ROBERT B. GUTHRIE, ROBINSON TOWNSEIP EDWARD THOMPSON, WELKING TOWNSHIP ENTY SUBVETOS EDWARD M'CORKLE, INDIANA TOWNSHI JOHN JOHNSTON, LAWRENCEVILLE, (1 ) ear [ Special Telegraphic Despatches to the Pittsburgh Poet PHILADELPHIA, September 17 .- Noon. To George F. Gilimore, Edutor of the Post : Six .- Thirty thousand Democrats are now in Independence Square, and the cry is still they come. Governor Floyd, of Virginia, and Hou. G. R. Riddle, of Delaware, are speaking from different stands - Four additional stands are being erected. The neonle will not all be able to get into the souare. As regards numbers they are like the leaves of the forest. J. B. G. A despatch was received from Davton, Ohio, last night, saving that there were one hundred

day. "Glory enough for one day." Yesterday was a great day for the Democracy. THE NEGRO PARTY'S CONVENTION. We shall endeavor to give but a brief account of the Fremont mass meeting yesterday. The

gon !!!

contradicted.

procession was certainly a long one, made up as it was of men, women, children and negroes; horses, mules, oxen and wagons; steamboats, oavalcades and every thing else that would reach over as much space as possible. Six different counts were made and shown us; the average of all being a little over seven thousand human beings of all ages, sexes and colors. Of that number at least one-third have no votes. There was a good sprinkling of negroes ; a large quantity of women; babes at the breast, and boys

and girls in large numbers. Most of the Germans in the crowd, those who know them say. have no votes. The procession was two hours passing one point, including many halts of conrebuke ? siderable time each, which must have consumed forty or fifty minutes of the two hours Some of the devices on the banners showed thom merely represented the lying slang with sand witnesses can prove the truth of his letter. which the presses of that party tesm from day to

day. "Electing Kansas; Bully Brooks; Ten Cents a day; Fremont and Freedom, and all at lasue: "Jessie; Border ruffians; Slave drivers," and all at lasue: BRows's Horst, Eass, Sept. 13th, 1856. lution formed the staple of the mottoes and ban-

ners. The whole affair is summed up in two that at the meeting in East Birmingham the oth words, "Negroes; Kansas." And they again | er evening, I was asked during the delivery of mean simply "Abolitionism." It was aboli-tionist throughont. And abolitionism forms the that I answered..." How many slaves have you ?" and that I answered..." those have you ?". tionist throughout. And abolitionism forms the whole substratum and superstructure of the party. Somuch for the procession, whose vul- the meeting, or you would have known this state gar and insulting banners disgusted many who ment to be entirely untrue. I can only pity and were not abolitionists, and not Democrats. Both the Democratic and the Fillmore party gained made no such and strength yesterday, we verily believe. The utter and unmitigated abolitionism and recklessness of

the whole Fremont party was clearly revealed, and the conservative masses will not stand it. Of the meeting on the ground we shall say Judge Bowen is one so common in the mouths o but little. It was a large turn out. But one 8 thing is certain; the delegations from the rural dis-

triots, as a general thing, were much smaller than ours. This can be proved by facts ascertained. For instance; 60 came from Altoona to ours, found that its estimate and cars do not differ from a party which proscribed foreigners and only 6 on the corresponding train to theirs. much as to the procession. He is reported to From most of the townships in this county the have said that there were 5500 in the procession, delegations were smaller than ours. Nearly all leaving out women and children. From that who came to ours are voters; not so of theirs by 5500 take 500 at least of mon who are not voters, thousands. They spent probably \$300 to our Germans not naturalized, and some of whom \$1 in getting up their crowd, and have nothing bave not been seven months in the country, and to boast of as the result, considering the mighty others. efforts made and the money spent. Up to the time we left the ground no distinguished speak-talked of " men as speakers at the Abolition Con-Cassins M. Clay is not distinguished as a speak-

er. Mr. Loomis and Mr. Williams spoke early perfect fizzle so far as speakers from abroad are in the afternoon, which they would hardly have the rest of mankind," being urged to come and concerned. Just think of "all the world and him done had the men been here whose names were hear our Pittsburgh lawyers make speeches !! That is his State, if he may be said to have a reparaded on handbills for weeks. One thing is Some of them are good speakers; but something certain : more drunken men and boys were seen else was expected. In that respect it was a fizzle on the streets of the two cities yesterday than BARNUM BEATEN. on any former day for years.

We believe that with equal efforts the Demoshows, and some of them large ones

mit of his own yots over Sidd ner month. Some of our laboring men can get twenty or the clane of Scotland." As proof of the statement so confidently made thirty dollars per month for equally valuable serin the Leader, read the following from the Lonvice. Are they willing to elect again a man who

don Chronicle, the especial organ of the Queen coolly votes himself \$640, per month ? f Great Britain : But again ; while Mr. Purviance could thus "We should be sorry to see Mr. Buchanau elected, because he is in favor of propersing the vote himself such a princely income, he steadily and resolutely voted against paying the soldiers of the States. There is no safety for European in the army their small pittance of nine dollars a monarchical government if the progressive thir : nonth. And had his party succeeded in its earnest of the Domocracy of the United States is a "of desire, every workman in the arsenals of the whole to succeed. Elect Premont, and the first b' w country, and every soldier in the army, would to the separation of the United States is effected. Another London paper, the Stur, says Lin have been thrown out of employment on the sp-

mont's address upon accepting the domination of murates this by wienes as effective electric and an proach of winter. Mr. P. is surely no infidel -"ought to excite an ardent hope throughout Fi for he does not neglect to provide for his own land for his success." cousehold. But the poor households of thouse. The London Timer is out in a leader in faands of mechanics would have been scantily of Fremont's election. The children hinks such supplied had he and his party prevailed. Fire a result will be a subject of congratation, being best for the kingdom of licest Britan. hundred and forty dollars voted to himself, for The Paris Monsteur, official organ of the Ineach month, and nine dollars per mouth refused perial Usurper, whom Fremont is said.
