LOCAL AFFAIRS.

TUESDAY MORNING.....MAY 27.

State Central Committee.

THE State Central Committee met at the St. Charles Hotel at 10½ o'clock, A. M., yesterday. John W. Forney, Esq., the Chairman, called the Committee to order. The following members of the Committee were present:—David Lynch, M. I. Stewart, F. J. Keenan, J. L. Jamison, R. P. Hamilton, Charles L. Lamberton, Wm. Workman, J. W. Breading, D. F. Sloan, Robert P. Cochran, Wm. S. Garvin, Wm. G. Murray, Joel B. Danner, Andrew Hopkins, Thomas J. Timmons, Wm. Rice, Geo. Plitt, G. G. Westcott, H. B. Swann.

After the transaction of business Committee adjourned to 5 o'clock, P. M.

At 5 P. M., Committee met. Same members in attendance, and adjourned to meet in Cincinnati on Saturday next.

J. W. FORNEY, Ch'm'n.
G. G. Westcott, Sec'y.

Meeting of Councils.—Common Council.—A communication from residents on Prospect street, relative to laying water pipes, was received and referred to the Water Committee.

Also one of a humorous character from property holders on Pike street, calling the attention of the City Fathers to the condition of the sewers and gutters in that vicinity.

A communication from Col. George W. Cass, President of the ohio and Pennsylvania Railroad, in relation to the consolidation of that road with the Fort Wayne and Chicago roads. A Committee of five was appointed to examine into the matter with reference to the interests of the city, which is a large stockholder.

The second section of the ordinance granting the right of way to the Allegheny Valley Railroad through the city via Pike street came up. A motion was made to postpone indefinitely, which was lost by a tie vote.

Mr. Quinn offered a substitute for the second section, which was adopted by a vote of 16 ayes to 9 nays.

Third section adopted by a vote of 13 ayes to 12 nays.

When the fourth section was read an amendment was offered prohibiting the Company from going on until the Legislature has passed an act for the widening of Pike street to sixty feet, which is to be done at the expense of the Company. Adopted by a vote of 20 ayes to 5 ayes. As amended it then passed—ayes 17, nays 8.

Fifth section passed without a division.

Sixth section passed without a division.

Seventh section ditto.

One substitute for the eighth section was offered and voted down. An amendment giving the Company two instead of five years to open up, widen Pike street and pay damages, was adopted. It then passed as amended.

It then came up for its third reading and final passage, when a motion was made to reconsider, which was lost—yeas, 13; nays 14.

On its final passage the vote was as follows:

AYES—Messrs. Bennett, Brown, Errett, Evans, Glenn, Griffin, Hill, Hutchison, Kelly, Layton, Little, McAdams, M'Clintock, and Riddle. Total 14.

NAYS—Calhoun, Duncan, Dickson, Dalzell, Herdman, Irwin, Kammerer, Kim, McKelvy, Quinn, Scott and Marshal, President. Total 12. Adjourned.

Select Council.—This body concurred in the action of the other chamber in all general business. After this came up the Allegheny Valley Railroad matter. The first section as passed by Common Council concurred in.

On the second section coming up which reads as follows:

"The said railroad company shall, under the direction of the city authorities, grade the streets on which the said road shall pass; also pave the unpaved portions thereof with cobble stones, and keep the same in repair. Said company shall conform to the grades of the streets now or hereafter established by the city authorities, and shall lay their tracts and construct crossings and water courses necessary on streets and alleys, and under the direction and subject to the control of the city authorities."

A number of members contended that the true construction would compel the company to pave *the entire length* of all the streets which cross Pike street. Others contended that it meant only to pave that part of the streets *which cross it*. A very windy debate on the gramatical construction of this section here took place. An amendment to strike out the section was lost by a vote of 6 yeas to 5 nays. It then passed after striking out the amendment of the C. C.

A motion was then made to pass the original ordinance with the exception of the amendments reported above. Passed.

Adjourned.

Lively Caught. High Constable King started for Baltimore Sunday night for the purpose of taking into custody a fugitive named Daniel Hershberger, recently arrested in that city. Hershberger was formerly salesman in the clothing store of Mr Cann, No. 222 Liberty street, and it is charged against him that during his connection with the establishment he stole goods from the proprietor to the amount of some $400. Mr. Cann, immediately on discovering his loss, pursued Hershberger to Wheeling, and ascertained there that he had disposed of some $200 worth of the stolen property in that city after which he started for Baltimore. He made inquiry concerning his whereabouts in the latter city, leaving the number, &c., of the house at which he was stopping, he communicated the fact to the police here, and they telegraphed to the Baltimore officers to arrest him as a fugitive from justice. They did so, and he is now awaiting the arrival of King, who will bring him to this city for trial. There are other serious charges about being made against him, but as they have not yet been fully made out, we decline noticing them for the present.—*Chronicle.*

Death from Taking Laudanum.—The Coroner held an inquest upon the body of a girl named Martha Taylor, who died suddenly on Sunday night in a frame house on Prospect street, occupied by a Mrs. McWilliams. She had been living a dissolute life for some time past, and a couple of weeks ago gave birth to a child. Against the injunction of the Doctor, she took opiates, which, he testified, was the cause of death. The jury rendered a verdict that the deceased came to her death from inflammation of the stomach, produced by causes to them unknown. The child was taken charge of by the friends of the girl, who are said to be quite respectable folks.

