President Polk disapproved the two last,

The evidence of General Kearney, which is which y accontradicted, clearly shows that the question with Col Premont was his appoint ment to the office of governor, which, after has ug his eye upon the Mariposa purchase, and other transactions in California became an important matter to him personally. He expressly beclared that he would not obey Commodern Sockton, "unless he would appoint him gover

The inference is indisputable, that if the tieners. Kearney who had expressed a willing remonts election, in commenting upon the actioning became quiet, and before his departure for home Had Commodore Stockton been apprized of what passed between General Kearney and Col Fremont, and the motives which impel led the latter, he doubtless would have refused him both the appointment and his confidence. No one doubts that the Commodore thought himsel right in what he insisted on and his high toned and gallant spirit would have shrunk from according anything to such selfish persons service is not show another instance of an offiofficer in the army or navy declare it to be hen-orable and proper. Can his political patisans do so without blushing !

71945 MISHAPS OF A TAILOR -A Boston tailor, hav ing a wife and grown up children, recently absuried, taking with him considerable reads money and one of the young ladies employed as a sewing girl in his establishment. The wif cont her daughter to hunt up the fugitives. She asservered them asteep in their lodgings in New tork, and instead of disturbing them, she took from her father's clothing a roll of bank notes. masses at a store in New York, and to pay for it. I stall who are predisposed to Consumption, warning them drew forth from her scooking the immense roll money given back to him. Next morning the money was missing again, and the tailor accu, tion or qualification of the phrase, and we are backed by while he was asleep. She was arrested, and of it, if worthless, no wealth could purchase, in saying the while the tailor, sewing-girl and daughter were it is as nearly infellible as anything in this fallible wor

Mr. Euchanan in the War of 1819. The laud warrants for 160 acres of land each 1814, have just been issued by the Department to Dr. F. A. Muhlenberg and Emanuel C. Reigart, of this city. These gentlemen both served wit more in 1814, all of whom continued in the army until honorably discharged by the Government t passed through the public streets to Oak Hill Mr. Buchanan's name was the first enrolled in the company, and he is also entitled to a land warrant, but declines applying.
We mention the above facts merely to give the lie to the story started by the opposition that Mr. Buchanan never marched to Baltimore in defence essive, calculated to awake deep reflection on the uncertainty of human life, and to remind

Young Man, Your First Vote. How are you going to east your first vote? How begin your political life? Will you comsays, the man who attempts to serve God and mence a record that will haunt you the balance of your days? Will you vote with a party that has but one idea and that a false one? Will you identify yourself with a sectional party, that can my desk regularly, and will feel grateful to such your life of more importance than this. Begin

NEGROES .- At Bucyrus, a large number of More democratic voters went from Pittsburgh gate here to bear me, and I appreciate the deli. Negroes were in procession at a Fremont meeting. that the time was not far distant when they could And below is the only one drop of the great not only march in procession but rote also. The cocan of results, which this blind, wickedly blind Fremonters were about 100 weaker at night than and secularly minded fanatic has done his best in the morning, and are getting weaker every
