Disastrous Explosion in Canada--Ameri- LETTER FRON HON. MARTIN VAN BUREN. The Convention which framed the Topeka wayfaring man, though a fool, could not err

The Montreal Commercial Advertiser, of July lst, contains a report on the explosion of the GENTLEMEN: I feel myself bonored by the boilers of the Grand Trunk Ferry Boat, which invitation of the Tammany Society to unite with WEDNESDAY MORNINGJULY 16.

FOR PRESIDENT, JAMES BUCHANAN,

OF PENNSYLVANIA. FOR VICE PRESIDENT, JOHN C. BRECKINRIDGE, OF RENTUCRY. DEMOCRATIC STATE TICKET. GEORGE SCOTT, or Columna Co ODITOB GENERAL: JACOB FRY, Jr., MONTGOMERY CO.

SEE interesting reading matter on first page twenty five feet long, both of which were blown nominations, every day.

MR. VAN BUREN'S LETTER. triotic letter of ex-President Martia Van Buren most instantly, and killing and drowning a great excuse for the seeming discourtesy, and being on the present crisis of our national affaire. many persons, among whom were many passen moreover, earnestly desirous to avoid any part He declares his determination to support the gers who had just arrived by the Grand Trunk Democratic ticket. It will be recollected that in Railroad.

Free Soil party, and obtained a large vote. The recklessness and mismanagement in the working from the same source, unanswered, might, I fear, in the estimation of those whose opinion I can have free Soilism of that day was comparatively of the boat; that whilst the boilers were made abolitionism of 1856 Mr. Van Buren will have steam to the square inch, the inspectors found apon the political questions before the country. nothing to do with. He sees in it a great peril the safety valves weighted to forty-five pounds I shall, therefore, with a settled purpose that to the country, and, in his ripe old age he pro- to the square inch; and it was found that the this letter, as it is the first, shall also be my had nounces judgment against it in the calm, measured and solemn language of the patriot, states- the explosion took place. There was also posi- upon the subject referred to without reserve. man and sage. Some points in this letter are tive evidence, from the appearance of the boil. worthy of special note.

1st. In speaking of the Democratic party Mr. Van Buren says: "I think I venture nothing in saying that of

"all political parties which have arisen in this "other in the formation and history of which from their post of duty, and at the same time the and anon declaimed from our pulitical stage. "there has been such exclusive BEGARD AND fires were burning actively in the furnaces. The That party to which we have all been so long at "DEVOTION TO THE MAINTENANCE OF HUMAN Feport BAYS : "On all steam vessels the engineers should be hold

BIGHTS, AND THE HAPPINESS AND WELFARE OF responsible for the proper care and management of their boilers and machinery; they cannot be held "THE MASSES OF THE PEOPLE." their boilers and machinery; they cannot be held thus responsible, nor can proper discipline be main-tained, unless all the employees in that department are solely subject to the direction of the engineers in the performance of their duties. The unwarrentable And he adds that it is the party that has ever stood by and maintained in its purity and integrity the Constitution. 2nd. He believes the mode adopted by the

firemen in performe Democratic party for putting an end to slavery them to disregard and pay no attention to the dire agitation, and settling the question of slavery or no slavery in new territories is right: that is, to refer the question to the period of the territories. refer the question to the people of the territories trouble and danger. Such an entire want of subordi themselves as the proper tribunal to settle it. nation, system and discipline in the management o n steam vessel has never before come to our knowl And he believes the measure is becoming more popular as it is better understood, and will serve Payette is in a bigh degree censurable, and his con popular as it is better understood, and will serve payette is in a bigh degree censurable, and his con duct furnishes the only extenuation for the misman to quiet agitation, and give the country repose.

3d. He thinks Mr Buchanan eminently fitted to deal with the questions that now press for final settlement. And he thinks Mr. Buchanau's

Plening Braz-Gentlemen ntial election Territory the protection, in respect to the exercise of the right of suffrage, to which they were prepared by you, I take great pleasure in recomm entilled under the organic law, the riew I have urr a certain cure for liver complaints and all bi I do not think it necessary, in the view I have taken of the subject to enter into a discussion of the truth of these charges. Congress doubtless al power to dispense ossesses the constitution with the preliminary steps which have been usually required for the admission of a State into the Union. But considerate men will, I think, dmit that even assuming these charges to be in the main well founded. Congress ought not to o grave a matter, escept as a last resort and that I have saved in pocket some two or three hundred dol- found asked to act in so summary a way and upon ter every attempt to secure to the Territory a beaceable and regular State organization have

The case before us has not vel in exhausted. I think arrived at that condition, and this brings is to the consideration of the fourth proposition viz: they carrying out of the Nebraska-Kansas I am free to confess that I have for some time st regarded this act with more favor than

did when it was first presented to my consideraion as the instrument by which the Missouri compromise was overthrown. This may have arisen from the fact that I have felt mys pelled to regard it as the only attainable mode

y which the country can hope to be relieved om the injurious and demoralizing effects of slavery agitation; or it may have been produced y the great unanimity with which its principles have been adopted, in all parts of the country iv a political party in which I have been reared and upon the maintenance of which, in its wont ed purity. I conscientiously believe the future fails to care cases of any age of virulence, nor to give entir welfare of the country will depend. I believe ease instantly to all, frequently curing by one application also that the people of the Free States, when the resentment justly excited by the ropeal of anus. Bleeding piles are caused sometimes by the failing he Missouri Compromise has subsided, and more l especially when they shall have witnessed a fair canal tight against the back hones and keeps the blood from penceable execution of the provisions of that act, will generally regard it as a mode for top of your finger when a string is tied tight round it; he settlement of slavery questions, by which they will stand a better chance to have their feelings and opinions upon the subject respected. and one less exposed to extraneous and improper influences, than has been the case with specific ingreasional legislation, I have not the leisure, I doemed it necessary, to assign the reasons

which have brought my mind to this conclusion. The points in regard to the measure itself can be stated in a few words. The authority of Congress to transfer to the people of the Territorio Almost unaided by its political rival, it carried ment, in respect to all the proper subjects of leour country through the war of 1812, the results of which contributed more to elevate our Nation-al character, and to increase our power, than

in the affairs of the republic, when see tional animosities threaten disunion and incalcuof Mr. Buchanan's election. But the whole letter must be read to appreits fairness and wisdom, and its high eulogium and reformed. And he is mentioned as a man of appeal. It is his first and last address to his countrymen in this campaign. Many have had an opportunity to read it before ; but we wish all to see it; especially our country readers. THE Two TAILS. - Every day, almost, we get two. One day we are told Johnston is going to draw; and the next that both will be withdrawn, whether they like it or not, and a compromise man hit upon who will suit everybody. But tion votes with one tail, and the mortal enemies yet be called to nominate Judge McLean of the Dutch and all foreigners with the other A greater curiosity than that Barnum never had in his museum. The Feejee mermaid is outdone by this woolly horse with two tails. It is a device to "pull the wool over simple peoples eyes" and make them "go it blind," whichever

way the freedom shrickers bid. A scheme like this might prosper in a country where the peo- declared for Fremont and Johnston. ple were too ignorant and stupid to have a thought of their own. But among the intelligent voters of this country scorn and contempt The German Democracy of New Jersey. are the only feelings it can excite. And yet all The Democratic meeting of Germans in this this parade, and all these foolish devices Fre. city, on the 25th ultimo, was one of the largest mont's friends must know are utterly in vain. There is no more chance of making him President than Barnum has. Fillmore stock is rising dent than Barnum has. Fillmore stock is rising unear signification of citizens. The meeting repre-daily, and "Buok and Breck" are sure to win. were naturalized citizens. The meeting repre-CAN'T BE BOUGHT. In another column will be found some resolu-tions adopted by a meeting of German natural resolutions show that the Germans generally are | lows:

well aware that it is money and not principle that induces some German papers to join the Know Nothings and Republicans. And they also show that the great mass of the German natural-ized citizens are not to be sold and transferred to ized citizens are not to be sold and transferred to the ranks of Kuow Nothingism by a few editors 2. Resolved. That we will continue to su and politicians. The process adopted by the Know Nothings prin and Republicans to bring the naturalized citizens into their ranks show the respect they have for the intelligence and spirit of the naturalized | t citizens. They have only to secure the services of a few newspapers, and they suppose the work is accomplished. They can then boast that they

have got the whole German vote ; and they have German fellow-citizens. nothing to do but to issue nandbills in the Geryet the Germans of Tree man language to bring them all up to hear Know Nothing orators spout falsebood and treason "in the name of liberty." say as their brethern did, "papers may be

bought, but we are unpurchasable." See the resolutions.

it was aptly termed by the chairman,) that Sen them came women with babies and ator Wilson had expressed to him his determina. tion to go for Johnston, and that it would be all right in a week. Senator Wilson is thus pub-mate was on the qui vive. "The horses danced pirouettes to the music; - licly committed to Johnston, and we credit the

Dayton meeting as soon as possible to visit the Johnston crowd in Allegheny city. Hon. Wm. F. Johnston is the man beyond doubt.

THE New York Day Book says that the State of California sent a hundred thousand dollars to interest on the California bonds, and that that

Is the Abolitionist who said "we must have an any other measure or series of measures since lable evils. But he hopes that attachment for anti-slavery Constitution, an anti-slavery Bible the recognition of our independence. It has, the Union is too strong for sectional fanaticism, and an anti-slavery God." That is the man that and an anti-siavery tion. That is the man that is to perumbulate the country making speeches of Mr. Buchanan's election

at Bapublican and Know Nothing meetings. to convince them that the Constitution, the Bible constitutional system for the safe keeping of the decide for themselves whether Slavery shall of the province of a Bente, shall of ciate its sound sentiments, its statesmanly views, and the Creator of all worlds must be re-modelied public moneys, and the performance of duties that not exist within their limits : * for which a National Bank was claimed to be in dispensable: this system wher having been the leading object of the necessi nartisan assaults. upon the character of Mr. Buchanan. Read great courage. He has given a strong proof of leading object of the hercest parties a scale, the letter by all means. It is no demagogue's that lately in his place in the House of Repre- having by its salutary action was not merely the sentatives. He was speaking quite bravely, as acquiescence, but the positive favor of all prosentatives. He was speaking quite bravely, as the description of the may with truth be said inter their down in their dwill be doubtless supposed, about the Summer affair, has not been realized by any other public meas. I routed States and venturing upon the apparent quiatness of ure that encountered similar partisan bestility the House, he said, "a man stole into the Senate since the adoption of the Constitution. and smote his brother." "It u false," said Keitt,

But the limits of a letter will not admit of an enumeration, much less an examination, of the advantages secured to the country by the rise a promise from some quarter that a satisfactory arrangement is to be made by which the woolly horse ticket is to have but one tail instead of two. One day we are told Johnston is going to two. One day we are told Johnston is going to withdraw. The next day that Dayton will with-is to vindicate the character of the North for especially in respect to the influence it is, when ias been conceded the high honor of having se A LETTER-WRITER from Washington to the N. cured the Republican triumph in the civil revolution of 1800 which has, on subsequent occasions, rescued the Democracy of the nation from that the South Carolinian can be made to run of Congress say that the nomination of Fremont impending defeat, by interposing in its favor a with both, whisking up the German and aboli-
