number of the New York Tribune. In one ever had column it utters this falsehood : " Mr. Buchanan " is the candidate of the slavery extenionists." By that remark the writer would have his readers believe, if they are silly enough to do so. that the whole Democratic party is in favor of the extension of slavery. But the writer's memory is too short for his avocation. In the very next column of the same paper is an extract from Mr. Buchanan's letter of acceptance adhim of his nomination. That committee consist ed of both southern and northern men. All will concede to Mr. Buchanan intelligence enough to understand fully the true meaning of a platform and the issues it presents; and his from Mr. B.'s letter : people of this Union and alienated their affections from each other. This agitation has assumed many forms since its commencement, but it now seems to be directed chiefly to the territories; and, judging from its present character, I think ely anticipate that it is rapidly approaching a "finalty." The recent legislation of Congress respecting Domestic Slavery, derived, as it has been, from the original and pure foun-UPON PRINCIPLES AS ANGIENT AS FREE GOVERN-MENT ITEELP, AND IN ACCORDANCE WITH THEM, HAS SIMPLY DECLARED THAT THE PEOPLE OF A OR SHALL NOT EXIST WITHIN THEIR LIMITS." favor of the extension of slavery, or had Mr. come master of a large slave population. different language. The platform merely desigpistform in saying THE PEOPLE of the territory form the proper tribunal. There, then is the issue. Shall the great principle of popular sovereignty continue to people on the 5th of November.

ne question of scavery or no scavery for inemseives are. He could not have joined the Know Noth so t and marching to be lefence. Like the use of a scale to be decided are. He could not have joined the Know Noth so t and marching to be lefence. Like the use of the marching to be decided are. the question of slavery or no slavery for themselves : by the people. It is by no means the only quer- lings had he hved to this day. In which d true patriots of that lay. Mr Buchanan diffe by the people. It is by no means the only quest the new be found if living. He has but his beart and soul were with his country, and but it is the only one that relates to the subject of slavery. It is not whether slavery shall be by the Constitution and the Union " extended and introduced into the new territories : \*\*\* Coxsolibution --- The stockholders of the Ohio

Union."

WHAT HENRY CLAY SAID.

but whether the people of the territories themselves shall decide upon its introduction or exand Pennsylvania Railroad will be called upon to vote on the question of consolidation to morrow. clusion.

Our political opponents know that this is the Wednesday . There has never been submitted only question in relation to slavery now before to the stockholders a more vitally important questhe people-the only question in relation to it tion than this, and as it requires a two thirds presented by the Cincinnati platform, or con tended for by the Democratic party. True, the thrown against consolidation. Those who are spins to which not the constraints of reason leaving the city, should have their presses. We product that yours of the constraint  $1 \le 5 = 8$ fugitive slave law, and the question of abolish ing slavery in the District of Columbia are resubcerery hope this measure, so important for power way Mr. Lorenvish has ever been to re-Pittsburgh, will not be permitted to fall and that and that and the events we should be the puttern of the permitted to fall and that and the source of the state of the source of the s ferred to, but as to them the platform merely reiterates foregone conclusions. But the quetion involved in the Nebraska bill, an i raised by it is the practical and real and only issue so far as slavery is concerned. Shall the people of the of this project. We tage the vite it our outterritories shape their own local institutions, and will be unantimous in favor of coursed lation determine their own local affairs, slavery in -- . . .

But the abolitionists dudge the question as submit to be choked off so easily as the Alcht a thus stated. They know that the American wing of the Know Nothing division had antipeople love liberty and republican institutions pated In his letter of acceptance be says he is then for the form pated In his letter of acceptance be says he in the first of the Mr. Buchanan prove to will not let the Union shele if his body can st prove wing frank and part to reply which Mr. too well to consent that that great vital element and its motion. He adds with the same spirit which it is that allowed us to publicate fundamental principle of all republicanism shall now be struck down and repudiated. That vita: always characterized the old hero's action

element and principle is popular sovereignty. ... I accept this nomination as a compliment to inflexible sentiments, and as a duty 1 owe to return ab answer. And popular sovereignty or self government means that the people of each State and territo those Americans who so firmly adhered to their ry shall decide all local questions for themselves American sentiments, with the express under The opponents of the Democracy well know that standing, however, that if the American party with the issue thus fairly stated the decision of can be united on Mr. Fillmore on such a plat the people must inevitably be against them ; and form as I now occupy, I may be at liberty at any day devers d age, i make my bret public hence they seek to dodge the question, falsify time thereafter to withdraw this acceptance

ries or not. There is no such question before the joined the abolitionists. The abolitionists lorget 1 was the tret, 1 behave, to enter my name as a **up** and be train teels it to is his duty to himself as t whether slavery shall be extended to the new territor has been done because Hamlin, of Maine, has teer company was raised upon the spot, in which leader people in this campaign. There is no such to state, however, that our loss is a thousant private. We forthwith proceeded to Baltum re-question presented by the Cincinnati platform fold made by the accession of George Lyans, of the fold by the science of the fold made by the accession of the orge Lyans, of the fold by the science of the science of the fold by the science of the fold by the scienc question presented by the Cincinnati platform fold made by the accession of Genge Plants in October, 1814, I was decided a member of test of Electric Off But our opponents in their desperation are Maine, to our party, accompanied by nearly a the Fennsylvania legislature, and in that body to all's Smith spectrasons to showing of the prepersons obliged to resort to the expedient that " a lie the Old Line Whigs of his district.
