JAMES P. BARR, Editor and Proprietor.

SATURDAY MORNING ......JANUARY 28. FOR ASSEMBLY: TAMES SALISBURY.

PITTSEURCH:

(To all the vacancy considered by the death of James Banchouse.) Election on Tuesday, January 26th.

THE PATE OF GENIUS.

at that time traveling to the South with a Union. view to the improvement of his health. He We require an increased military force in bright and be utiful youth of ten or twelve their attention for a short time from trifling years of age. In a conversation with the matters and devote it to the welfare of their poet, we remarked that the lad seemed to mesters, the people. possess genius and gave promise of distinction and usefulness. With a deep and heart-felt Agh the unhappy father replied, "I fear your and comparatively happy; as a genius he official documents that she had on board at the accompany him the one by scarlet fever among would be envied, hated, eccentric and wretch- time of the catastrophe \$3,000,000, of which \$1,rather see my poor boy in his grave than which were obtained by means of a diving bell, prominent politicians backed his opponents, he we saw an announcement of the death of poor | believe that the bulk of specie will be found. Fairchild. The unfortunate and brilliant man died in misery and want in the very prime of life, and was, we believe, buried at the expense of his friend and school-fellow George D. Prentice, Esq., of the Louisville Journal Fairchild was a man of fine education and spendid poetic endowments, but misfortune marked him for its own, and now, far from his native hills he lies in an obscure corner,

Thus is it too often with men of genius .soured and chagrined, avoid their fellows and frequently die in want and misery. It is said that between his fortieth and sixtieth year, Sir Walter Scott realized by the productions of his pen at least half-a-million of monpanic of 1826 came, leaving the Great Magician in dect to the amount of one hundred | Peruvian. and thirty thousand pounds! The gentle and genial old man labored hard to relieve himself from his embarrassments. His productions yielded hun during six years some eignty thousand dellars a year, but his health failed and at last he perished in a giantalike ef mangled him terribly before they were discover- per annum. fort to satisfy his creditors.

John Kents,

" Who sparkled, was exhaled, and went to lieuven," lived long enough to dazzle the world with his his injuries. He has no parents living. genius and then died from the effects of poison admin stered by a heartless viperish reviewer. who perished in his pride,"—is also too well hunk, like nonp-root. They are palatable and note engraving executed in this country. As ture and the church. There are no present known. Prodigally endowed, with wonderful inventive powers, a daring fancy and an in tellect as brilliant as it was original and vigorous, he experienced cruel neglect suffered from hunger, and finally in a moment of de spair, puished by his own hand. Thus paszed away one whose youthful productions have made his home immortal and whose more mature efforts would doubtless have ranked him second only to him who "first exhausted worlds and then invented new." His bios grapher tells us that he was buried without ceremony among paupers in Shoe Lane; his for a season to the St. Louis theatre. identity could with difficulty be established when the fact was known.

In his "Lives of the Poets," William Howitt nologist! The manner in which it was obtained is said to have been this: on some occasome one in the same spot, the coffin of Pope was disinterred, and opened to see the state of his remains; that by a bribe to the sexton of the time, posession of the skull was obtained for a night, and another skull returned instead of it. I have heard that fifty pounds were paid to manage and carry through this transaction. Be that as it may, the skull of Pope figures in a private museum !"

There's fame for you, aspiring, verse writing reader. Think of it. The skull of the author of the Essay on Criticism, and the translator and Mary Montague is in a private museum. did dwell, is now the property of a mountebank, and vulgar eyes gaze at, and filthy hands | dese, fell sick, and died next day." toss about that which was once the dome! of thought, the seat of learning, wit and poethe admirers of the logical, polished, pungent

The woes of genuis meet us at every turn. Byron, Burns, Hemans, McLean, Pec, and others rise up before us and their faults, sufferings and misfortunes claim and receive our

Rather than endure what Chatterton and Keats endured-suffer what Hemans and Shelley suffered, and die as Burns and Byron died, would it not be better to watch flocks through life and die as died the hind who thought the world was bounded by his native hills?

THE INACTION OF CONGRESS. Thus far Congress has overlooked the great object for which it convened-legislation for the public good-and been content with listening to stupid speeches on Kansas, Nicaragua. the seizure of General Walker and the propris ety of giving Commodore Paulding a gold medal or a brass button. Its neglect of the best interests of the country has been and is most shameful and calls for condemnation

Especially has Congress been dereliet in regard to matters in Utah. It is notorious authority of the United States is defied, and dren in ten days:

C. HANSON LOVE,

Formerly Love Brothers, No. 74 Market street RANGES AND LEMONS.—

new treatment. A T THE BUFFALO PRIVATE HOSPI-Private and Confidential Medical Advice

u Eniissions, more properly known as Sominar Weakness lays, by the use of this instrument, when used conjointly ith medicines.
YOUNG MEN TAKE PARTICULAR NOTICE. Dr. AMOS & SON take pleasure in announcing the nave invented a most important instrument for the c the above discusses. It has been subjected to a test most enknent hysicians in London, Pavia, Philadelphia and Now York; it has been declared the only assist instrument wer yet invented, for the cure of Seminal Weaknessor any liseuse of the gential organa, caused by the secret habits of youth.

Or. AMOS & SON, in order to satisfy the most skeptical es to the merits of their instrument, pledge themselves that in any instance where they may prove unsatisfactory after a fair trial, the money will be refunded by returning the in-

g in price from \$6 to \$50 each fair trial, the money was be removed by trument in good order.

Persons yielding the above useful Institution; will observe that the price, with the accompanying directions, securely packed and sent by express, is ten dellars.

NEW REMEDIES AND QUICK CURES. Dr. AMOS & SON may be consulted from eight o'clock in the marning until nine at night, in every stage and symp-tem of the Venerual Discuss, Generatea, Glerr, Secondary Symptoms, Seminal Weakness, Imposence and Strictures of the Urathra, etc., with inviolable secresy. The treatment they adopt is the result of upward of thirty years' extensiv OFFICE WUTCH IN USEMBURY. d successful practice in London. The most inveterate TOAN OFFICEal cases of a slight nature in two or three days, at a m no expense. The cure effected without confine erate expense. The cure effected without confinement or bindrance from business; also, nodes end pains in the beact and limbs, effectually cradicated.

A CURE WARRANTED.

Dr. AMOS & SON have devotablished attention exclusive-by to this paculiar class of maladies, and the relief they have

consequently been enabled to render to their fellow creature is fully testified and greatfully acknowledged by convolunt nationts and others daily arriving in town from all parts f the country, for the express purpose only of consultations while their exertions have been crowned with the most sig-GO AND SEE subility of their prevention and removal, and likewise is ciably found that the most horrible and mangnant form f discuse could almost always be traced to one of the f owing causes:—Ignorance, neglect, or the ill effects of uselful and improper treatment; therefore, Dr. AMOS combination of remedical which bear an equivocal character, as well as those whose premature or injudicions application might be productive of bad consequences in the hands of private individuals. In short, the laudible end of their remedies is the lessening of a great mass of human misery by the atleniation, relief and prevention of those grovous afflictions that are in reality the secret fee of life, and which, while they are extractly account to call along for each it.

while they so extremely curround us, call aloud for our skill and interference for their extermination. COUNTRY INVALIDS. emittance for medicines, &c.
