nesses have been subparted; and the trial will occupy several days. Murder in Washington County .- A fraces occurred in Limetown, Washington county, on Sunday, tetween a young man named William White and another person named Heary Conlin, during which the latter was instantly killed by being stabbed to the heart. White, who is only eighteen years of age, went into Chester's tavern, at the lower end of the Samuel, who was slightly intoxicated. Chostor objected, and while they were talking. Conlin came up the left breast. The knife entered the heart of the unfortunate man, inflicting a wound about an inch large, including \$52,000 for redemption of the public as a word be expired. Larcenies .- A well known vagrant, named Peter Cooney, was committed to jail yesterday, by Alderman Major, for stealing a silver watch, valued at tor or twelve dollars, from Matthew Kelcher. The watch was subsequently recovered at a store in Diamond alley, where it had been left by a person to whom Cooney had sold it. Joseph Kelly, on information of William Bonni-

face, was sent to the same institution, by Alderman Wilson, for the largeny of a whip. Mayor Bingham also sent up a man named Wm Johnston, for stealing a pistol from the cutlery storof Bown & Tetley, Wood street. A valuable revolver (Ells' patent) and a single barreled pistol were found in the possession of Johnston, for which owners are wanted. Any person having lost articles of this description may be able to identify them by calling at the Mayor's office.

A False Lover .- Thomas Cooper was committed to to jail yesterday, for breach of promise, on a capius sued out at the instigntion of Miss Mary Wilcox. From the story of Mary it appears Thomas has treated her in rather a shabby manner. She says that, some time ago he promised to marry her, and on the strength of this promise she procured a large up in jail, where he will probably remain until he more.
