READ THE TRUTE

"The Black Republican rascals," as the New fork Herald calls them, are busy representing the South as flaving a great advantage over the by they may get clear of responsibility for slav-North in consequence of the three-fifths representation of the slaves in our national legislature.

Their principle is, that religion and moral-nesday evening. The Gazette announced it next morning, and the Democracy stopped their principle is, that religion and moral-nesday evening. The Gazette announced it next morning, and the Democracy stopped their ploughs—the anvil ceased its music, and the The Democrats have not hitherto considered this government which sanctions institutions or meassuch in the census tables. We quote, then, from an exchange, (the Plaindealer.) to show that the man society has grown to perfection, and then such and flying colors. The people from all direc-

orth about the three-fifths representation of the laves of the South

"The South loses by the three-fifths represenup the inhabitants of the South for representatakes 93,713 inhabitants, North and South, to tion something which morality condemns. If this make a Congressman. In the North, whites, doctrine were conscientiously applied to political blacks, women, children, idiots-all who are perons are counted. In the South, all are counted except two-fifths of the slaves. Thus two-fifths merous frauds. Its falsity is proved by its imare a dead loss to the South in their count. "Suppose a slaveholder has 100 slaves; does he cast 61 votes? One for himself and 60 for his 100 slaves? Manifestly, no. He gives but autly, for it freely unites with other doctrines to secure their overthrow. It always acts inconsist autly, for it freely unites with political and relione vote. But in making up the basis of Cou- gious infidels or disappointed politicians to overgressional representation—his 100 slaves count throw an existing government, and produce sixty persons. Thus the South loses by this disorder which it cannot afterwards control. sixty persons. Thus the South loses by this is a principle of destruction and not of constru lause of the Constitution.

"A man in the South may own one hundred or men, for there could be no States. There could one thousand slaves—he goes to the polls and he no churches either. On this principle the gives his vote on one side; - another, as poor as would be nothing to ours, for the higher the 'Job's turkey,' if you please, differing from him knowledge, short of perfection, the more princ in political sentiment, votes on the other side, ples of difference would there be and kills the first vote as effectually as he does it

And in regard to the extension of slavery, a few facts will show the constant falsehood of the religion express and teach our highest attain negro Republican journals and orators. We quote from the same paper:

"The Republican leaders and editors are constantly harping upon what they are pleased to term the "horrible extension of slavery," which ple have already reached. Its office so far as has occurred since the organization of our gov. of order which the common sense of a people deernment. Let us look at the facts. When our mands, and thus to allow to all to have free scope constitution was adopted the Union consisted of in training themselves to the highest possible de twelve slave States and one free State. Now we have fifteen slave States and either free one stantly elevated as morality and religion succeed have fifteen slave States and sixteen free ones. Stanty elevating the common sense of The advance of freedom has been as fifteen to the people. A people cannot make laws found. three, or five to one, as compared to slavery. A ed on ideas which they do not understand or refurther fact can be shown, says the Oramel Erd, ceive. Laws of order that are contrary to their physicians are very much divided in opinion on the subject. that we have a less amount of slave territory-States and all of course-than we had when the old have bad a higher training. I speak not here of States and all of course—than we had when the old confederate government was organized, notwith the institutions by which government is to be standing the vast increase of our territorial dimensions. These, like the special forms of conducting all business, are not mere matters of ducting all business. mensions; and, in the face of all this, men, pretending to be honest and intelligent, go around

ducting all business, are not mere matters of common sense, but require some special training God has committed to man the duty of framfrom a lady—one of our own citizens the country mouthing about the aggressions of ing his own government, and with shavery, when they very well know, but are not should not be a free and responsible being. Be cause he is imperfect, his government must be than a year. I was advised to use M'Lane's Celebrated Virginia and the cause he is imperfect, his government must be bonest enough to admit, that by no act, legislative so, for he cannot help it. If it were the highest unione, prepared by Fleming Bros. of Pittsburgh. I took or otherwise, on the part of this government, has possible perfection it would be untrue, because not truly expressing his ideas; and it would be meteod improving at once, and am now perfectly well. The

of the slave and free territories, compared with the period of the adoption of the constitution. be disregarded by religion for this. Then reis

