It is ner of Market alley and Fifth street, and buy some of those carried on to a large extent, and the evil has become elegant fine Stockings, that make your feet feel nice and so serious that our iron men have been compelled to resort to active measures to put a stop to these larcenies and prevent their recurrence in the future. Indeed, we are informed by a competent person that Indeed, we are informed by a competent person that one and a quarter per cent. of all metal brought to this market is pilfered by gings of boys and mon, who manage in this manner to earn their subsistence. One of these cases came before Ald. Johns yesterday. Isaiah Dickey, Esq., made information, charg-the Pilt Bland of the property boy who goes by the euphonious soubriquet of "Camphire," otherwise Nathaniel Graham, who ulleges he fished it up at the Puckety Schute on the leges he fished it up at the Puckety Schute on the Allegheny River. The price paid by Graham, we with at the Office of the Company.

JAMES M. CHRISTY, Tressurer belie c, was half a cent per pound, while its real value is about one and three quarter cents. A fur there hearing is to be had in the case, when the truth of the matiar will be brought out. If a few examples were made of those committing these depredations it would probably have a most salutary predations it would provably have a most salutary effect in reducing the percentage of loss to the own ers of pig metal hereabouts.
