It is the most uncertain, cheering indications in the State of Ohio State in the Union. One thing, however, is cor-POLITICAL SIGNS AND INDICATIONS IN OUT. tain ; last year thirty-five thousand Know Noth-James Saffin, of this city, a Whig Presidential t elector for Gen. Scott in 1852, is, as we are informed ngs refused to vote for the Black Republican from good authority, a supporter of Mr. Buchan candidate, Chase. They cast their votes for tin this contest. This makes the third Scott elec Trimble, an old Democrat. Will they vote n w —the others being Hanson L. Penn, of Brown contact for Fillmore — In the reports from some parts of ty, and Charles Anderson, of Hamilton. Ohio it is represented that Fillmore has more friends than Fremont. We are told that a Fillmore electoral ticket is sure to be in the fielt, and to poil a large vote of the national Ameri-

cans. But the most encouraging indication from Ohio is the numerous accessions, almost dai'y recorded in our paper, of old line Whigs to the Democratic ranks. Three old line Whig papers have already run up the Buchanan and Breckinridge flag. And the accessions are the flower of each static bravely in the coming struggion against the party of proscription and diamon -the the old Clay Whig party, such as Whittlesey and enemies of civil and religious liberty, the combine is the state of the st Ewing. ectionalism and fanaticism.

Ohio is as much interested in the safety of the deby a gentleman from North Union. Ross count Union as any other State. Let her people once that be did not know of a single person in the town be aroused to the wicked designs of the Greeley, which who supported Fremont, although Chase get a votes there last fall. The people are either for Lot Beecher, Sumner and Garrison disunionists, and chanan or Fillmore, they will promptly respond to the call for the preservation of the Union and the Constitution. Fanaticism and falsehoood may prevail for once: but we doubt it. Buchanan and Breckinridge were the choice of Ohio; and the Democratic Banerra are carteinly work in washing to the State. Was addressed by G. Moore and George Evans, both hitherto old-line Whigs. The Canfield Mahoming county Southard contains an able letter from John Heiner, heretofore a dis-tinguished freesoiler in that county, avowing his de-termination to go for Buchanan. papers are certainly very much in earnest, and express strong hopes of success. And it is cer- WHY HE SUPPORTS MR. BUCHANAN. - The edi- for making paper from the cuttings of waste tain, too, that our opponents in that State are tor of the Lancaster American Press, on paper lenter, and scrape of tanned leather. H THE SIGNETS OFFICE T.ppecan e, ann once a similar purpose The son and immediate person d friends of the amented Daniel Webster, giv their support to Buchanan and Breckmridge

> ----THE TESTIMONY OF A POLITICAL OPPONENT. The Burlington lown, State Gazette has a long article in relation to Kansas affairs from which we make the following extract.

"While on this subject we will say that we have just had a conversation with Wm. S. Graff, , who has recently returned from Kansag Mr. Graff is well known as a lawyer and an active opponent of the administration. During the last campaign in this State he was decidedly the great gun' in Des Moines e unty on the fusi a side . he certainly cannot be accused of partiaity to the administration : but we believe him to be an honest man, and his testimony is, that, though there are faults on both sides, the atricities of the free State party are far greater than those of the pro-slavery side. The late murder of five pro-slavery men by the abolitioni-ts, on the Ossawatamie, he says, was a wanton art, done without provocation, and attended with san-

guin my cruelty; the poor creatures were broken in upon in the night, dragged from their beds. and in defiance of the entreattes of their wives, murdered and afterwards savagely mutilated. considers, are the prime causes of all the disturbaures

PAPER FROM REFUSE TANNED LEATHER. - If all the discoveries made within the year or two. in regard to materials not of value, to manufature paper, should prove successful, there will be no lack of the article. It is now stated that Lazare Ochs, of Belgium, has obtained a patent ufacture of paper from leather is an old story, as an American patent was obtained for such paper many years since ; but M. Ochs' method of treating his leather to take out the tanning is worthy attention for its simplicity. The scraps if tanned leather are placed in sieves on the ends

per cent of old hemp rope is mixed with the known instances where individuals were sure to have these scraps, and the whole is cut up and reduced to peruptions break out upon them once a month at least. manner
