But the life of a farmer had no charms for him "A life of excitement for me l' said the willfol young man to his father's remonstrance · none of your hum-drum, stay-at-home, fireside happiness for Jack Brown." And, so thinking, he soon joined a band of smugglers, who at that time infested this coast, those days smuggling was not only more common but lass disreputable than now. France heing almost closed to fair trader, by war, those who required such fripperies a musling, and the like, or such creature com forts as Cognac, were obliged-if they studied economy-to buy them in the cheapest market : and this was in the hands of the smugglers, w: o at that time formed no inconsiderable propertion of England's maritime the rights of others, should be confined, both Young Brown, who from his nopulation hildhood had been used to the sea, in a short
