DAN. BICE SEVERELY BEATEN. - At Hudson New York, on Tuesday evening last, a couple of blazing on all its ample folds, as they float over rowdies were put out of the circus of Dan. Rice the sea and over the land, and in every wind un for creating a disturbance. Subsequently, one der the whole heavens—that other sentiment, of them named Burns came to the hotel where dear to every true American heart-Liber Rice was staying, outrageously abused him, and Union, now and forever, one and insepar off, pursued by Rice and two or three friends.
The Hudson Star says:

Burns was nearly overhauling him, when on or near the corner of Warren and Third streets. Burns was stopped by Capt. Gaorge H. Powers, who was then on his way home, and as Rice came up he recognized Burns, and at once knocked him down. Rice not recognizing Capt. Powers, at him, when Powers clinched in with him, and while in this melee before there was was any in this country to an extent that places us in chance for an explanation, a party headed by position quite independent of importation merciful flogging—John H. Best knocking him great progress, and in a measure supplanted the down and stamping upon him until he plend for imported articles. In fact, there is a considhis saloon. In a few moments Mr. Rice's men came to his relief and they proceeded to the saloon of said John H. Best, demanded admittance but where refused—whereupon they at once broke into and demolished his establishment, smashing everything and everything an

their way. All sorts of weapons were used, rival worth mentioning, and still remains without from a slung-shot to paving stones, and those one. Toys peculiar to Germany and German who witnessd the scene, represent it as terrific in the extreme. After Mr. Rice's party had satisfied themselves, they left town, without being

ions, should vote against Frement. When, in the United States Senate in 1850, he voted against an amendment to the Bounty Land Bill. troduced by Mr. Underwood, of Kentucky, extending its benefits to widows and minor chi aren of deceased soldiers in that war. This humane provision Fremont voted against, and on account of it every old soldier in the war of 1812 If any doubts this vote of Fremont, they will it is quite a formidable list as respects talents

ists. There are too many patriots there to allow the electoral vote of that State to be cast for a composition of mud and lime. Thorough chemical tests have proven its indestructibility.
It is moulded in blocks of five times the size of non bricks, and in admirable shape We have great facilities for executing with building. Each block has a mortice through it, promptness, in excellent style, and upon the most so as to pass a current of air through the centre research terms, all orders for Job Printing and the entire wall of the building, and thus preressonable terms, all orders for Job Printing enreasonable terms, all orders for Job Printing entrusted to us, and solicit from our friends a share trusted to us, and solicit from our friends a share cie, even in New York, is said to be far less than and purchase what they may want in that line. bricks, and it can be laid more rapidly."

For the Pittslurgh Post. It would be very nureasonable to deny that a most bitter and jealous spirit has placed itself between the Southern States and a large portion son, 102 Cheshut street Philadelphia. between the Southern States and a large portion kinds of medicine, but none of them done any good; and it a copy of the above work by that populars and of the people of the North; and it would was not until tried Dr. M.
