The Pittsburgh Post

TUESDAY MORNING APRIL 29 FOR PRESIDENT JAMES BUCHANAN

DEMOCRATIC STATE TICKET.

CANAL COMMISSIONED GEORGE SCOTT, OF COLUMBIA CO. AUDITOR GENERAL JACOB FRY, Jr., MONTGOMERT CO. TIMOTHY IVES, POTTER COUNTY.

rendence Hall to welcome Mr. Buchanan in. All the Philadelphia papers condemn it as a latterly so rapidly declining that all hopes of his mean thing, and a disgrace to that city.

It next publishes Prof. Silliman's letter, wherelen' its columns to the vindication of that dis-Fitch, previous to his departure for Europe, and graceful scene continued during the winter under the care of

the "shrieks for freedom" let off daily through Dr. Fitch's system, enabled him to treat the case the columns of the Journal. It thinks we want with so much success that the boy's cough has s gag law in Ponnsylvania. We are not conscious abated, his night sweats have long since ceased, of any such want : but such a restraint on the his strength has greatly increased, and he now "sbrieks" as a little common sense and a slight weighs nearly or quite a third more than when regard for truth might suggest, might not come Dr. Fitch first saw him. We can ourselves name a miss.

a young lady in Allegheny City for whom Dr. Then the list of democratic candidates for the Fitch prescribed some two years since, speedily Presidency pass before the affrighted vision of | relieving her of a cough of more than a year's our neighbor. He is reasonably afraid of the standing, and to another person, a Mr. Rogers, whole of them, but devotes three articles mainly now in California, who, when he visited Dr. to Mr. Buchman : and hence we infer that he Fitch two years since, was carried to him at the fears him far more than all the rest. There is hotel, being hardly able to support his weight engaged on the other side of the Atlantic ; but upon his fect. Our informant, a man who was The Wheeling billge, too, comes in for a little working in the same establishment with the sick

renound Moretwould doubtless have been said, man previous to his illness, said he gained like int Greeley has forbidden it, so but neighbor ; magic "and is now as hearty as a brick." We the small" on that subject for the whole the Journal of Monlay was an Ohle, which we shall publish in a week or two, es l'a ung'y ill-natural paper, an i not a bit more showing Dr. Fitch's success in his own case after

e tylic than the awall we \*\*\* LOTENT OF OUR NEIGHBOR -- The Gazer's of poster any national moments over what it calls the sources of Dr. Fitch's success in that neighbor filen life in Brownsville mentioned to us an interde. + ... of the Philadelphin North American houd. In fact we see almost every week in our

and U. S. Gazette. It gives it up that that able, exchanges some notice of Dr. Fitch's skill, which ratked among the abolition and K. N. papers of the entropy of the lay before our readers. Unthe country, and it is grioved at the fact that in the country, and it is grioved at the fact that in the the coultry, and it is grieved at the fact that in the griest sty of Phriadelphia not a single news-puper advice the trigger block of cause. Such as he for a block for a spin to could find the proposes which give it such man ment value us prep and a single influen- fest superiority over all other plans hitherto the paper these of some the K. N. cause er-

To Table, which is in favor of Filinore is reported to et a Dorchon - That "republican" party is a primation, " the Invalid's Guide and Consent To stern - Its "Shiteks for freedom" have de la primation, " the Invalid's Guide and Consents pusted the pepper lie extravagant fausticious. There the principles of his treatment are laid rive alarmed the friends of the Union, and of down, and all interested in this important sur-Galestic pence and law and order. Its Sharpe's ject would do well to pussess themselves of the i do incortings to churches, and Miss Dutton and little work. The Doctor regards consumption

that respectible rewspapers, like the

ment of Pulmonary Diseases. The editor of the Evening Chronicle a few days reply to the welcome of the citizens of Philadel- for James Buchanan for the Presidency. It putsince in an article referring to the importance of phia of all parties: specialities in medicine, alluded to the case of a . I scarcely know how to express my feelings man which appeared in the Post some time age,

Peculiarities of Calvin M. Fitch's Treat-

wealthy farmer, a well known citizen of Fayette county, whom he had recently met and who, on the occasion of Dr Fitch's former wight former wight for any kind fellow-officients I have not discredited of my kind fellow-officients I have not discredited or my kind fellow-officients I have not discredited or my kind fellow of my kind fel the occasion of Dr. Fitch's former visit to our of my Kine lettow-quarens a maye, not uncontrol destructed earnestly. After speaking of the enthusiasin the occasion of Dr. Fiton's former view of a state of the see him so much reduced from a [Applause.] [ with which the Buchanan movement is carried long continued cough, night sweats, &c., that he on in our State, it says :

MR. BUCHANAN'S SPEECH.