The South protested against the introduction truly express the common sense of the people CONVENTION, and have the honor of of slavery, and passed laws prohibiting it, which if is the common sense that is wrong, and it is the office of solunce marging and it is every arrangement necessary to insure a The South petitioned and remonstrated with

PITTSBURGH, we constitution and the Union realizing the full value of every slave and of getting friends of the Constitution and the Union realizing the full value of every slave and of getting When the North desired to get rul of slavery, it -all who would preserve undivided and them without trouble or expense beyond their be-

queathed us by the Patriots and Sages of The North has never vicine an account of The South has yielded her indubitable rights to an extent of territory sufficient to make fifty free States larger than Massachusetts, and without any equivalent. The South had constantly the subject of sla-

very under discussion, its disadvantages and mode of extinction. The difficulties with which the South had and has to contend, and which the North had not, are

slaves as the North did. This single item involves the loss to the South of over two thousand millions of dollars, which | 13 000,000 acres.

they would receive if they had a market Jor them outside of their limits. This fact alone should cause the exercise of lowing gentlemen have been invited as the utmost charity in the judgment of the North, speakers, and many of them will be pre- who enjoy the proceeds of their emancipation. Again: An immense difficulty is, how shall

the South, simultaneously with the abolition of vention a resolution was passed recommending dy's Medical Discovery. A PERFUMED BREATH .- What lady or gentle would remain under the curse of a disagreeable breath shea by using the "Balm of a Thousand Flowers" as a dentifrice wou'd not only render t sweet but leave the teeth white as alabaster? Many persons do not know their breath is bad, and the subject is so delicate their friends will never mention it. Pour a single drop of the Balm " on your tooth brush and wash the tooth night and morning. A fifty cent bottle will last

A BRAUTIFUL COMPLEXION may easily be a quired by using the "Balm of a Thousand Flowers." It will remove tan pimples and freckles from the skin, leaving it of a soft and rosenta hue. Wet a towel, pour on two or three drops, and wash the face night and morning.
Shaving Made Easy — Wet your shaving brush in either warm or cold water, pour on two or three drops of "Balm of a Thousand lowers," rub the beard well and it will make peautiful lather much facilitating the operation of shaving. Price only fifty cents. For sale by Fetridge & Co., proprieters; and B. A. Fahnestock & Co., Fleuing Bros., R. E. Sellers & Co., Dr. G. H. Keyser and H. Miner & Co., Pittsburgh and Beckham & McKennau, Allegheny city. Have You a Rupture of the Boweist —I would most respectfully invite the attention of these af-flicted with hernia or rupture of the bowels to my splendid

on tment of Trusses of various patterns, and to suit ever age, applied and satisfaction guarantied in every case, at my office, No. 140 Wood street, Pittsburgh, Pa., sign of the Golden Mortar. Among the Trusses sold by me will be Marsh's Radical Cure Truss; French Trusses, very light spring; Gum Elastic Trusses; Childrens' Trusses, single and double;

Umbilical Trusses, childrens' and adults; Eberli's Eliptic Spring Truss; The price of Trusses vary from \$2 to \$30. or Ruptured patients can be suited by remitting money and sending the measure around the hips, stating whether the rupture is on the right of left side. I also sell and adapt Dr. Banning's Lace or Body Brace, for the cure of Proling sus Uteri, Weakness of the Chest or Abdomen, Piles, Chron

Diarrhoes, and any weakness depending on a weak and debilitated condition of the abdominal muscles. Dr. Fitch's Abdominal Supporter English Elastic Abdominal Belts; Silk Elastic Belts; And nearly every kind of Supporter now in use. I also seli Shoulder Braces of every style, for weak chested and stoop houldered persons. Elastic Stockings, for broken and varicose veins Suspensory Bandages, of all kinds. Syringes of every variety and pattern, and in fact over:

DR. KEYSER would state to persons in want of Braces of frusses that he can often send to suit the patient by writing, but it is always better to see the patient and apply the Trus r Brace personally. Address DR. GEO. H. KEYSER, 140 Wood st., jul0:dawly THE ALLIANCE INSURANCE CO. OF PHILADELPHIA
