Every State makes its own local laws, and shapes of Pennsylvania, openly declared, a few days its own local institutions. But the abolitionists ago, in this, city, that Mr. Buchanan could not say Congress should make the local laws and carry Pennsylvania. - American Organ. regulations for new States. If for new States, why not for old States too? Are the people of old Pennsylvania so much wiser and better than the people of Nebraska that the one shall make their own laws, and the other receive their laws from a legislature twelve hundred miles off? Why should such a degrading distinction be made. The people of Nebraska are from the old States, and are as capable of self-government as when and are as capable of self-government as when the state and the transportation of the could find in Lawrence was some things of the country in strains that would almost make and are as capable of self-government as when the local laws and carried them to the Committee Rooms, where they remained strongly guarded on the satiling of the steamer. It was suppose I that they would be hung. The whole city was most highly esteemed.

The Sack —The mournful sack of Lawrence, Kansas, has been paralled through the presses of the country in strains that would almost make an angel weep. A traveler just from Kansas says that the only suck he could find in Lawrence and are as capable of self-government as when the local laws and states. We hope Mr, Brodhead will let us know at come, where they remained strongly guarded on the sating of the steamer. It was suppose I that they would be hung. The whole city was most highly esteemed.

The Sack —The mournful sack of Lawrence, Kansas has been paralled through the presses of the country in strains that would almost make an angel weep. A traveler just from Kansas and it was a statement to that effect in the country in the property and inmate of the Sing Sing Prison, and it was a statement to that effect in the traveler between the public to attach they took and earlied them to the Committee Rooms, where they remained strongly guarded on the satility Local and places. The local and places were the local through the public to the satility Local and places. The local and plac they left their former homes. The Democrats would give them the right of self-government;

And now as to the application of this great tives with his feats. principle of popular sovereignty in Kausas. If it is right everywhere else it cannot be wrong there; and under its operation Kansas was as sure of being a free State as New York. Even the abolition papers admit this. They all assert that the Free State men of Kansas now out-number the pro-clavery men three or four to one; and such is doubtless the fact. Under such cir- Fremont as the Know Nothing, Nigger Worshipcumstances there needs but a full and fair ex- ping candidate for the President. The New pression of the popular will at the ballot box and York Tribune and Evening Post are also urging (Mass.) Transcript says that a few evenings since I AND CANCHALAGUA - We might show logically why this slavery is forever excluded from that territory. him. That such an expression can be obtained without interference from Missouri or elsewhere it is idle to doubt. It is well known, too, that the Democratic presses of the North have as fully and em
