All editors profess to be the guardians of the rights of the saple, and to keep them advised, through their column whatever shall arise for their benefit. We will live up to this letter, and inform them that the most wonderful an valuable medicine for their general use ever invented, is "Dalley & Magical Pain Extractor." Its virtues 26 to rare, nty and eccentric, that often they appear to work mos miracles than by science; so offective, electric and mighty and eco ling are its powers on the human body, that the now it is daily tried by thousands of people, not one of the

great mass but is delighted beyond comparison, and candid by confess they, on no consideration, will give again be The inventor, Mr. H. Dalley, has wheely kept the sacret to ess. Its everwhelming merits dely all competition, and it ities analysis. We confidently co to reck its acquain hance, for surely such a friend; who laugh at death and suffering, restores the billed, lame, halt and scarred to perfection, and all from pain, is a friend in We wish the discoverer of this mighty blessing, who is a eal benefactor to mankind.
