SPECIAL DESPATCH. 1 Western Hospital for the Insane .--- The

38 nays.

HARRISBURG, March 6, 1856. Editors of the Post: The Senate passed this afternoon a bill granting \$20,000 to a lunatic asylum to be located in Pittsburgh. [We presume this is an appropriation for the purpose of add a number of wards for the insane. I The House amondments to the Senate's Li-

INCREASE THE NAVY OR RULE

BRITANNIA. The United States Senate on Monday passed the bill reported by the Naval Committee for the construction of ten steam sloops-of-war. They will cost half a million each, and the bill alluded to makes a preliminary appropriation of two mittee was appointed: millions of dollars. These vessels will be of Dist scarcely half the size of the six frigates ordered by the last Congress, which were of the largest class; but will be nevertheless all the more useful in navigating the shallow waters on our sea-coast. Everybody acknowledges the truth of the maxim that "in time of peace prepare for war," and whether we all agree or not as to the certainty

of a war with England, none will deny that it is within the verge of human probability. How absolutely necessary would it then be for our country to have a marine that could at least make a show of resistance against her powerful fleets. Although our little navy is very efficient. all things taken into consideration, yet it can hardly be said to exist when compared with the innumerable steam vessels of war that are already in commission under the British flag.

The United States Marine, all told, scarcely numbers three score of vessels, including less than a dozen of steamers, and this embraces the six steam frigates authorized by the last Conompare this beggarly array with "the British Naval Force, " a condensed description of which will be found in to-day's paper. It is but as a
