JEFFERSON'S OPINIONS OF THE CONTEMPORANEOUS LET-

"The old schism of federal and republica threatened nothing, because it existed in every State and united them together by the fraternalism of party. But the coincidence of a marked principle, moral and political, with a geographical line, once conceived, I feared, would never it much, and see that event at no great distance, Every one knows that Americanism, as con- and the direct consequence of this question; no strued in the Know Nothing lodges, means opposition to foreigners and foreigninfluence of every ed off—the laws of nature control this—but by the sylvania alone are earnestly at work in our cause:

yet a lying Black Republican paper, the New
York Herald, says there are only twenty-four
papers in Pennsylvania supporting Buchanan.

stitute to to regimers and tereign innuence of every soil, generally and especially the exclusion of Catholics from public office—to this last article of their faith they are firmly bound, and solemn ly sworn. Consistency would require that the that I shall not live to see this; and I envy not candidate of these sworn brothers should not be the present generation the glory of throwing a Catholic-or so it seems to us-yet we are as away the fruits of their father's sacrifices of life sured, by a gentleman, intimate in the family and fortune, and of rendering desperate the experiment which was to decide ultimately whether f ('ol. Fremont,) and a frequent guest at his man is capable of self-government. This trease

> Mr. Holmes of Maine, member of Congress. uddressed Jefferson a letter, which drew from him the following remarkable reply: of thank you dear sir, for the copy you have cen so kind to send me of the letter onstituents on the Missouri question. It is a perfect justification to them "I had for a long time ceased to read newpapers, or pay attention to any public affairs. infident they were in good hands, and content

the a passenger in our bank to the shore from which I am not far distant. But this momen tous question, like a fire-bell in the night, awa kened and filled me with terror I considered it once the knell of the Union. It is hushed only, not a final sentence A geographical line oinciding with a marked principle, moral anditioni, once conceived and held up to the an gry passions of men, will never be obliterated and every new irritation will mark it deeper an l there is no man on earth who would sacrifice more than I would to relieve us from this bear reproach, in any practicable way. The cession if that kind of property (for it is so misname) a bagatelle which would not cause me a seconthought, if, in that way, a general emancipation and equitriation would be effected, and gradu aby, and with due energices, I think it migh but as it is, we have the welf by the car

I can neither hold him nor eately let him g Justice is in one scale and self-preservation one thing I am certain, that a to passage of the slave from one State to a er would not make a slave of a human bea who would not be so without it, so their diffusi er a greater surface would make them indiviually happier, and proportionally facilitate th bory the burthen on a greater number of coad-

w uid remove the jealousy excited by the under taking of Congress to regulate the condition the different descriptions of men composing State. This certainly is the exclusive right the State, which nothing in the Constitution ! taken from them, and given to the General G. ment Could Congress, for example, sur recinen or that they shall not emigrate to any

I regret that I am not to die in the belie at the useign sacrifice of themselves by the overation of 1776, to secure self government at happiness to their country is to be thrown away by the unwise and unworthy passions remains, and that my consolation is to be that be very to be that to weep over it. If they would but parely weigh the bieseings they we a away against an abstract principle in the to be offerted by union than secession is well pause before they perpetrate the tree that and of an cide on themselves and . ex in against the hopes of the world

in a following the territory advocate of the Pro-terior the often of my bight of term and respo THE JOSEPH Nothing has ever presented so threatening aspect as what is called the Missouri question a federalists, completely put down, and detimes, devised a new one, of slaveho !and nor slaveled ling States, which, while it mamissing of terng moral, was at the same e geographical, and calculated to give then contincy by determining their old opponent a condition with them. Moral the agestion ertaints is not, because the removal of slaves. m one State to another, no more than their emoval from one country to another, would never make a slave of one human being wh would not be so without it Indeed, if there to my morality in the question, it is on the other sile; because by spreading thom over a large surface, their happiness would be increased and the burden of their future liberation lightened

However, it seemed to throw Just into the even of the people, and to faunticise the while to the knowing one- it gave a geographica and preponderating line to the P tourse and the throwing fourteen States to the North an and ten to the South and West W: But with the geographical minority it is stion of existence. for if tongress thee c it of the Constitution to arrogate the right of e, alating the condition of the tates, its majority may, and probably will, destates half be that of treemen, in which case to the whites south of the Potomac and the Oni ground enguate their states, and most fortunate

a bringing a greater number of shoulders up

He wrote December 20, 1820, to Lafayette .. With us things are going on well. The boa terms ser of liberty, indeed, is never without wave and that from Missouri is now rolling to but we shall rule over it as we have done over all others. It is not a moral question out one merciy of nower. Its object is to raise s geoperabilial principle for the another of the anders, and the noise will be kept up until that is offected. On the 22d of January, 1821, he wrote to John

trated in this question, what does the holy alli-ance in and out of Congress mean." And this, y the bye, is but the name of the case; it mly the John Doe and Richard Roe of the eject ment. The real question as seen in the States afflicted with this unfortunate population is, are our slaves to be presented with freedom and a lagger" For if Congress has the power to re gulate the condition of the inhabitants of the States, within the States, it will be but another xereise of that power to declare that all shall e free. Are we then to see again Athenian and acedamonian confederacies." To wage anothe eloponesson war to settle the ascendancy tetween them. Or is this the toesin of merely ervile war". That remains to be seen; but not, hope, by you and me. Surely they will parley while, and give as time to get out of the way. On the alst of January, alluding to the eduation of the sons of Virginia at the North, he

How many of our youths she (Harvard) now know not, but a gentleman lately from Prince that place, and that more than half were Viccinruns These will return home, no doubt, deeply impressed with the sacred principles of our holy ulliance of restrictionists ' On the 15th of February, 1821, he wrote: "All, I fear, do not see the speck in our hoizon which is to burst on usas a tornado sooner or later. The line of division lately marked on atween different portions of our confederacy, is uch as will never, I fear, be obliterated." After the storm had passed over, he wrote, Nov 4 1525, to palayette: The the eclipse of federalism with us, though not its extinction, its leaders got up the Missouri

question, under the false front of lessening the There are two Democratic papers in Washington county bearing each one of the above titles: and they are among the best papers in the State. They are hard at work for "Buck and Breck," and We cannot but admire the shilling and intelligence they display in their candidate for Congress, their selection being shilly and intelligence they display in their candidate for Congress, their selection being county bearing each one of the above titles: and they are among the best papers in active throughout the State, and Mr. Fillmore will poll from 75,000 to 100,000 votes. In this Congressibility which others have honorably acknown precisely who may be candidates their candidate for Congress, their selection being them. The district is composed of Belmont, tional, by denying the validity of his subscription or the force of his signature, which has been acknow ledged by hundreds under like circumstances, shall be clothed with authority to shelter honorably acknow it is composed of Belmont, tional, by denying the validity of his subscription or the force of his signature, which has been acknow ledged by hundreds under like circumstances, shall be clothed with authority to shelter honorably acknow it is composed of Belmont.
