THE WORKING MEN. - The refusal of the Black Republican majority in the House of Representatives at Washington to pass the Army Appropriation Bill is beginning to produce itlegitimate fruits already. There are forty or fifty theusand people in the government employ in the arsenals, armories, foundries-in the maiufacture of guns, cannon, gun-carriages, wagons, harness, saddles, and every thing else that cost eleven millions a year. Those thousands of workmen must all be discharged for want of muney to pay them.

The government has not even the means of paying them their back wages. They must all be discharged, and seek employment and assistance elsewhere. That is the mercy of the Black Republicans for the working men—refuse to pay them their wages earned, and turn them out of the Col. gives them the facts and the figures the constitution and the lacks and the figures.