Hon. David R. Porter, Hon. Hendricks B. Wright, Maj. S. S. Jamison, Gen. Henry D. Foster, Col. Alexander McKinney, John C. Montgomery, Esq., Mr. Sloan, of the Erie *Observer*, Gen. Richard White, and a large number of others, are in town, on their way to Cincinnati. A number of these gentlemen left this morning in the 3½ o'clock train.

In pursuance of previous notice a meeting of the democracy of this city was held last night at Wilkins' Hall. Arrangements were there made for the reception of delegations passing through this city to Cincinnati.

C. & J. H. Shoenberger vs John L. Miller & Co. Action, breach of covenant. The defendants, on the 6th day of September, 1854, agreed to furnish plaintiffs with one hundred tons of Franklin furnace pig metal, as soon as navigation would permit, equal in quality to the metal of said furnace that had been sold in this market, for which, plaintiffs were to give them a note for $3,500, payable four months from the date of agreement. On the delivery of the metal they were to settle for it at the market price of that quality of metal, or at whatever price the balance of the lot would sell, at the option of plaintiffs, if sold to others than Alex. Miller, less than two dollars per ton, which distinction was to be made in consideration of the advance made on the back of the agreement. The defendants receipted for a note of $3,500, with one month's interest, making $3,517 50, and stated in the receipt that it was for the above named metal; also if there was not metal enough to meet this amount, defendants were to make it good. The defendants delivered only eighty-six tons of the one hundred agreed upon, and this action is brought to recover the amount the defendants agreed to make good in case of failure to meet the contract. Loomis for the plaintiffs, Cochran for defendants. Jury out.

Rev. Isaac Williams vs. the African Methodist Church of this city. Action to recover $250 55 due him for services rendered as pastor of the church. On trial.

The Presidency—"Rusk & Hunter."

GENTLEMEN.—The editors of the *Post* having refused to publish the following, or anything that would militate against Mr. Buchanan, I will ask it as a favor, inasmuch as those not in favor of the "favorite son" are shut out from the would-be organ of the party, if you would give this an insertion in your independent paper.

Truly, R. H. KERR.

DEMOCRATIC NATIONAL CONVENTION.—The friends of Gen. Rusk and Hunter for President and Vice President, are requested to meet at "Oak Cottage" on Monday evening, 28th inst., at 7 o'clock, to make arrangements to attend the Convention of the 2d June. No city dictation.

The above we find in the *Chronicle* of yesterday, neither the object nor the writer require further notice at our hands. We are for James Buchanan and the Union, and not for "Oak Cottage." We are sorry to differ with our diffusive friend Kerr; but the country demanded cession and unity, not new things nor new men.

In Town. Mr. Baily, better known to our citizens as "Old Baily," is in town. We learn that it is the intention of his friends to give him a complimentary benefit some night this week. We hope that his friends, and their name is legion, will come forward for the benefit of their old townsman. We understand that the benefit will take place on Saturday evening next.

FINDING it impossible, from the accumulating demands upon his attention, to be at Pittsburgh as early as he had designed,

CONSUMPTION, ASTHMA AND CHRONIC BRONCHITIS.

In the Second Stage of the Complaint the Employment of APPROPRIATE

Constitutional and Mechanical Remedies and Medicinal Inhalations has given him a degree of success which can never attend a partial imperfect treatment of those diseases. And DR. FITCH feels himself fully justified in asserting that when disease is so far advanced that the strong constitution fails, no other course can afford relief.

DR. FITCH may also be consulted for CATARRH, either in the head or throat, by the same line of local applications, by means of throat and nasal syringes, together with the observance of necessary general measures, enables him to relieve in cases oftentimes of a year's standing. He may be consulted for Dyspepsia, and Chronic Inflammations of the Stomach and Bowels, and for Female Diseases, which the employment of appropriate mechanical appliances, enables him to treat with almost uniform success.

DR. FITCH will be assisted by his associate, DR. J. W. SYKES, who will be with him after the 10th of May, and with whose assistance he hopes to attend to patients from a distance, with less fatigue than has heretofore been unavoidable. Should DR. FITCH be under the necessity of leaving on the 1st of June, instead of remaining till the 12th, the appointment will be concluded by DR. SYKES, who will remain until Saturday evening, July 12th.

To accommodate his increasing and extensive Western practice, DR. C. M. FITCH will open in June next, a permanent office, at BUFFALO, New York, where he will be, after leaving Pittsburgh, and where all communications will hereafter be addressed.

DR. CALVIN M. FITCH wishes it expressly understood that he has no longer any business connection with Dr. S. S. FITCH was unfortunately persuaded to pursue during DR. C. M. FITCH'S absence

THIRTY-FOURTH CONGRESS.

