THE following article from the London means simply, we should judge that we, the Allies, having humbled Russis, shall now turn our attention to the United States, and treat it in the House of Representations Friday, April 18. The Speaker called the House to order at th same way, if it hoes not assume speedily a more and bow to the dictation of the very minute, members in their seats determined Allies, which is pompously styled "the world's to work with energy, as there is but another day The United States and Russia. to the license of beer houses, came up for final The war has just lasted long enough for the te can do) a strong speech in behalf of the bill, having substituted their own. The Crar is expected in behalf of the pull, from the skin, leaving it of a soft and the pelled from the Principalities, and now the Portectaks of the elicits of Mahomet, II., and is related to oppose anytoreign interference in Molsolwal to oppose anytoreign interference in Mol do-Wallachis, just as if four centuries were a dream. The Sultan publishes an edict which does little more than recapitulated what was granted to the Christians many years since, and though we have been talking for three years of reform and representation, wet we are told that it is a more ed to the Christians many years since, and though we have been talking for three years of reform and regeneration, yet we are told that it is a mere internal arrangement, and that its execution must not be guaranteed by treaty. Servia and Montenegro are no longer under Russian influence, and we have no reason to believe that any ence, and we have no reason to believe that any the people should remember him in a more subtracted will take its place. In fact, stantial way than mere words. Old Berks would ence, and we have no reason to believe that any foreign protectorate will take its place. In fact, the Turk has kept us to our word about the independence and integrity of his empire. We promised that; he in return made no stipulations, in him have a faithful man in Congress. The vote was taken on the bill regulating beer promised that; he in return made no suputations, and will try to make no consessions. As far as we can at present judge, our Eastern allies have cause to congratulate themselves, and will, no doubt celebrate the advent of peace with greater license, and resulted as follows: -45 to 44. We judge for themselves who are for them. On the s of Inspectors

YEAS.—Messrs. Beck, (York,) Beck, (Lycoming,) Bernherd, Boyer, Brush, Campbell, Carty, Coburn, Craig, Edinger, Fulton, Getz, Hamel, Hancock, Heins, Hibbs, Hillegas, Hipple, Huneker, Innis, Johns, Lebo, Leisenring, Longaker, M'Carthy, Magee, Menear, Nunnemacher, Patterson, Pearson, Ramaev, Reinhold, Roberts. sudden a check in its long career, it would be expected, perhaps, that other nations would take warning. Unfortunately the national virus, for sh we must call it, which, after working a century in the constitution, breaks out in a violent form, and demands this rough remedy, is so sub-tle, so fertile in flattering illusions, and so apt to terson, Pearson, Ramsey, Reinhold, Roberts, Salisbury, Shenk, Smith, (Allegheny,) Smith, (Cambria,) Smith, (Philadelphia,) Thompson, Walter, Whallon, Wright, (Luzerne,) Yearsley, tie, so fertile in flattering illusions, and so apt to assume an apparently exceptional form, that the most fearful example may be lost upon it.

There are two empires in modern times which have been regarded as similar in many substantial circumstances, and even in some points of policy, and which have ever cherished themselves the idea of their similarity. Russis and the Watter, Whallon, Wright, Speaker—45.
NAYS.—Augustine, Backus, Baldwin, Boyd, Brown, Buchanan, Caldwell, Clover, Crawford, Dock, Dowdall, Fausold, Gaylord, Gibboney, Haines, Hamilton, Hill, Holcomb, Housekeeper, Hansekeeper Impris Ingham Johnson, Lanorte. the idea of their similarity. Russia and the United States have avowed a sort of particular respect for one another, as the Cossack and the Republican in the political scale. With the sin-Hunsecker, Imbrie, Ingham, Johnson, Laporte, Lovett, M'Calmont, M'Comb, Maugle, Miller, Montgomery, Moorhead, Morris, Mumma, Orr, Montgomery, Moorhead, Riddle, Smith, (Wyo-Phelps, Purcell, Reed, Riddle, Widelt (Tangle exception that they carry out the opposite stremes of government, though equally without constitutional balance or check, they equally ming.) Strouse, Vail, Wintrode, Wright, (Dauphin.)—44. The question was determined in the affirmaboast unlimited territory, rapid growth, great mittary success, and an opinion of their resources and prowess which has hitherto met with no cheek. They have hitherto been equally conbeing the order for to-day.
1122. H. An act to extend the equity jurisfident of their destiny, that old stumbling-block of new nations. They have equally fostered maxims that cannot be admitted by their neighdiction of the Courts of Common Pleas in certain cases. Passed.
1183. H. 207. S. Resolution proposing amendbors without a sacrifice of self-respect. ments to the Constitution of the Commonwealth.
This bill comes from the Senate, where it passed since the year 1775 the two governments have and has been up for consideration in this end of the Capitol. It went over for the present.

1230. H. 222 S. An act to authorize the sale American Sensot, the sensot of of the stock property and franchise of insolvent corporations. Laid over.

