TWO YEARS have clapsed since the intro duction of this valuable near use into the United States puring this time it has gained universal popularity as remoty for In diction of this valuable practime into the United States puring this time it has gained in entersal popularity as remedy for Fever and Aque. Pryspers. sligestion, Headache, Lass of Appetite. De July, Cativeners, Blind and Blording Files.

Many of our most worthy citizens testify to its wonderful efficacy in all affections of the stomach and liver. As a tonic, it never has been equalled, for the rolled it affords in all cases of debility or weakness of any kind is almost instantaneous. In nervous, rheumantic and neuralgic affections, it has in numerous instances proved highly beneficial, and in others offected a decided cure.

When eminent physicians prescribe, and their patients so unhesitatingly recommend, surely we may cease t doubt, and eagerly test its virines for ourselves.

\*\*YEVER AND AGUR.\*\*

\*\*A Cure of Eight Munthal Standing Cural by Derhaus Holland Bitters.\*\*—Michael Kelly, No. 117 Grant, near Smithfield street, says: "Lust July, while running on the river, on a catton beat plying between Natchez and New Orleans, I was staten with fiver and ague. For eight long months I suffered with this dreadful disease. The greater part of this time I was muchic to work, and spent at least fifty dollars for different medicines, but I found no permanent relici. Three weeks ago, one of my fronds husisted upon my trying Boerhaw's Holland Bitters, easying that a cure tous guaranteed. After taking it for one week, I must state I was a sound and I have been at work now for two weeks, and have had no return of the chills and fover whatever."

I certify the above statement is true.