was carried from his house to the boat and from the boat to Dr. Fitch's rooms, yet who has now to the sentiments you express. I have been a not as party men. I respond, with all my heart, to the sentiments you express. I have been a menning. The name she presents is that of a states so completely recovered that he looks as if he had never known a days' sickness, weighs 175 or 180 pounds, and was able enough to do the work TINGTILY IVES, Portre Coustr. THE Journal.—Our neighbor of the Journal The Journal.—Our neighbor of the Journal the matter for yesterday's issue. He ap-plauds the conduct of the Know Nothing Coun-the journal, insamuch as the patient was the son of a neighbor and initate friend, and has the matter for poper law of law and was able enough to do the work the pounds, and was able enough to do the work the partice of a full hand in the harvest field last year. The Cleveland Herald of last week publishes a case of still greater interest, coming under the immediate notice of one of the proprietors of that journal, inasmuch as the patient was the son of a neighbor and intimate friend, and has of a proprietor all the poor of the whole country. [Expressions] Whenever the Democracy have presented a candidate the poor of the whole country. [Expressions] Whenever the Democracy have presented a candidate the poor of the whole country. [Expressions]

son of a neighbor and intimate friend, and had of approbation.] from the age of two years been an invalid, and I confess that I have been astonished at the function of the probation.] reception which the good people of my country reception which the good people of my country have given me, since I landed upon these shores. Without distinction of party I have been received the residential chair—she now presents the name of a first-class statesman—one for whom his native State will yote by an overwhelming majority—one recovery had been lost. The case is so remarkable that we shall hereafter give it in detail. We at New York as an American citizen -- the proud- whose popularity is second to that of no other man in to tries to justify the Miss Dutton church and will only add that the lad, now thirteen or est title in the world. [Continued outbursts of in the Union-one whose nobleness of nature is un rife meeting. It is one of the few papers that fourteen years old, was prescribed for by Dr. [applause.] The same course has been pursued mixed with any shade of unworthy feeling-on towards me in in my passage through New Jer- whose heart is attuned to the spirit of our progressiv

warmest and tenderest emotions. I have received the most cordial welcome of all. I have been abroad in trying times, it is true; Then the Post gets a slap for interfering with | Dr. Sykes, whose thorough acquaintance with | the most cordial welcome of all. I have been abroad in trying times, it is true; but the great principles which have guided my and a dete onduct abroad are these duct abroad are these: Peace, commerce, and honest friendship of Must States which pretend to have no preference in the states which pretend to have no preference in the states which pretend to have no preference in the states which pretend to have no preference in the states which pretend to have no preference in the states which pretends the states wh

with all nations, entangling alliances with none." "Ask for nothing that is not clearly right, in allogether ignore the arguments of the patriotic frien r intercourse with foreign nations, and submit of James Buchanan." our intercourse with foreign nations, and submit o nothing which is wrong.

These are the two leading maxime of the great political apostles of our country; and as long as we act upon such great and glorious principles, we are sure always to be in the right. [Applause.] Gentlemen, it is hardly proper for me to speak

I have been asked, repeatedly, is there danger of warf I think not. But it is simply because I think our country

to be so clearly and decidedly in the right on t nestions involved between the two countries that the British people never will consent to have just received a letter from a gentleman in ritate them into a dangerous condition for both parties. Our commerce now coversevery ocean ur mercantile marine is the largest in the work e have the greatest interest of any natiohe had been given over by his physicians to die of earth in preserving peace. We ought to cult consumption , and not an hour fluce an editorial vate peace with all nations. But there is an

erest superior to all these considerations, and that is-our national honor. An l, if war show onsue-I feel no apprihension of danger of the present moment-if the national honor of thi seople should ever be insulted by any government upon the face of the earth, I know that the merchants themselves, who would have the great est sacrifices to make, would stand by the c ry at the expense of every thing human. (Ex

ressions of approbation.] I can conceive no danger. Our example is great and glorious example There are when the sound of my vice who share am the millions of human beings on this vast con-To these inquiries, Dr C M Fitch's recen cent, the privileges and immunities of the i free and the most gland as povernment that of risted. Wellpura North American, the New York Sun, d numerous other papers heretofore whig or LIVER BEV Sympathy with the fauatics dione of 4,000,000 c [orel pe pie. Such is evi remedies to the exclusion of local measures, so my confident prayer- and it is not solemn. a den, y the spint a in Philadelphia, and the result ; Dr. Fitch holds that the treatment of disease : of their municipal election in a few days will

The LUNCES -- ICla known that the Mayor and has raty of the Councils of Philadelphia are : Know Nothings. They voted down every reso-Euclan in They even voted down a proposition to allow him to receive his friends in Independence insum though it was a courtes jeachaget to hat human instances sup-bosed that hy such means they could do him an insum the diet, and every means taken to sustain human insury. The New York Tones, which is strongly general strength. Other diseases which may crossed to Mr. Ruchanan nolitically, has the following remarks on this subject :