1231. H. 654. S. An act extending the jurismoment when the one bubble has burst, when Russia's dream of irresistable power and endless dominion has been rudely and finally dispelled, the other Power, the self-beasted parallel, the Bussia's dream of irresistable power and endless dominion has been rudely and finally dispelled, the other Power, the self-beasted parallel, the brother in boundless pretension and special immunity, so far from taking warning by the fate of its compear, is at this moment verging to the of its compear, is at this moment verging to the of its compear, is at this moment verging to the acknowledgment of deeds and morting to the acknowledgment of deeds and de 616. H. An act to prevent the impriso ect of which is the assumption of a political losition above all the rest of the world. of witnesses in certain cases. Passed. 616. H. An act relating to abandoned and condemned turnpike roads. Passed. The Bank of Tioga was reconsidered, and We believe there never was a time since the beits final passage the yeas and nays were demanded, resulting—yeas 46, nays 46. So the bill fell.

The Bank of Harrisburg came back from the Senate with House amendment stricken off. The question was, will the House recode. On this the years and nays were taken resulting 59 to 87. of their regard for nning or numery when there was not one, or ore than one State, which conceived itself either inganious, or so united, or so martial or so pious, inganious, or so united, or so pre-eminent for or so favored by Reaven, or so favored by Reaven at the favored by Reaven at the favored by Reaven a y ailied itself with ties in the same boat. to show that our now fallen upon kinsus, even as use manus of neighbors who have good reason to admit the martial strings and the almost unlimited resources of the deliminent. Is it possible that any other empire in the world, especially that empire which any its left with Rassia and claiming the benefit of the Russian trample, should choose the benefit of the Russian trample, should choose would be to transfer capital to the city instead of empire in the world, especially that empire which is even mathematically fixed with Russia and claiming the state of the Russian example, should choose the benefit of the Russian example, should choose this very time for asserting its most preposter one claims? All Europe is now resounding with the grateful notes of peace. Every State rejoices and one of them not long since did suspend to au the since the "Plies grangs," Bids with Extraction and since the "Plies are known by the heat, inching so the suspend to au the since the "Plies are known by the heat, inching to the whole long them of the whole heat the "Plies are known by the season sans. Biocdiag plass are ca would be to transfer capital to the city instead of baving it at the place for which the bank was a created. Philadelphia banks are no better than others, and vary often we hear of them failing, or worse, the more polite expression, suspended; and one of them not long since did suspend to au indefinite time and to this day has not resumed. n, has got one tumlet him fall "slap to give its own law to the world, and as chart to be brought under the world's law, as that which has just made its timely submission to a Europ can Congress.

The world stand by their own frown down this class logislation for the city. It gives me pleasure to notice the many com-pliments bestowed on the superior management of the St. Charles Hotel. Is is a matter of just Pittsburgh and the Pennsylvania Cen-tral Railroad. pride to Pittsburghers to find the traveling pubaugust majesty, the communication to an evening contemporary lie commending the hotels of your city. There is probably no other city in the Union better we would hold any corporation) to the strictest supplied with first class hotels than your own. constability, there is no disputing that her They are the pride and boast of strangers, go accountability, there is no disputing that her prosperity is, in a measure, our prosperity, and therefore all attempts to excite unjust prejudice against her is unwise:

The contest now going on in the West between the four great Eastern Roads, for the business to New York, and the largest amount (particularly from the York, and the largest amount (particularly from the South West) going by our own Pennsylvania Road, is axiding the Raitimore and Ohio Road to renewed is axiding the Raitimore and Ohio Road to renewed in a service of the office stands without a rival in his attention and kindness to all. Such a man is invaluable to any well regulated house. his pligrimage; but The King of Algiera suffered to fall on the the contest now going on in the West between the four great Eastern Roads, for the business to New York, and the largest amount (particularly from the South West) going by our own Pennsylvania Road, is exciting the Baltimore and Ohio Road to renewed already started that it assistions. New York being the great point to which exercises. New York being the great point to which exercises. New York being the great point to which exercises the particular of the services of the serv valuable to any well regulated house.

The servants are what they should be, attenis exciting the Baltimore and Ohio Road to renewed assertions. New York being the great point to which assertions. New York being the great point to which serventy-five per cent, of all our Western merchants resort, the Baltimore and Ohioroad have reduced the fare to that city, to one dollar less than any other fare to that city, to one dollar less than any other than the extense purpose of bringing the busiliddings for one of its itten by "uncle Josh," andidate for the Presiog from them. One fact, western merchants may be made to encose this route, thus bringing them into our market to purchase our iron, nails, glass, white lead, cotton yarn, &c., &c., thus affording us a business of thousands of dollars, which would otherwise be directed to Wheeling or Ruyals. The rabble of isms have Virginia, has written A CONTRAST.—At Montgomery, Alabama, some ed in the New York Heras follows of Mr. Buchan-

York, send us the first number of "The Gity Architect." A number of original designs for stores, dwellings, &c., adapted for villages as well as cities. They are gotten up by Wm. H. well as cities. They are gotten up by
Ranlelt, a celebrated architect, and the present
work will be completed in twenty numbers, at
26 cents per number.
