our glorious Union, which, I hope, will characterize James Gibson, of Pine township, for Congress for THE LATEST NEWS BY TELEGRAPH. THIRTY-FOURTH CONGRESS. EXTRA SESSION.

West Deer Township.—Persuant to public notice a meeting of the Demoorats of West Deer Township was beld on Saturday, the 23d, inst., at the bouse of Charles Bryson, for the nurlose of electing officer of the movement of troops in Kansas. They were read. Geb. Smith states that the reports which

night----closed dull. Mr. Hunter said that while the Senate on the one mind of every one present. On motion of the Prosi-dent, a vote of thanks was tendered to the speaker, and then three cheers, long and loud, were given for the majority of the House would not consent to act thus partially unless they could at the same time re peal a great many more of them. It was thus man-ifestly impossible that the bill could ever become a law, and the only effect of continuing the dobate apon if would be to delay the action of the Senate.

He would therefore move that this bill be laid on the Mr. Wetler asked him to withdraw that motion, t allow him to make a few remarks, and Mr. Hunte

Mr. Weller stated that he had introduced the Bill without consultation with any of his political assorintes, and he regretted very much that he was not sustained by them in his dosire to adopt a concilia-tory course towards the House. While he enteriaind great regard for their opinions he was compelled ourned to meet at the residence of Cha's Austins, on to differ from them in relation to this matter, he was actuated by a desire to wipe out of the Statute book of one of the Territories laws, which, in his judg ment, were clearly unconstitutional; and at the same time, as chairman of the Committee on Military Af-

> without the sacrifice of principle, but when he had ought forward his bill, actuated by those motives he was not met by a spirit of conciliation or compro-mise upon the other side of the Chamber. He had

no exaporated feelings against the House but the matter had now become a contest of physical endu rance, and he was content to lot things take their course and see which House would first yield. Mr. Hunter renewed his motion to lay the bill of

the table, which was agreed to by 28 egainst 11. mue that some of the German papers supported The Senate proceeded to consider the army bill remout, by citing the facts that they were bought, upon which the two houses had disagreed at the adjournment of last session. There had been three conferences upon it, which were unsuccessful; but although the last vote of the House was to adhere to

, and his remarks told with stunning effort upon his their disagreement to the Senate amendment, forman hearers. They became intensity onthusiastics was willing to give the House as many chances t forman hearers. They became intensity ontrastitution was writing to grow the spectrum of the s

all ground of objection that the Senate had not shown a proper degree of courtesy towards the House, and this would give the House two more opportunities t vote upon the question, and if it be anable to agree

when that fact should be reported to the House there would still be another chance to take the vote upon receding. Thus they would have ample opportunity it the stand in the Sixth ward, last evening, to ratify to reconsider what he could not help regarding as an inwise and hasty determination upon their part to persist in the proposition to which the Sonate could

never agree. Mr. Bell, of Tenn., said he should vote for the motion of Mr. Hunter with great pleasure, and tool this opportunity to ask. Mr. Case whether he under stood from those letters which he had this morning caused to be read, there were at this time no dis

Mr. Case said they were the latest official return received at the War Department, and they showed from various stands. The torch-light proce what had been the conduct of the military there subparades to-night.
