The second of th

Why Speculators Like Him.

We published yesterday a letter from Col Maon, written from California nearly nine years ago, in which that officer sets forth that Colonel Fremont bought 600 hundred head of cattle of a Mr. Celis for \$6,975, and gave a bond in the The Hon. Thorax Ives having withdrawn his name as a name of the government for payment. Those cattle he converted to his own use, leaving the government to pay for them. He also borrowed \$2,500 from the same man, and signed a note the last Democratic State Convention to assemble at CHAM- as a public officer for the payment. The letter BERSBURG on WEDNESDAY, THE SIXTH DAY OF AUGUST Charges that Col Fremont pocketed the money, and leased out the cattle for breeding for his own use, leaving the government to pay for both. Here, then, is \$9,475 of public property embezzled some years ago by an adventurer who is now a candidate for the Presidency!! Is the charge true " We have never heard of a contradiction. That letter of Col. Mason's has been on file at the War Department over eight years. Who has ever heard of the charge being answered

or contradicted ? Now, make Col. Fremont President, and if his officers embezzle the public funds, how can he call them to account for it? They point to Mason's letter as their reply. Has any one ever heard of a contradiction ? Is it any wonder that the speculators want to make him President." But will the honest masses of the people
