property owners along it petitions. There are reasons personal to French himself, analyty sufficient to justify this course on the ATEST FROM CALIFORNIA. third- of the property owners along it petitioned be thus paved until two-thirds of the owners was changed, and the councils empowered to

grade and pave streets whether the property holders petitioned for it or not. Under this act it is alleged that many serious

hardships have occurred; and some property holders even saddled with judgments that mus result in a sacrifice of their property.

ship to repeal it, and compel property holders who have paved their own streets to contribute by a general tax to pave the balance of the street-? The hardships mentioned may be charged with more justice upon the councils than upon the law. The councils were empow-

preperly as to render it almost valueless; and a scramble for it. To day Wendell, the nominee in the hal to pay for doing that very work himself, besides. That is a hardship. But now repeal those laws and this same citizen will have to constitute the same of the property as to render it almost valueless; and the gift of the House, and of course there is a committees are the leading tapes of convergence in the gift of the House, and of course there is a committees are the leading tapes of convergence in the gift of the House, and of course there is a committees are the leading tapes of convergence in the gift of the House, and of course there is a committee are the leading tapes of convergence in the gift of the House, and of course there is a committee are the leading tapes of convergence in the gift of the House, and of course there is a committee are the leading tapes of convergence in the gift of the House, and of course there is a committee are the leading tapes of convergence in the gift of the House, and of course there is a committee and the same of the being tapes of convergence in the gift of the House, and of course there is a committee and the same of the being tapes of convergence in the gift of the House, and of course there is a committee and the same of the being tapes of convergence in the gift of the House, and of course there is a committee and the same of the being tapes of convergence in the gift of the House, and of the House, and the gift of the House, and the tribute by a general tax to grade and pave all the balance of the streets. This would be to laws are to be repealed restitution should be made to every citizen who has paid for improving

his own street, and then let all be taxed equally to pay these debts to the citizens, and to make all the improvements hereafter. In no other way would full justice be done, that we can see, if the acts are repealed. We think such a paving law would work well

Serious tears are entertained that the Colina steamer rule, if made general, would desteamer. Pacific, is lost. She has been out twenty-four days, and no word of her is yet heard. The Secretary of the Navy has sent the local tion. Resolutions embodying the same sentisteam brig Arcie, and the steamer Dispatch in ment were laid upon the table. Hon Wm. Big. steam brig tree, and the steamer Dispatch in search of the Pacine. The Dispatch is under ler's declination of a re election to the President half the crop will be left standing in the field the command of Lieut, Crossan, of the navy.

line of steamers yet built. The company lost tion that meets at Philadelphia on the 22d will writers and Merchants have signed a memorial to the Arctic just about this time last year, and probably nominate a candidate for the Presinow the Pacific is out at least twelve days over dency. The indications are that George Law her time. No word has been heard of her since | will be the man. Fillmore has no strength in she left Liverpool. She is symposed to have his own State, though popular at the South quite a large number of passengers on hoard, and a partial list of them has been published in

A good deal is said about the amount paid by the government to this line of steamers for mail But the great cost of the vessels, the risks they run, and the regularity of the service they render would seem to justify a pretty liberal allow- friends are resolved to nominate. ance of compensation if we would have those vessels, of which the nation is proud, still com-

ready chartered five banks, and the Governor January 8... has signed the bills. More are expected to be; passed. Things will go on swimmingly for a while in that territory, and then look out for a cea h and a bankrupt law.
