GREATEST IMPROVEMENT YET!

NEW SCALE.—H. KLEBER & BRO., have just received a small lot of NUNNS & CLARKS' PIANOS, provided with their NEW SCALE. This is their latest, and undoubtedly the most important improvement as yet made to the Piano Forte. The POWER of the instrument is almost DOUBLED thereby; and in point of volume, evenness and brilliancy of tone, they surpass anything as yet produced in the shape of a Piano. They possess all the advantages of the Grand Pianos, without any of its disadvantages. We now challenge comparison with the instruments of any other maker in this country, confident that every unbiased judge of the article will at once admit their superiority. The public is respectfully invited to call and examine these superb instruments.
