TIMOTHY IVES, POTTER COUNTY. Democratic State Central Committee. The Democratic State Central Committee of Pennsylvania will meet at Pittsburgh, at the St. Charles Hotel on Monday, the 26th of May, at 10 o'clock A. M. Important business should secure a general attendance. J. W. FORNEY, Chairman.

DECIDED RIGHT. The Stockholders of Pittsburgh and Steuber ville Railroad decided yesterday, by an almost unanimous vote, to lease the road on the terms proposed. That insures the early completion of the road, including bridges, stock for running and all. The road will now be speedily completed, and will jet prove one of the best paying roads with which he city and county are in any way connected that a cent will be lost by it in the end by areveal sholder. It will be one of Pittsburgh's best enterprises. It will prove profitable to the lessees too. The attention of New York is turned this way now, and this will inevitably be the great East and West route of the Union. We believe the city and county have nothing to

THE VERDICT OF GOOD JUDGES.

Says Prentice's Louisville Journal: "The romance of country life was never taken off more resistlessly or gentally than in these lively papers. They are a merry, roguida protest against the whole world of rural literature, from the siyle and bucolies of Theoritus down to the charming pastorni tales of Alice Carey. They will be read by everybody with an exquisite reliab. The humor of Mr. Cozzens, though rarely flashing into wit, is sustained and spirited, and continually flays over rends of golden sense. Undoubtedly he is destined to become -un of our most popular writers."

DYSPEPSIA.

Nature finds no new enemy to combat, with this delight-tal tonic in the system. Its effects are almost magical, yet the cure permanent. It communicates no violent shock to the system, but by aroung its wind energy to normal ac-tion, enables it to throw off the cause, and thus thoroughly tion, enables it to throw off the cause, and thus thoroughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular a family medicine, that it is sold by many of the grocers as well as all the druggists. It would seem needless to offer further evidence, yet as there are doubtless some who have tried many advertised remedies, and still suffer from Dyspepsis in one or more of its dreadful farms, we subjoint the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

Wm. schuchman, Esq., the well known lithographer, says: "I have frequently used Borhard's Holland Bitters, and find it invariably relieves indigestion and debitity."

James M. Murphy says: "After several physicians had failed, Borhave's Holland Bitters removed the pain from my heart and side, arising from indigestion."

The editor of the Kittanning Free Press says: "After one of the best physicians in this place had failed, Borhave's Holland Bitters cured me of the worst form of dyspeptia."
