Well, fellow citizens, you are now asked to my sad memories over their graves, as you also would if you wished again to kneel upon the tombs of Washington and Jefferson. [Tremensight of every other great consideration tombs of Washington and Jefferson. touching the foreign or domestic policy of the govdous applause.] And yet this would be if disernment, and choose your President in directref-ernment, and choose your President in directref-ernce to Kansas and abolitionism. And in the glorious flug. Fifteen stars are stricken out, and nomination of their cambidate how are the people this is but the beginning! (dod forbid that any of us may see the conclusion. [Applause.] But Providence has, through many severe triinsulted ? They do not present a man commended to your support by the high qualifications of capacity or experience. They know that a Preals, preserved us yet a nation. And it has also ent, inexperienced, and irrespon preserved to us that great statesman James Busible as John C Fremont necessarily would be, chanan. . [Cheers.] There he stands, after forty must become the more servile an instrument years of service in one civil station after another their bauds, and, hence, his nomination. the generous, wise, accomplished and patriotic While I would speak of Mr. Fremont in terr tatesman, against whom not one vile charge can f personal respect. I would fain inquire what he found in truth. Slander has pitched her las onstitute the claims that he may have upon an gainst him, but how it has fallen at his feet. itelligent and powerful people for their support. ounds have scented his track but to return dis have carefully examined every point in his pirited. Prentice avowed that he injured Clay,

> character and history as presented in the volumi- the great light of the West; but Clay's own so ous documentary subgies presented by his inrose up and said to Prentice, you speak falsely, mious adherents, and I can find nothing. He and Kentucky cried through the voices of eigh a mere adventurer. I will not say a nondethousand majority, Prentice is a slanderer and cript, as I might perhaps without harshness. Buchanan is a patriot. [Wild Applause.] What a noble position, fellow-citizens, Laughter,) They lay great stress on the fact his running away with Col. Benton's daughter, the Democracy of this country to-day present. and as 1 esteem it degrading to thus drag the Coming down through a period of fifty years an ame of a fair lady into the polltical arena, unbroken organization, standing up against the will only say I can see no great merit in that, for any man of you worthy the name of a man, alien and sedition laws of ormer days, as against Know Nothingism of this; crushi nullification as well as treason. And to-day could run away with Col. Benton's daughter, or any body else's daughter, and take good care of icrafterward, too, if you loved her as you should. is erect with one of the greatest of all living statesmen at its head-one "in whom the ele ed yet not be the better man for President or ments are so mixed that Nature may stand up and say to all the world, " that is a man indeed, astaccount. (Laughter) But his biographer ho I suspect to be that cold-hearted philoso proudly giving battle to that fell spirit which her of a thousand crotchets, Horaco Greeky would brand a citizen with shame because he vely says, in enumerating the list of reason Frequent should be President, that the erves his God in the faith of a particular church, and to that illiberal doctrine which t five feet nine inches high, and yet sometim would degrade and disfranchise man because, oke as if he were seven feet high." (Laughter perchance, it was his lot to be born on anothe hat the wears his heard after the manner ( il than this, (applause,) and while thus grapearly Christians," ... that is, he don't shave ling with these anti-American heresies, which all, reverend John Fremont-" and that he

oughter and observed. But here his biographer ts in a ray of light as to the views of the Conention which nominated him. He save it wagreated to him that he "could remove an o tion to his nomination if he would shave of "beard and comb his hair differently." (Shout laughter ] But that Col. Fremont auswered in a spirit worthy of Jackson," " that he would car his hoir as he pleased," -- and this point his ographer proudly puts as one of his greatest commendations for the Presidency. [Laugh-His too nails came off too by the fro-t "an unusual thing in such cases they grew been evet sacredly preserved. And she has per-

again." [Lughter] Of course they did, r. tirecley, and of course they would not have ups suffered more, in proportion to her num bers, from the vengeance of abolitionism than any of her sisters of the South. Year after year sm than one so for anybody else [Laughter.] And on through a whole volume you find his bio has she been despoiled of her rights and quistly maker grave'y publishing such trash, as he borne the wrongs. One after another has her slaves been seduced away and yet she has sub-mitted to it all. Only a little while ago one of f promoting his elecin to the Presidency." [Laughter, ] But, fellow different, there are some unwritt her best citizens, and my own neighbor too, was coolly murdered at the instance of a few wild fad- in his history. Fremont is a native of natics. Sadly I remember the time when we wh Carolina, a Southern State, and in the lectinution of his early life the mantle of charity gathered round the mutilated remains of that a- kindly thrown over him by the gentle good man as he was returned to us, and yet no reds of retaliation or violence were advised. such of Unthelie ladies of another Southern The blood of the murdered man was left to cry

tate, Gorgia. By the kindness and smiles of he people of those States John C. Fremout was up from the ground to invoke the gallant Penn-sylvanians of the future to stay the hands of stained in boyhood, and clovated in manhoo engeance stretched out by a few misguided men. the generous notice of a Southern member of ar Calinct, and there was laid the foundation We could not and would not hold the great mass f the people responsible for the conduct of a whatever success 1 afterward obtained. ow he -Lode the embolument of a party sworn small but ferocious band; and in all the wrongs in-ult and degrade the State of his nativity that Maryland has suffered, to-day not a solitary an , his early benefactors . Honest men, chivai act looking to retaliation or revenge stands out
