SUPERB GRAND PIANO,

FROM THE FACTORY OF

Steinway & Sons, New York.

H. KLEBER & BRO. take pleasure in announcing to the public that they have just received a splendid full GRAND PIANO, from the factory of Steinway & Sons, New York, which for exquisite sweetness and volume of tone, lightness and elasticity of touch, and a perfect finish and elegant exterior is considered the FINEST GRAND PIANO ever brought to this city. The manufacturers of a DOUBLE ESCAPEMENT ACTION, of such very superior workmanship, and delicacy of touch and general durability but rarely attained. We respectfully invite the ladies, and all who wish for a perfect instrument, to call and see this marvelous instrument.

PRINCE & CO'S IMPROVED PATENT MELODEONS. The oldest Melodeon manufactory in the United States, and the largest in the World; between 10,000 and 20,000 of these instruments have been finished, and 2,000 more are now in use. The latest improvement in our Melodeons is the DIVIDED SWELL, secured to us by letters Patent, 22d May, 1855. By means of this swell Solo Passages may be played with the full power of the instrument, and the *accompaniment* is soft and subdued. Therefore, all Melodeons made by us will be furnished with this attachment, WITHOUT EXTRA CHARGE.

Extract from the Cuba Advertiser, July 17th:

"Messrs. Prince & Co., could realize a handsome fortune by disposing of rights to other manufacturers to use their new improvement, but as they prefer to make it a feature in their instruments, it can only be obtained by purchasing one or their Melodeons." The styles and prices are as follows:
