FRIDAY MORNING FOR PRESIDENT:

JAMES BUCHANAN. DEMOCRATIC STATE TICKET.

CANAL COMMISSIONER:
GEORGE SCOTT, OF COLUMBIA CO. JACOB FRY, Jr., MONTGOMERT Co. TIMOTHY IVES, POTTER COUNT

DIVISION OF MEXICO. A project is on foot to divide the Mexican tion, and form out of its northern States a republic. The twelve northern States that will probably combine for a separate organization are Jalisco, Durango Queratora, San Louis Potosi, Chihuahau, New Leon, Tamanlipas, Sonora, Sinaloa Zaceticas, Aguascalientes, and Guanajuata, and probably Lower California. These States con-Mexican territory, and yet contain less than onethird of the population. A considerable portion of their population, too, consists of Indians and mixed breeds. But the soil of a large portion of abolitionism and know nothingism. it is excellent, and in the possession of the Eurotain vast mineral treasures also, which North

It is certain that the people of those States derive no protection or benefit from the feeble House. Mr. Geyer, the Missouri Senator will government in the city of Mexico. That government in the city of Mexico. ernment has no power to protect them from In. Mr. Seward. Such is the programme for the dian depredations, and no power to promote their present, to be indefinitely prolonged according welfare in any way. It can but tax them, and the Senate may be ready to take a vote on both spend the money in the capital.

The formation of a northern republic out of the northern States of Mexico is probably but a first step towards annexation to the United States. generally to settle in them, and offering free to be settled in Mexico within the present year, is unavoidable; but with this exception, a desome of them going from the United States.

to "play upon a harp of a thousand strings."

Their harp has but one string and the said partments have exceeded the limits Congress in with tended to place upon them. In either case, i count Their harp has but one string; and they saw his position in the South." A Democratic sneeze and usual business of Congress. pinch of snuff and he is a "dough-face." of the Ohio Legislature, declaring that the Mismembers of the Bard, and the disclosures

looks very much like it according to woolly-head Senate. Large Importations. January, February and March, to but \$35,200, formin, going to show that he is utterly unworthy of the respect of any people. A desperate and 366, which was twelve millions less than in the first three months of 1854. But this year the the head of a set of deluded and fanatical men. complaint this people are well and truthfully the head of a set of deluded and fanatical men. compared to the head of a set of deluded and fanatical men. imports have largely increased. Doving the last three months they amounted to \$51,371 are or sixteen and a last three months they amounted to \$51,371 are or sixteen and a last three months they amounted to \$51,371 are or sixteen and a last three months they amounted to \$51,371 are or sixteen and a last three months they amounted to \$51,371 are or sixteen and a last mine and a last three months they amounted to \$51,371 are or sixteen and a last mine and a las or sixteen and a half miller March alone this right and justice. right and justice.

Rumers are affont that unexpected difficulties have arisen among the Black Republicans in their efforts to consolidate and perfect their or, while among the Mrch last, the ganization for the approaching campaign. The whole amount of imports was \$141,784,114. In tone of an article in the last number of the about whole amount of imports was \$141,784,114. In tone of an article in the last number of the also little name time, they were two millions more. In 1855 twenty millions less.

The Eastern papers were predicting a great papers were predicting a great paper while the members of Congress belong apparently both to the Black Republican and of humor that when he rises to speak the House papers while the paper papers while the same time, they were two millions little name to the tone has lost one arm, but in what hattle I am not prepared to state. His countername beautiful amount of the more papers while a same more powing, resembling to red Viscane Nelcontrolled a more papers with good nature, with a rich mine of humor that when he rises to speak the House of humor that hum increase in all branches of business, and a time Know Nothing parties, and they have made ef of unsurpassed prosperity; and they think the forts to incorporate a Know Nothing plank in for the blandness of his manner, with the drole

The bites of rabid mads also are as speedily neutralized.

Note granuine without a steel-plate engraved label, with HENRY DALLEY, Manufacturer,

Sald at 25 cents per box by Dr. GEO. H. KEYSER, 14 47 From the N. York National Monitor February 24.—HYGRAN VAPOR.—Dr. Curtis has done more amelicrate the condition of humanity afflicted with lung implaints, than any other practitioner of medicines th struggled with the secrets of the moteria medica, for the last century, by the invention and perfection of an instr ant that will convey to the lungs a medicine in the shap of a linghity Medicated Vapor, which acts directly on the case, and not, as hitherto, by sympathy. Those who ar troubled with discuses arising from disordered lungs, will ibserve their interests by giving the Hygean Vapor a trial Quillion .- I'r. CURTIS' HYGRANA in the
