SIXTH ANNUAL EXHIBITION OF THE PENNSYLVANIA

STATE AGRICULTURAL SOCIETY, WILL BE HELD AT PITTSBURGH

On SEPTEMBER 30th, and on OUTOBEH Ist, 2d and 3d, 1856. ROBT. C. WALKER, Secretary. Meeting of Select Council .- The Select Council Williams, in Duquesne Borough. met last evening, Mr. Clarke in the Chair. Members present-Messrs. Alexander, Clarke, Drum, Galway, the Collector's Office, Allegheny, to carry persons

Jones, Lambert, Murdoch, Reed, Smith, Taylor, free of charge. Varnum, Wade, Weaver and M'Auley. The object of the meeting was to reconsider the action of the Select Council in regard to the consolidation question On motion of Mr. Murdoch, Mr. G. W. Cass, Presi dent of the Ohio and Pennsylvania Railroad, was re quested to address Council in relation to the ques tion, which he did at length, explaining clearly th mportance of the object, giving statistics and facts in relation to consolidation, which, if not new, were

received with great attention by the Council. Mr. Read offered the following resolution : Provided, Also that the Committee appointed resent the city shall vote for consolidation only on condition that said contemplated consolidated

company shall first indemnify the city of Pittsburgh from the payment of interest, accruing on the bonds issued by said city for stock subscribed to the Ohio nsylvania Railroad, until the maturity The above resolution being in the shape of an

amendment to the action of the Common Council, in was discussed and indefinitely postponed by a vote of 11 to 3. The action of the Common Council was then con

curred in by a vote of 12 to 2. YEAS-Messrs. Alexander, Clarke, Drum, Galway s. Lambert, Murdoch, Smith, Taylor, Wada and Weaver

NAVS-Messrs. Reed and M'Auley. The stock of the city of Pittsburgh will therefore cast in favor of consolidation.

Birmingham Seminary.-The examination Birmingham Seminary.—The examination and orthibition of this institution took place on last Fri-day afternoon and evening. The scholars, both male and famale, acquitted themselves with credit. Classes and female, acquitted themselves with credit. Classes ng back 761/2 feet in algebra, philosophy, astronomy, physiology and other branches of education usually taught in Semi-

naries passed the ordeal, and we take pleasure in saying that parents and teachers were alike satisfied. The exhibition in the evening was decidedly interesting.