"The Americans, who have a majority in the Phil Me plata Councils, appear to entertain a bitter feeling panded as to prevent a farther deposit of tubur-

The North American (Whig) condemns the ac- and at the same time fortify himself against colds. State. The North American (Wing) condemns the act of the seen that Dr. C. M. Fitch rides overflowing feelings of my beart. I wish Lead to be the first built target the seen that Dr. C. M. Fitch rides overflowing feelings of my beart. I wish Lead to be the first built target built for the seen that Dr. C. M. Fitch rides overflowing feelings of my beart. I wish Lead to be the first built for the second to be the second to be the first built for the second to be the first built for the second to be the excess of meanness and disgraceful to the city of of the critizens of Philadelphia to give Mr. Bu. for every malady under the sun, although he ad. chauan a most cordial welcome, and it was done | mits its value as an adjuvant in the treatment of seldom equalled in this country.

And Low we predict one other result. Next the exclusion of everything else. He does not week comes off the municipal election of Phila. content himself with Inhalations alone, nor with if not ten to the Democratic vete Mark the prediction.

THE REACTION - The New York Tribune of a other practitioner Dr Fitch possesses singular late date candidly admits that there is now a energy and industry and habits of close obserstrong reaction going on all over the country in vation, and the multitude of cases which he ex- Forney, Robert Tyler and Josiah Randall Mr. Bank flux, Mergantown, Vuginia, favor of the democratic party. It points to the amines each month, gives him necessarily more | Randall closed the interesting proceedings with result of the late elections in New Hampshire, experience than most practitioners can acquire an address of great power and eloquence Rhode Island and Connecticut as proof of it, and in a year. Indeed we doubt whether there are The following is an abstact of his subseque it professes astonishment that such should be a many physicians in our country who see as many speech at the Merchants' hotel. the fact. It speaks too, of the democratic tri-umphs in the north-western States as another Fitch prescribes for every usek, and this gives widence of an estonibling reaction bin an opportunity to modify and this gives

evidence of an astonishing reaction, and declares him an opportunity to modify and adopt treatitself unable to account for it. It could easily account for it if it would The could not otherwise attain. people are just coming under the benign influ The facts above given will, we think, account scenery and beautiful towns; in her bounte-un-ence of that "sober second thought" that dissi- for Dr Fitch's success. We should not have tures, and in her domestic commerce and minet

pates popular delucions, and scatters to the dwelt upon the subject at such length, but that al resources, but especially great in her suber winds the humbug of slavery extension. When, we consider it one of great importance, the more that "sober second thought" has acquired full. So at the present time, inasmuch as Dr. Fitch is more that "more reading and the sole of the sole of the second thought" has acquired full. So at the present time, inasmuch as Dr. Fitch is that "sober second thought" has acquired full. So at the present time, inasmuch as Dr. Fitch is the sole of supremacy in the American mind let the advo- now on a visit to our city, and an opportunity is mence applause ). She has always been fam-t

cate for civil war in Kausas, of a dissolution of offered to our citizens to avail themselves of his for her uniform regard for the broadest principles the Union, of eternal enmity between different skill, which can but rarely occur. We under of religous liberty or rather was so until two sections of the Union and of perpetual agitation stand, however, that Dr Pitch is about to open wears ago. (Laughter and applause.) But in this fact to diseases that the population bever thought of cf a mere abstraction, look to themselves. The is permanent western office at a point much more short time every vestige of it would be swept into a people cannot be long misled, and will sternly accessible from our city than New York, and oblivion. The coming election would dispose MURE-we are led to put implicit faith in it rebuke those who have labored so diligently and we shall make the particulars known as soon as of it and restore to its original triumph, the foundulently to deceive them. Agitators, however, we ascertain them. finu-lulently to deceive them. Agitators, beware we ascertain them. of the "Ides of November." That "astonishing -Since the above was in type we have read a reaction" that the Tribune speaks of will over. letter from one of our subscribers who consulted These would increase the grandeur of this Repub-

whelm you. The Tribune's candid admission is Dr. Fitch when here last, and was by him rebut another evidence that the currents of the lieved, in less than a month, of a cough of some and in time, break the chains of slavery all over public mind are all setting strongly against you five or six months standing. Our correspondent the earth. also mentions the case of his father, a gentleman all over the country. ....

THE citizene and public authorities of Baltimore at the same time for an asthma of long standhave tendered to Mr. Buchanan the hospitalities ing, experiencing, notwithstanding his age, very ble breath when by using the "Balm of a Thous of the city and a public reception, on his way to great relief from his treatment. We shall publish the letter at some future time. Washington.

THE Baltimore Sun, heretofore neutral in politice, pays marked attention to the flattering reception Mr. Buchanan is everywhere receiving, since he reached his native | hores.

was more promising than at the present season.
