ABOLITIONISM A DISEASE. Jay, Madison, Adams, Franklin and other sages and patriots were in their prime, and gave tone to public sontinent, the people of this country could talk about slavery as an evil, and consult together to find some safe and practicable reme dy. States could then abulish slavery where the slaves were not numerouse; and there was hone of its absorbe extinction In Virginia a Kentucky there was a strong vote for emancion tion. The men of the north and south could

of an evil that England had fastened upon the country while under her sway. But in an evil two gatherings we are. day, and with evil intent, about the year 18.2 there came to this country an Englishman hamed truth about numbers. The abolitionists cannot, there will be fifteen or twenty thousand. Thompson. He was an able and cloquent orator, and was sent by the lealous aristocratic govproceduable plan. He went where it was not, to peller, Vermont, Here it is: arouse fatred and sectional animosity and to stimulate the pulme mind to phrensy against NEXT NOVEMBER, KEEP BLOODY OUTtheir southern brethren. All know how well the fireign emissary on inconducty succeeded. The simple minded, the familieal, and the rash and | violent lent a willing car to the public enemy, the men of his day it would, by its incendiary lighted up the flames of a civil and a service war throughout all the South, and involved both races in one undistinguishing ruin. A firm and patriotic resistance has protracted the striggle, and given intensity and virulence to the disease

It has now become a marked and clearly defined disease; a disease as irritating and exciting as partial insanity. Its victims can listen to no at Port Perry, in the afternoon of that day. It the pegroes. For them the Union may be de- will be addressed by Messrs. Roberts, Bruce and stroyed, our government overturned, and our others, and a Glee Club from the Third Ward. glorious constitution publicly burned. For them THE young men out West are forming themall other great national interests may be aban-selves into Buck and Breck Young America doned. For the negro race, the great hope Clubs. A few evenings ago one was formed in tution and happy Union. We They are the language of intense bittorness, hatred and contumely. The warnings of the fathers of the Republic are treated with scorn. George Washington is called a villain at a public meeting; and our Constitution is de-