FIRST SESSION.

WASHINGTON, May 26.—*Senate*—Mr. Pearce, from the Special Committee to investigate upon Mr. Sumner, stated that it was found impossible to pursue the investigation properly without the power to send for persons and papers, and asked that such power be given the Committee. Agreed.

Mr. Weller presented a petition signed by 75,000 citizens of California, bound in two large volumes, asking that a wagon road be constructed to connect California with the Atlantic. He urged the importance of the measure.

Mr. Weller also introduced a bill for the construction of a military road from the western boundary of Missouri to Carson Valley, and another for the construction of a military road from El Paso to Fort Yuma.

Mr. Pugh addressed the Senate relative to Kansas matters.

Mr. Pugh objected to the proposition of Mr. Seward to admit Kansas into the Union under the Free State Constitution, because of the small number of her population, which did not exceed 24,000, and because the Topeka Constitution received only 719 votes. He pursued a course of argument similar to that of the supporters of the Douglas Bill, and was very severe in his remarks on the Emigrant Aid Societies. He gave reasons why he could not obey the instructions of the Ohio Legislature, and replied to the arguments of Seward and Sumner.

Mr. Seward introduced a bill to authorise protection to be given to citizens of the United States who may discover deposites of guano, which was referred to the Committee on Foreign Relations. After which the Senate adjourned.

House.—Mr. Ball moved a suspension of the rules, to enable him to introduce a resolution to call for specific information connected with all the branches of work on the capitol and post office extension. He said he wanted the country to see the manner in which the law had been disregarded, and the public money wasted. The motion to suspend was carried.

Mr. Ball, after going over the facts that the Secretary of the Treasury had unnecessarily expended large sums of money in letting contracts to the lowest instead of the lowest bidders, with a loss of more than $100,000. No one of them $10,000 or $12,000 were spent in machinery for raising stone on the Treasury Building, which as much heating and stating could be performed by contract. He made no charge of corruption against Capt Meigs, the superintendent, but the latter is unnecessarily spending money on the capitol and post office extension, by making the work too heavy and nice. The resolution was passed.

Mr. Kelly obtained permission to print his speech, which he had not had opportunity to deliver, maintaining that the softs are the true Democratic party in New York that they are superior in numbers and patriotism to the Hards who, in her opinion, are mostly knon Nothings. He avowed his belief that the Soft delegate would be recognized in the Cincinnati Convention, to the exclusion of the Hards.

Mr. Humphreys Marshall, from the Judiciary Committee, reported a bill authorising Patents to issue on the final adjudication in California and Oregon prior to January 1856. Its consideration was postponed two weeks.

The House adjourned.

Tremendous Indignation Meeting

BOSTON, May 25. The largest meeting ever held in Faneuil Hall, assembled last evening to protest against the their indignation at the assault on Senator Sumner. The thousands who could not find room, and thousands more were unable to gain entrance owing to the gardner presided, assisted by forty Vice Presidents including the most distinguished men of the city. Among the latter were Lieut Governor Berkley, Mayor Rice, Mr. Baker, President of the Senate, Mr. Phelps, Speaker of the House, Ex-Governor Boutwell, Hon. Mr. Wilson, Ex-Mayor Smith, Mr. Nathan Hale, Editor of the *Boston Advertiser*, Amos A. Lawrence, Professor C. C. Felton, and Lyman Beecher.

The meeting was opened with prayer by Rev. Rollin H. Neal. Gov. Gardner, in taking the chair, said he had come to express the feelings of the assault on Senator Sumner as an exhibition of grossness and brutality exceeding anything written on the pages of history, and calling upon Congress to express the sentiments of the nation. The resolutions were responded to with tremendous cheering at the right of

Judge Lowell was well received on coming forward. The meeting was afterwards addressed by Rev. Dr. Park, George B. Emerson, Mr. Baker, Charles A. Dana, Samuel F. Bayley, United States District Attorney Sandiger, and John A. Andrews, reporter of the *Atlas* and *Bee*. Many of the speeches were applauded to the echo, and all were listened to with the most profound attention.

The following are the resolutions:

Resolved, That we have heard with grief and indignation of the dark, cowardly assault upon the Senator from Massachusetts, in the Senate Chamber of the United States, while he was engaged in the discharge of his duty as a Senator, and that we regard it as a blow aimed at the freedom of speech, and at the independence of the Senate, and of the whole people of the United States.

Resolved, That we regard the attack upon Mr. Sumner as a gross breach of parliamentary privilege as a cowardly attack on the liberty of speech, outrage on the decencies of civilized life, and an indignity to Massachusetts demanding stern investigation and the expulsion of Mr. Brooks, and other members implicated.

The resolutions were sent to the House of Representatives.

From St. Louis

ST. LOUIS, May 26. The Santa Fe mail arrived in Westport on the 21st. Mr. Davis, Secretary of New Mexico, being among the passengers.
